## PRESS BOX

**Entrance to Press Box** - Enter the Press Box via the press elevator (that is located midway at the base of the West Stands (press box side of the field). This elevator will go to all levels of the press operation. "Press Will Call" will be located in the press elevator lobby at street level. You will pick up late request credentials and parking passes here as well as photo sideline credentials/armbands.

**Press Box Levels** - There are seven levels in the Florida Field Press Box: 1) President's Deck which houses a lounge for the University President and his guests; 2) Bull Gator Club; 3) Working Press Deck - print media and media seating; 4) Coaches Scooting Booths, Television Networks; Home and Visiting Radio Networks; 5) Photo and Video Deck including coaching films for both teams; 6) Luxury Box Level; 7) Luxury Box Level.

**Working Press Deck (Level 3)** - This level is reserved for media seating and statistical operations. Fax Service is available. We suggest that you let us know in advance what your needs in this area might be on game day. Several pay phones are available at the back of the press box which are used by dozens of media reps. If you have concerns about meeting tight deadlines we strongly encourage you to order your own phone (see section on telephones).

**Television Networks, Radio Networks, Coaches Booth, Dining Area (Level 4)** - This level is reserved for television networks that are doing the game on a live or delayed basis. This level also houses the radio network for Florida and its respective opponent on game day. Each of the coaching staffs has one booth designated for its use. This level also contains the serving and eating areas for media representatives only.

**Photo Deck (Level 5)** - This deck offers a spacious area for all video cameras that are covering the game. This area also will be used for filming by each of the coaching staffs. Security and Game Operation booths are also located on this level.

## SIDELINES

The University of Florida follows NCAA and SEC rules regarding media representatives on the sidelines. Photo-

graphers and videographers are not permitted to shoot between the 25 yard lines and they must wear a photo armband at all times. The bench areas between the 25 yard lines are off limits to all media reps. No credentials will be issued to freelance photographers, cut-line writers, equipment carriers, or radio station representatives except for the two originating networks. A "photo only" zone has been established on the Florida Field sidelines. Only people wearing a game photo armband with photo or video equipment will be permitted in this area. All other media representatives on the field (amateurs, reporters, etc.) must stand behind the "photo only" zone. This will ensure that photographers/videographers have the appropriate area to do their work.

## CREDENTIALS

**Press Box** - All members of the media covering the game in a working capacity must seek appropriate credentials in advance from Norm Carlson. We would appreciate receiving these requests as early as possible. Requests for working space in the press box and photo credentials for the sidelines will be honored from Sports Editors of DAILY Newspapers and Sports Directors of Television Stations. ONLY Due to the heavy demand for working space, credentials for radio stations are limited to immediate Gainesville area stations and the two broadcast network crews doing the game. Any radio station seeking in-game and post-game reports can receive them by calling the SID Office in advance to make proper arrangements with our staff. Request for working credentials must be made in advance in writing to Norm Carlson. Spouses, dates, relatives, family members, non-workers, and anyone 16 years of age or younger, are not permitted in the press box. Violators will not be tolerated. Media agencies or bowls that violate this policy will not be issued credentials for future games.

**Sideline Credentials** - Media representatives with a gamelay sideline photo/video credential form must report to the Press Elevator Lobby prior to the game. When you present the appropriate letter and identification, a sideline photo armband will be issued at that time. Your game credential or

#### **FLORIDA TELECOMMUNICATION SERVICES**

##### **MEDIA FAX-ON-DEMAND**

Fax-On-Demand provides UF's updated statistics, notes, rosters, injury report, depth chart, scouting reports and bio sketches. This system will also have daily football practice reports. Due to this technology, UF's SID office will not be mailing out the weekly media notes and stats package. If you need this information, simply call the SID office and we will issue you the appropriate phone number, pass-code and menu options for Media Fax-On-Demand.

##### **WORLD WIDE WEB**

**(THE NAVIGATOR – <http://www.uaa.ufl.edu>)**

The media and general public can also obtain information on all the University of Florida's sports programs through the University Athletic Association's home page on the World Wide Web. Football information on the web includes statistics, rosters, game releases, post-game statistics and notes. The address for "The Navigator" is <http://www.uaa.ufl.edu>. For more information on the site, please contact the UF Sports Information Department.

## POST-GAME INTERVIEWS

Florida's SID staff will escort media representatives to appropriate locker-room areas with 3-5 minutes remaining the game. Florida coach and player interviews will be conducted in the south endzone locker/conference area. Coach Spurrier will conduct a press conference in the media conference room 10 minutes after the contest. His conference can also be heard via an amplified phone hookup in the press box should you be facing tight deadlines. Florida's locker area for player interviews will open 25 minutes after the game. The locker area is open to all reporters. You can arrange post-game player interviews by filling in the appropriate request sheet in your press folder and returning it to a member of the Florida SID staff no later than the ten minute mark of the fourth quarter.

Procedures for coach and player interviews for Florida's opponent will be coordinated by the opponent SID staff. Opponent locker areas are located outside the southeast tunnel area of Florida Field.

## FAX SERVICE

Please see page 5 for a description of the Fax-On-Demand Services. Fax service is also available in the press box to send information back to your agency at the conclusion of the game. There is a small fee for this service depending on the amount of information you want sent. Hal Deck is the fax service representative that will coordinate this service in the press box on game day. Please contact him on game-day to discuss your specific needs.

## TELEPHONE INFORMATION

We strongly encourage you to make sure that your phone needs are met before gameday. Telephone orders for lines should be placed directly with Southern Bell (Susan Fisher, 1-800-781-0063). Remember, you must place separate orders for your phone line and for the appropriate equipment or you must bring the appropriate equipment with you. The SID office will not be able to help you with a phone line and/or equipment on the day of the game. You should take care of these matters as soon as possible. A bank of wall phones are available to the media on level three of the press box (print media and statistical

operations). The SID office also has a few other phones that it uses for fax services and radio reports. Once again, if you envision tight deadline problems we strongly encourage you to order your own line as the SID phones, fax phones and the wall phones available to the media are in almost constant use for two hours after the game.

**Georgia Game** - Media representatives wishing to install phone lines for this game in Jacksonville, should call Cindy Robbins at Southern Bell (904-633-6102). Remember to also order a phone or bring a phone with you if you are having a line installed by Southern Bell.

## FLORIDA FOCUS

- Since 1980, Florida teams have captured a combined 81 SEC titles, the most for a conference school over that time span. During the course of the 1991-92 academic year UF teams captured eight league titles, the most conference titles in a single year in SEC history.
- The University of Florida is the largest university in the southeast and among the 10 largest in the nation.
- The College of Law at the University of Florida ranks among the 10 best and largest public-supported law schools in the nation.
- Since 1980, UF student-athletes have been named to the SEC Academic Honor Roll, a combined 728 times, the top total in the conference.

# GATORS SEEK FOURTH STRAIGHT SEC CROWN

*Florida will be trying to join Alabama as the only school in SEC history to garner four consecutive league titles and five league crowns over a six year time span.*

The University of Florida, which ranks third in the nation in the 1990's in total wins with 61 and has won four SEC titles in the past five seasons, enters the 1996 season with the intent of once again ranking among the nation's premier teams. Florida will be seeking to match the great Alabama teams of the 1970's for the SEC's most successful six year period in league history. The Crimson Tide won five outright league titles in a six-year period from 1971-76 and the Gators will be attempting to win their fifth outright title since 1991.

***"The University of Florida, which ranks third in the nation in the 1990's in total wins with 61 and has won four SEC titles in the past five years, enters the 1996 season with the intent of once again ranking among the nation's premier teams."***

The Gators are coming off their finest season in school history as they posted a 12-1 record and advanced to the 1995 national championship game in the Fiesta Bowl. Florida and Nebraska were the only schools in the country in 1995 to win 12 games and the Gators second-place ranking in the final AP Poll was its best in school history. Florida won its third consecutive outright SEC title, joining Alabama as the only school in SEC history to achieve that distinction.

Steve Spurrier, who joins the legendary Paul "Bear" Bryant as the only coach in SEC history to win three straight

outright titles, has led the Gators to elite status in college football since taking over the UF reins in 1990. Florida is one of only two schools in the nation to finish each of the past five seasons ranked in the top 10 in the final AP Poll and is one of only four teams in the nation to win at least nine games each season of the decade of the 1990's.

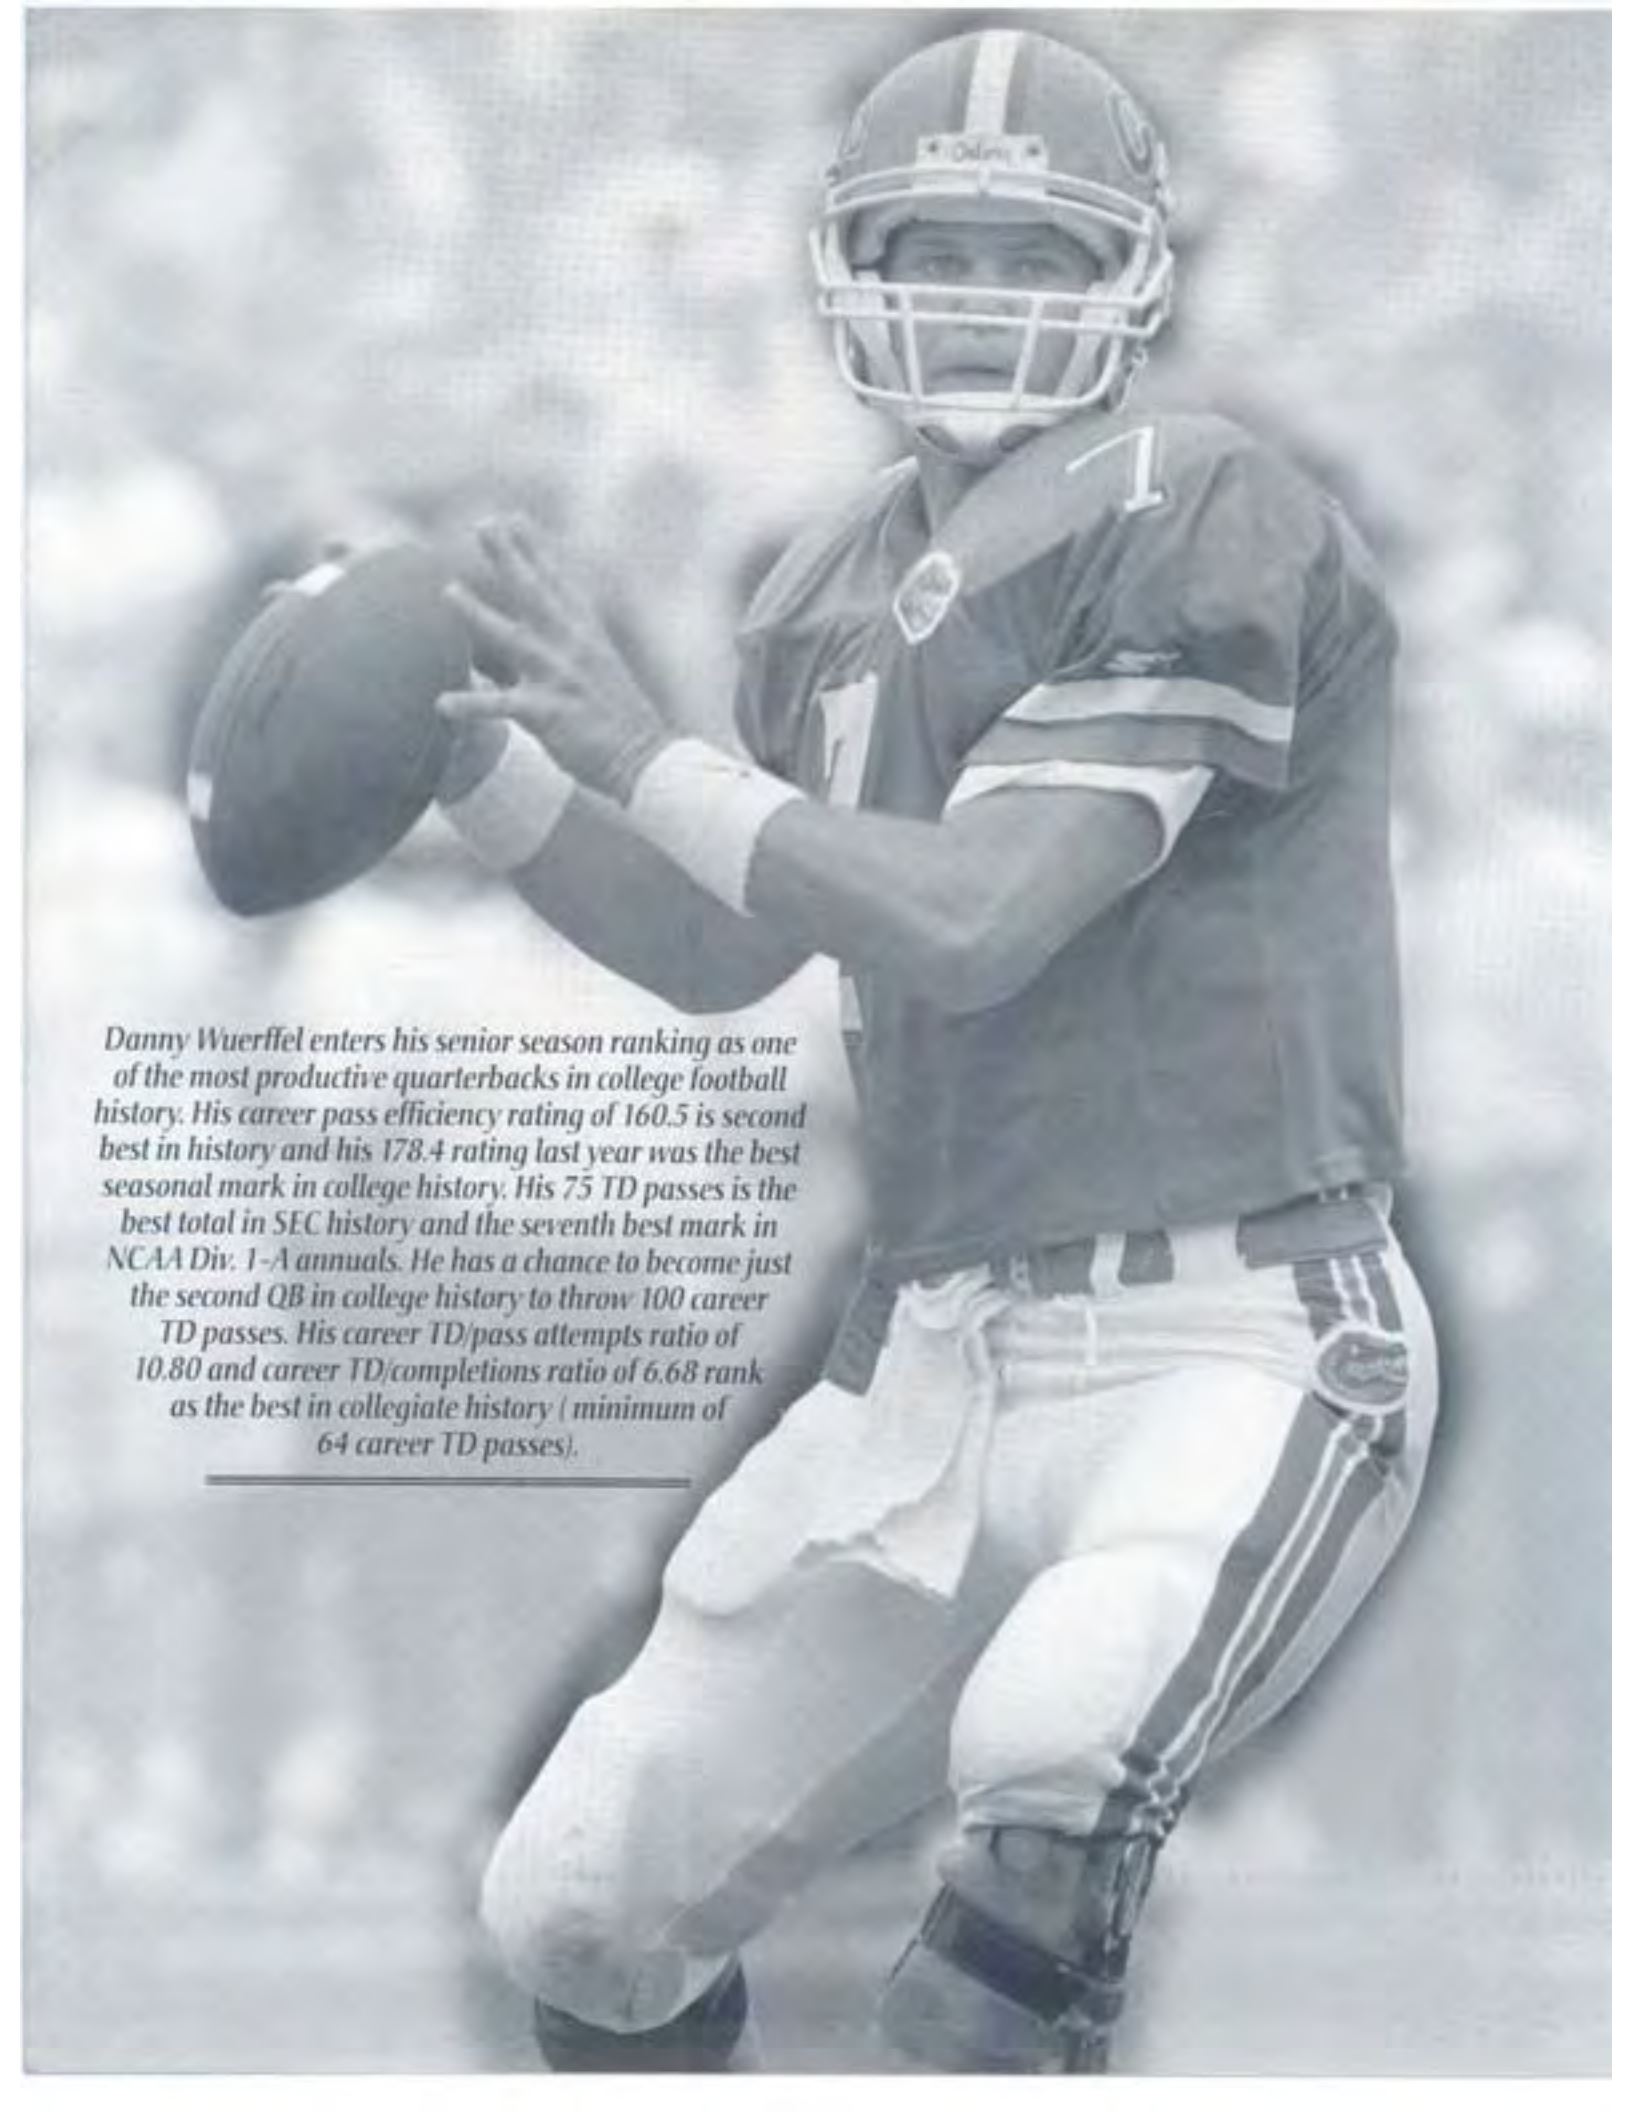

Spurrier, who has compiled an eye-catching 44-6 record vs. SEC foes (a win percentage of 88%, the best in SEC history), greets a team this season that returns 16 starters (eight on offense, six on defense and two kicking specialists). The offensive unit, headlined by record-setting quarterback Danny Wuerffel, should once again rank among the nation's finest. The defensive unit must adapt to a new scheme and has to replace five starters on the front seven but returns perhaps its strongest secondary unit in many seasons.

Last year's Florida team played a schedule that ranked among the nation's most demanding. It was just the second squad in SEC history to play five conference games on the road and it played seven teams that were ranked in the top 25 polls at some point during the season. It played four teams ranked in the top 10 at game time (Tennessee, Auburn, Florida State and Nebraska). The challenge in 1996 will be demanding once again as the Gators face six bowl teams (Tennessee, Arkansas, LSU, Auburn, Georgia, Florida State) with only two of those contests (LSU and Auburn) at friendly Florida Field, a.k.a. "The Swamp", where UF has posted a sparkling 35-2 record since 1990. The Gators must play at Tennessee and Florida State, squads that in all likelihood will rank in the top five in most preseason polls.

*Steve Spurrier, who has compiled a glittering 44-6 record (88%) in SEC play since 1990, joins the legendary Paul "Bear" Bryant as the only coach in SEC history to win three consecutive outright league titles.*

*Danny Wuerffel enters his senior season ranking as one of the most productive quarterbacks in college football history. His career pass efficiency rating of 160.5 is second best in history and his 178.4 rating last year was the best seasonal mark in college history. His 75 TD passes is the best total in SEC history and the seventh best mark in NCAA Div. 1-A annals. He has a chance to become just the second QB in college history to throw 100 career TD passes. His career TD/pass attempts ratio of 10.80 and career TD/completions ratio of 6.68 rank as the best in collegiate history (minimum of 64 career TD passes).*

# THE OFFENSE

Eight starters and 24 letterwinners return from a 1995 offensive unit that arguably ranked as the finest in SEC history. Steve Spurrier's squad last year set conference records for yards (534.4 ppg), average yards per play (7.4), passing yards (360.8 ppg), points (44.5 ppg), total TDs (74), passing TDs (48) and first downs (327). The unit ranked among the nation's four best in each of the following categories: total offense (4th - 534.4 ypg), passing yards (2nd - 360.8 ypg), and scoring (3rd - 44.5 ppg). In addition, the Gators led the nation in passing TDs (48) and yards per play (7.4).

Headlining the offense is senior quarterback Danny Wuerffel. Wuerffel, who finished third in the 1995 Heisman Trophy balloting and was the recipient of the Davey O'Brien National Quarterback of the Year Award, returns to engineer a unit that returns three proven players at running back in Elijah Williams, Fred Taylor and Terry Jackson, three of the top four wide receivers from last year in the Hilliard, Reidel Anthony and Jacques Green, and a couple of quality linemen headlined by all-star candidates Jeff Mitchell and Donnie Young. If the Gators can replace the left side of the line that was occupied by All-American tackle Jason Odom and guard Reggie Green, there is every reason to believe this can be another very productive unit in 1996.

**"Eight starters and 24 letterwinners return from a 1995 offensive unit that arguably ranked as the finest in SEC history."**

## Quarterback

Florida has as good a situation here as any team in the country. Wuerffel is coming off a superb year in 1995 that ranked among the most productive seasons for a quarterback in SEC and NCAA history. He led the nation in TD passes with 35 (a SEC record) while compiling a sparkling passing efficiency rating of 178.4, the best seasonal mark in that category in NCAA Division I-A history. Wuerffel, who is also a standout in the classroom (3.7 GPA) and was named the GTE Academic All-American Team Member of the Year last year, has already thrown for 75 career TD passes, the top total in SEC history and a total that ranks as the seventh-best in NCAA Division I-A history. The 1995 SEC Player of the Year enters 1996 just 17 TD passes shy of moving into second place on the all-time NCAA Division I-A list (Ty Detmer of BYU ranks first with 121 and David Klingler of Houston second with 91).

Seniors Eric Kresser and Brian Schottenheimer are the top backups. Kresser has seen a good deal of duty as the top backup behind Wuerffel and threw for 912 yards and 12 TDs last year, including a school-record 458 yards versus Northern Illinois last November. He and Wuerffel teamed for 47 TD passes last year.

Tailbacks Elijah Williams (top right) and Terry Jackson (lower right) combined for over 1,600 rushing yards last fall.

*Like Hilliard caught 57 passes for over 1,000 yards last year with 15 TD receptions, the second top single-season total in SEC history. The junior is a top post season honors candidate.*

## Running Backs

Florida's entire running back contingent from 1995 returns this fall. The tailback trio of juniors Elijah Williams and Fred Taylor, and sophomore Terry Jackson, combined to rush for more than 1,900 yards last fall while scoring 12 TDs. Williams led the squad in rushing in 1995 as he gained 858 yards and his average per carry of 7.5 was the best in UF history for a back who carried at least 100 times in a season. Taylor, who led the squad in rushing as a true freshman in 1994 with 873 yards, saw his rushing total drop significantly in 1995 to 281 yards due to a knee injury which sidelined him for the final half of the season. Jackson, who was moved to tailback from outside linebacker in 1995 spring drills, rushed for 780 yards (6.4 avg.) as a freshman last fall. This outstanding trio will be further bolstered this year by Eugene McCaslin, a talented redshirt freshman who impressed the coaching staff throughout the 1995 season as a member of the scout team.

At fullback, Florida returns its top two players in seniors Dwayne Mobley and Jerome Evans. Mobley started the majority of the 1995 season but Evans, who graduated last December and received his degree in just three and a half years, was considered a co-starter at fullback by season's end. Evans came out of spring drills atop the depth chart. Junior Ernie Dubose was named the offensive unit's most improved walk-on this spring.

## Receivers

The Gators return five of their top six wide receivers from last fall. The lone departure, however, is record-setter Chris Doering, who completed his career with 31 TD catches, the top total in UF and SEC history. He had a sparkling season in 1995 with 70 catches for 1,045 yards and 17 TD grabs, the top single-season total in SEC history and a figure that tied Ohio State's Terry Glenn for the top total in the nation in 1995. He was a sixth-round selection by Jacksonville in last April's NFL Draft.

Despite Doering's loss, this should once again be a productive unit. Juniors like Hilliard and Reidel Anthony, and sophomore Jacques Green, return to headline what should once again rank among the nation's premier wide-receiver contingents. Hilliard, a top preseason All-America candidate, caught 57 passes for 1,008 yards (17.7 avg.) and 15 TDs last year, the second-best seasonal total in UF and SEC history. His TD/catch ratio of 4.16 (19 TDs in 79 catches) is the best in school history. He was a second-team All-SEC choice as a sophomore in 1995.

Anthony, who returned kickoffs for touchdowns versus Auburn and Nebraska last year, caught 24 passes in 1995 for 366 yards (15.3 avg.) for three TDs. Like Hilliard, he had an outstanding spring and appears primed to have a big season in '96. Green, who suffered a dislocated hip in the national championship game against Nebraska in the Fiesta Bowl but returned to action midway through spring drills, established

Jacquez Green (left) and Reidel Anthony (right) combine with Ike Hilliard to give the Gators three premier big-play makers at the receiver position.

himself as a premier big-play maker in 1995. He averaged 24 yards every time he touched the ball as a receiver or rusher. He had 19 catches as a freshman for 531 yards (a sparkling 28.0 avg.) and five TDs. Sophomores Nafis Karim and Travis McGriff, and redshirt freshman Jamie Richardson, all showed improvement during the spring and will also see a good deal of duty this fall as UF regularly plays six wide receivers per game. Junior Tyrone Baker, a former running back prior to sustaining a serious knee injury early in the 1995 year, moved to wide receiver this spring and it is hoped that he will help this unit this fall.

Seniors Tremayne Allen and Shawn Nunn headline the returnees at tight end. Allen, a former walk-on, was the starter throughout the 1995 season and had eight catches for 143 yards (17.9 avg.), while Nunn was the starter at TE in 1994. Junior Taras Ross and freshman Erron Kinney will compete for playing time. Kinney suffered a broken wrist early in spring drills and missed the balance of those sessions but he is expected to be fully recovered when fall drills begin in August.

## Offensive Line

Florida's offensive line returns three of five starters from last year's iron-man unit. All five regulars started every game in 1995, one of the critical components in the Gators' success last fall as quality depth was not present behind the top unit. There should be more competition and depth this fall as several redshirted players join the mix. Overall, this will be a fairly young unit in 1996. The two-deep depth chart going into fall drills is composed of two seniors, one junior, four sophomores and three freshmen. This was a unit that had numerous injuries this spring and several players did not get the development time the coaching staff was seeking, but they do believe the unit will have more depth in 1996.

Departing the line are Jason Odom and Reggie Green, who started 46 and 43 games, respectively, throughout their Gator careers. Both moved into the starting lineup as true

freshmen in 1992. Odom, one of three finalists last year for the Outland Trophy and the recipient of the Jacobs Blocking Trophy as the SEC's premier blocker in each of the past two seasons, was a consensus first-team All-American choice in 1995. Green gained first-team All-SEC honors as a sophomore tackle in 1995 and as a senior guard in '95. Odom was a fourth-round selection by Tampa Bay and Green was a sixth-round choice by Seattle in last spring's NFL Draft.

**“Florida's offensive line returns three of five starters from last year's iron-man unit... There should be more competition and depth this fall as several redshirted players join the mix... The two-deep depth chart going into fall drills is composed of two seniors, one junior, four sophomores and three freshmen.”**

Senior center Jeff Mitchell and senior guard Donnie Young, both two-year starters, headline the offensive line returnees. Both are top postseason honors candidates in 1996, with Mitchell gaining first-team All-SEC recognition in 1995 and Young earning second-team recognition. Mitchell was a starter at guard as a sophomore in 1994 before moving over to center last year where he became one of the nation's best.

Mitchell missed all of spring drills recovering from arthroscopic knee surgery. Junior Wyley Ritch and redshirt freshman Corey Yarbrough will continue to battle for the top backup spot to Mitchell at center. Junior Elijah Brown, sophomore Deac Story and redshirt freshman Ryan Kalich came out

*Jeff Mitchell, a first-team All-SEC choice last fall, ranks with the nation's premier centers.*

*Guard Donnie Young was a second-team All-SEC choice last year.*

*Mo Collins, who started every game at right tackle as a freshman last fall, moves to left tackle this year.*

will move to Odom's left tackle spot. Sophomore Zach Piller, a transfer from Georgia Tech who sat out last year, enters the fall as the likely starter at right tackle. Sophomore Pat Browning, the only true freshman to play on the Gator offense last year, and redshirt freshmen Cooper Carlisle and Scott Bryan will battle for top backup roles at the two tackle positions. Browning missed spring drills due to a back injury. Carlisle and Bryan were named the offensive squad's most improved freshmen players this spring.

## THE DEFENSE

The Gators installed a new defensive scheme this spring under defensive coordinator Bob Stoops, whose nation-leading defense at Kansas State in 1995 was an attacking 4-3 alignment. That scheme includes a middle linebacker and two other versatile linebackers, weak-side (Will) and strong-side (Sam), replacing last season's two inside linebackers and a nickelback, a hybrid strong safety/outside linebacker.

Six starters and 28 letterwinners return from the 1995 Florida unit that surrendered an average of 315.6 yards per game, a mark that ranked third-best in the SEC and 20th in the nation.

This is the second consecutive year that Florida must replace three starters on the defensive line unit. Kevin Carter and Ellis Johnson, first-round selections in the 1995 NFL Draft, as well as sixth-round selection Henry McMillan, made NFL rosters last season after solid years at Florida in 1994. Now the Gators have to replace three 1995 starters: ends Mark Campbell and Johnie Church, as well as tackle David

**"The defensive unit must adapt to a new scheme and has to replace five starters on the front seven, but returns perhaps its strongest secondary unit in many seasons."**

### Line

As mentioned above, the Gator line must replace three starters for the second consecutive year. Several young and relatively inexperienced players will have to step to the forefront this fall if the line is to perform at a quality level.

The top loss is end Mark Campbell, a first-team All-SEC choice in 1995, who was a three-year starter. Also departing is Johnie Church, who played a prominent role at the end slots for the past four years, including a starting nod last fall. Campbell was a third-round selection by Denver and Church a seventh-round choice by Seattle in April's NFL Draft.

Senior Cameron Davis and sophomore Tim Beauchamp came out of spring drills battling for the starting nod at left end while sophomore Willie Cohens and junior Willie Rodgers will continue to battle for the top spot at right end. Cohens was selected the defensive line's most improved

Defensive Coordinator Bob Stoops, whose Kansas State unit led the nation in total defense and ranked second in scoring defense last year, brings his attacking scheme to Gator Country.

Sophomore Ed Chester has more starts (seven) than any defensive lineman on the squad.

player this spring. Davis has been a top backup at end for the past three seasons while Rodgers, like Cohens, moved to defensive end last year from a linebacker position. Beauchamp was the only true freshman to play on the defensive line unit last fall. Freshman Anthony Mitchell missed virtually the entire spring with a foot injury and the coaches hope he can add some depth this fall.

The tackle unit loses David Barnard, a prominent player at that position for the past four years and a starter throughout the 1995 campaign. He led all defensive linemen in tackles last year with 45. Junior Keith Council, a starter early in the 1995 season before suffering a wrist injury which sidelined him for nearly two months, and sophomore Ed Chester, a starter in seven games in 1995, are the most experienced tackles. Council had nine tackles with 6.5 "Big Plays" last year while Chester registered 29 tackles and 11.8 "Big Plays."

***"This is the second consecutive year that Florida must replace three starters on the defensive line. The Gators must also replace two All-SEC linebackers in Ben Hanks and Dexter Daniels."***

Senior McDonald Ferguson, junior Mike Moten and two talented redshirt freshmen, Reggie McGrew and Ernie Badeaux, also figure in the picture at the defensive tackle positions. Moten, a junior who has battled shoulder problems, had a fine spring. McGrew had an outstanding spring and was named the defensive squad's most improved freshman this spring. He enters fall drills slightly ahead of Council at the other tackle spot opposite Chester. Badeaux missed the first half of spring drills as he continued to recover from knee surgery last season.

Senior James Bates (left) and sophomore Johnny Rutledge (right) headline the linebacker contingent.

## Linebackers

This is a unit that had to make perhaps the biggest adjustment to the new scheme that was being implemented by Bob Stoops, and it also has to replace two outstanding players in All-SEC performers Dexter Daniels and Ben Hanks. Daniels, who started 34 games in his career, registered 283 career tackles, including 83 last fall. He was a fifth-round choice by the Baltimore Ravens in last April's NFL Draft. Hanks was a four-year starter at outside linebacker and finished his career with 320 tackles, including 83 last fall.

At the middle linebacker spot, senior James Bates headlines the returnees. He started nine of 13 games last fall at inside linebacker and finished the year with 75 tackles, the fifth-best total on the squad. Redshirt freshman Keith Kelsey and junior Dwayne Thomas are the other top players at the MLB spot. Kelsey, who had an impressive spring, was a co-recipient of the defensive unit's most improved freshman award this spring. He enters the fall as the top backup to Bates.

True sophomore Johnny Rutledge came out of spring drills with the starting nod at the weakside linebacker (Will) spot. He was named to the SEC All-Freshman Team last year, seeing action in 12 of 13 games and registering 27 total tackles. Kelsey and junior Kevin Walton, who underwent reconstructive knee surgery after sustaining an injury against Nebraska in the Fiesta Bowl and missed all of spring drills, are Rutledge's top projected backups. Walton's status for the fall will not be determined until later this summer. Junior Xavier McCray, a special team standout, could also see duty at this position. At the strongside linebacker spot (Sam) sophomore Mike Peterson, Ben Hanks' top backup at the now departed nickelbacker position last year, came out of the spring atop the depth chart. He was also a selection to the 1995 SEC All-Freshman Team and registered 29 tackles. Redshirt freshman Jevon Kearse and junior Pat Lowe will continue to battle Peterson this August.

**“Unlike the line and the linebackers, the secondary unit, which could rank as UF's finest in a decade, returns intact from last fall.”**

## Secondary

Unlike the line and the linebackers, the secondary unit, which could rank as UF's finest in a decade, returns intact from last fall. Senior Anthone Lott and junior Fred Weary return as the starters at the corners while Lawrence Wright returns at strong safety and sophomore Teako Brown at the free safety spot.

Lott has been a starter at the corner spot since his freshman year in 1993 and has shown steady improvement, which resulted in first-team All-SEC honors last fall. He was the only defensive player in the league who was a unanimous selection on the coaches All-SEC team. He ranked second on last year's team in both tackles (90) and "Big Plays" (22). Weary started 12 games at corner as a sophomore and responded

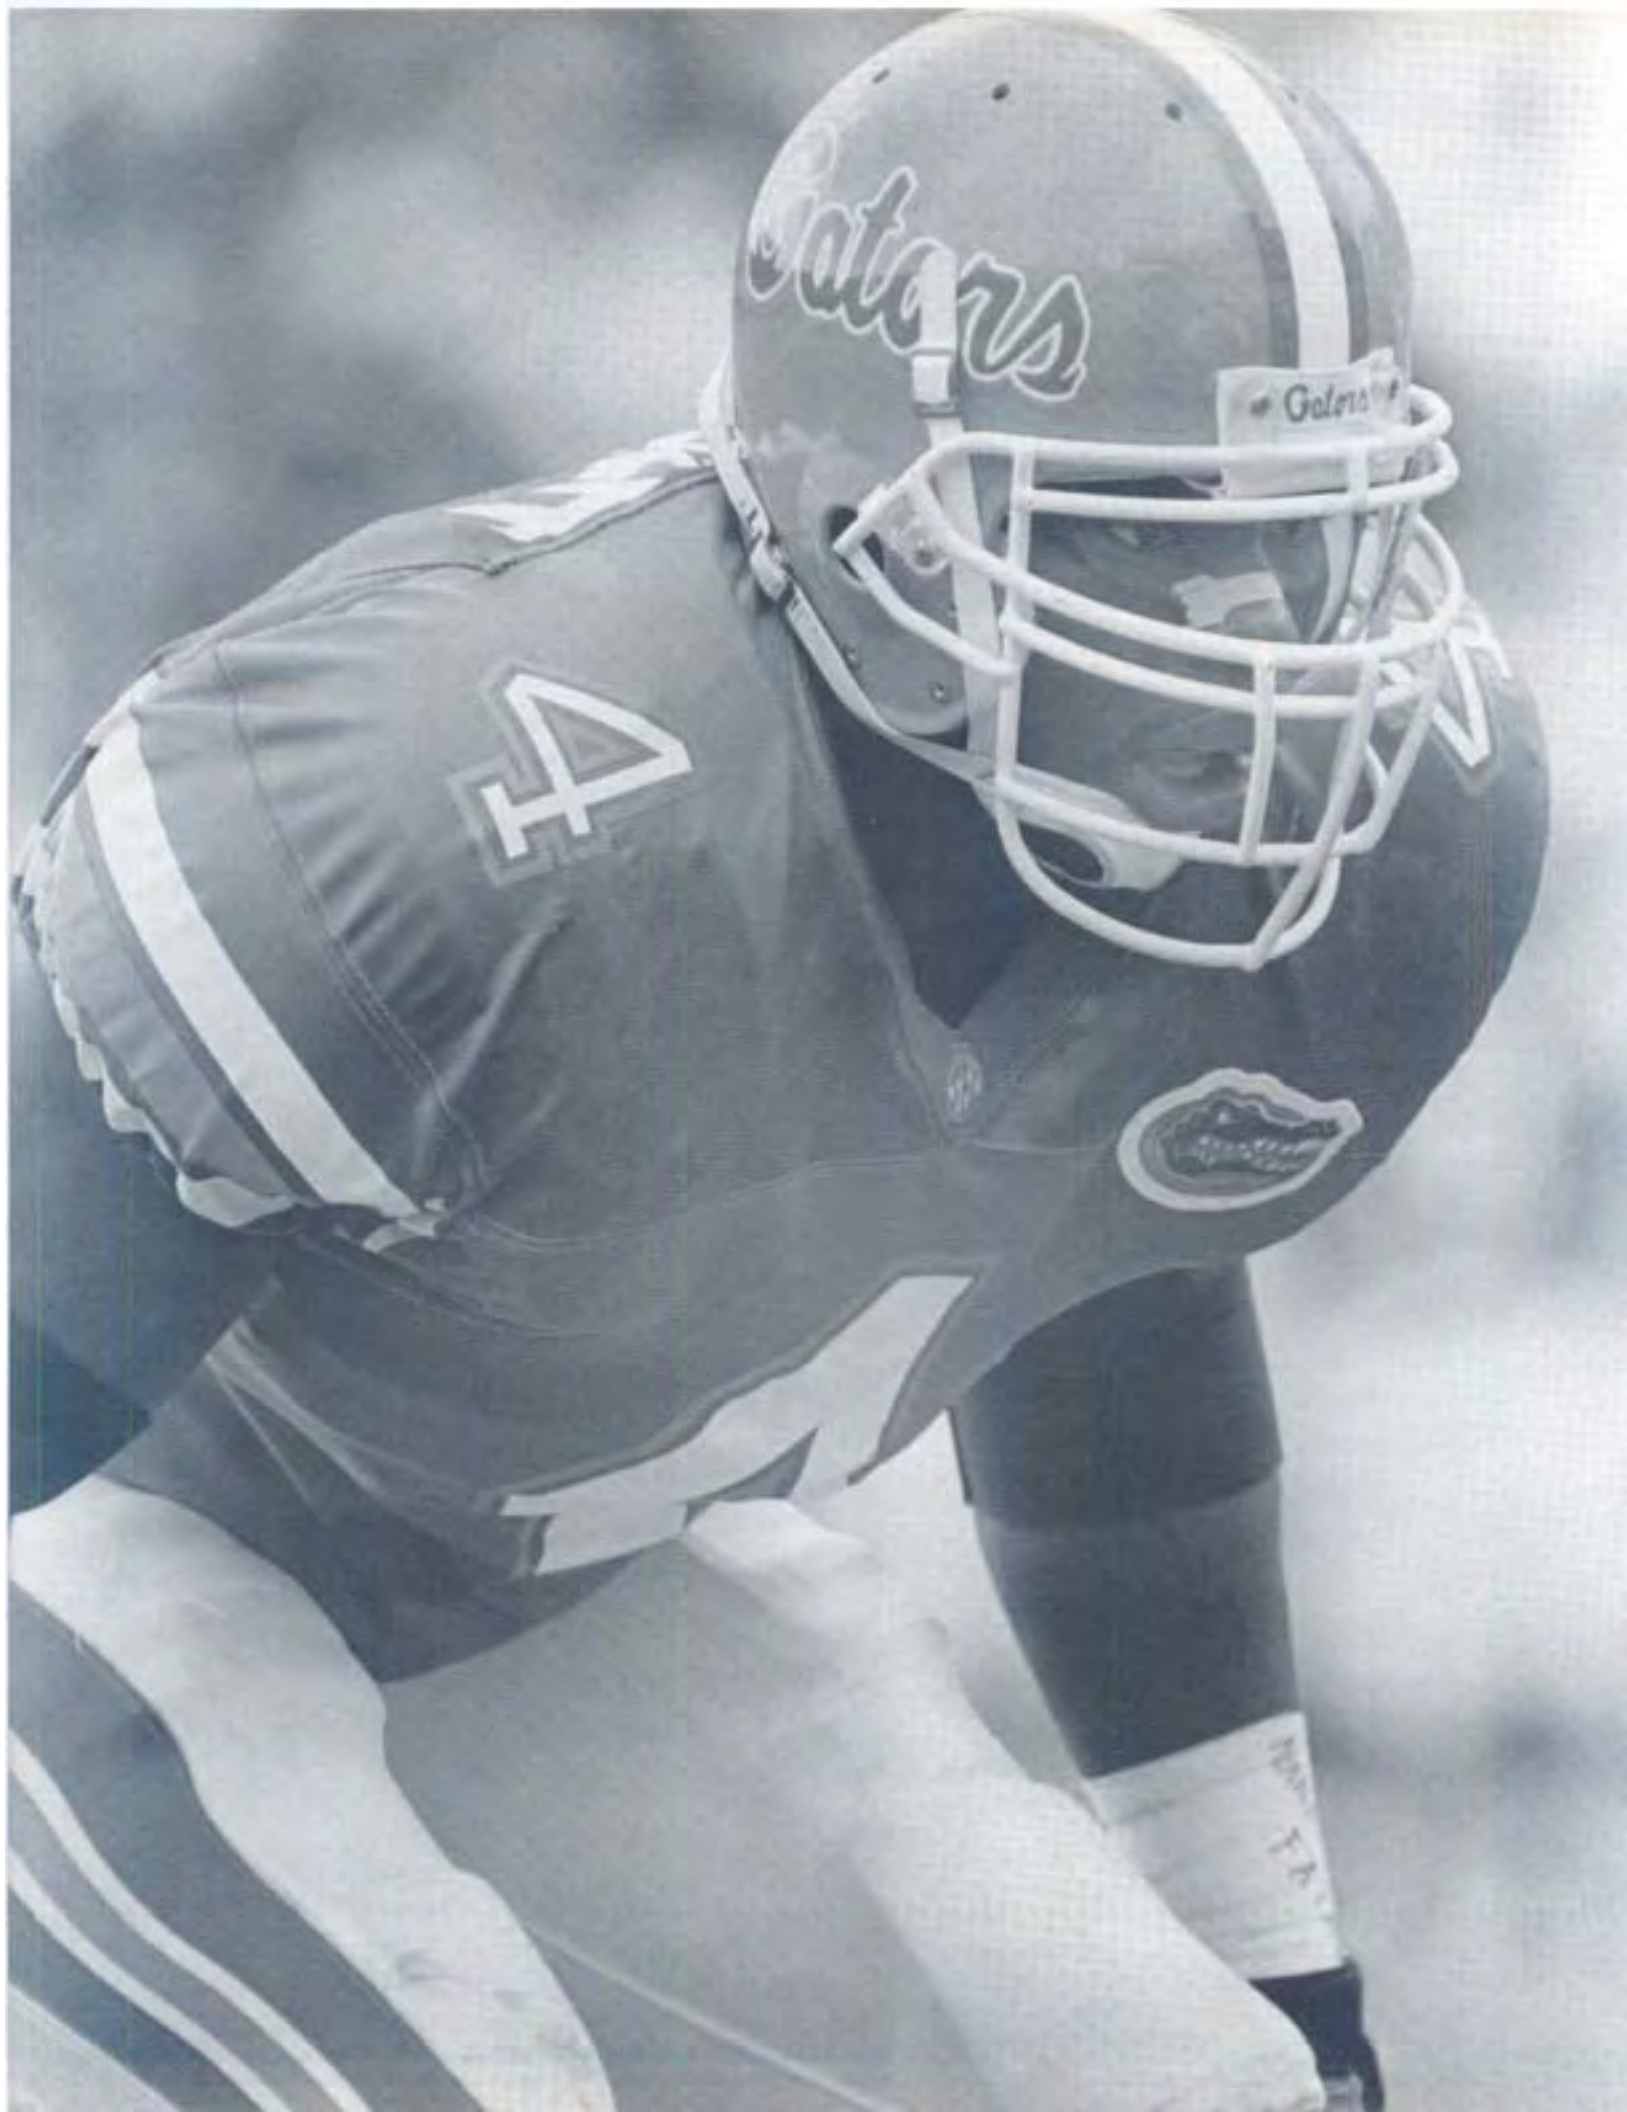

*Anthone Lott, the only unanimous choice on the Coaches All-SEC Defensive Team in 1995, enters his fourth year as a starter at cornerback.*

*Junior Fred Weary had a solid year last fall and teams with Lott to give the Gators a top-flight cornerback duo.*

with a solid season. Like Lott, he is a postseason honors candidate.

Senior Shea Showers, who has seen a good deal of duty as a backup at corner the past two seasons and is considered a co-starter by defensive backs coach Bob Stoops, returns at the cornerback spot as does junior walk-on Ronnie Battle. Redshirt freshman Dock Pollard provides further depth at the cornerback position.

Lawrence Wright, a first-team All-SEC and third-team All-American selection last fall, headlines the strong safety unit. Wright led the 1995 team in tackles with 109 and 'Big Plays' with 25. He is a very experienced performer. Seniors Demetric Jackson and Carlton Pouncy, and sophomore Tony George, are other top players at this position area. Jackson started three games at free safety last year and moved to strong safety this spring while George led the special teams unit in tackles last year with 34. George also worked at cornerback this spring.

Competition at free safety will continue to be very keen this fall. Mike Harris split that role in the first half of the season with Demetric Jackson before redshirt freshman Teako Brown took over for the final seven games of the year. Harris, now a junior, started three games at free safety and was credited with 78 total tackles, the fourth-top total on the 1995 team. Brown continued to come on throughout the 1995 campaign and started the final seven games as a redshirt freshman. He registered 30 tackles with an interception and two fumble recoveries. He came out of spring drills atop the depth chart at this position and registered three interceptions in the annual Orange and Blue Spring Game.

**"The Gator special teams return intact from 1995. The aim in 1996 is to continue the solid play in the return games, coverages and blocking kicks, while improving upon the placekicking and punting chores."**

## Special Teams

The Gator special teams return intact from 1995. The aim in 1996 is to continue the solid play in the return games, coverages and blocking kicks, while improving upon the placekicking and punting chores.

Florida returns its top placekicker, top punter and top return specialists, as well as several other special teams stand-outs. The unit hopes to continue its success of 1995, when it blocked seven kicks during the regular season, including four punts, two field goals and an extra point. Three of the blocked punts led to Gator touchdowns. In the Fiesta Bowl, UF added two more blocks, both on extra point attempts.

Placekicker Bart Edmiston is back for his senior season after setting a NCAA record for PATs made in a season with his 71 successful extra points last year. Edmiston added six field goals in 12 attempts, including a career-long 47-yarder against Georgia. Sophomore punter Robby Stevenson has one year of experience under his belt after averaging 38.3 yards per punt in his true freshman campaign. Senior Matt Teague will likely handle the kickoff chores once again. Teague posted 13 touchbacks among his 87 kickoffs, in addition to holding for UF's placekickers.

Florida excelled on its returns last fall, averaging 23.3 yards on kickoffs (eighth-best in the nation) and 7.4 yards on punts. The Gators returned two kickoffs for touchdowns, a 90-yarder versus Auburn and a 93-yarder in the Fiesta Bowl, both by Reidel Anthony. Anthony led the team with an 11.1 average on punt returns and a 24.8 average on kickoffs. Jacques Green averaged 19.5 yards on his 16 kickoff returns and 5.6 yards on his nine punt returns.

*Placekicker Bart Edmiston set an individual NCAA record for PATs made in a season with 71 in 1995.*

*Strong safety Lawrence Wright (opposite page) earned third-team All America and first-team All SEC honors in 1995.*

# Coach Spurrier's COMMENTS ON 1996

## DEFENSIVE TEAM

### ENDS

Junior Willie Rodgers, sophomores Willie Cohens and Tim Beauchamp and senior Cameron Davis are the four players who should be doing most of the playing right now. Davis is a senior who hasn't really played a great deal here, but had an excellent spring and looks like he's ready to contribute to our defensive squad this year. Cohens had an outstanding spring, as did Rodgers. Both of them are converted linebackers as is Beauchamp, who played some last year as a true freshman.

### TACKLES

Sophomore Ed Chesler, freshman Reggie McGrew and junior Keith Council finished the spring as our top three defensive tackles. Chesler has a chance to be an all-conference player, maybe an All-American before he finishes here. McGrew is one of the strongest players on the team and could step in there and start or play a lot as a redshirt freshman. Council has a knack for getting his hands up in the air, knocking a lot of passes down and making big plays for us. Junior Mike Moten also had an excellent spring; he's quick and nifty. Freshman Ernie Badeaux could provide a lot of help, also. We've got a lot of confidence that these young men are going to play well and be very active.

### MIDDLE LINEBACKERS

Right now the two who appear to be ready to play the best are James Bates, our senior defensive tri-captain, and Keith Kelsey, a redshirt freshman who is a very active player, a good hitter who really hustles all the time. Bates had his best spring, calls our signals and really helps put our defense in position. Junior Dwayne Thomas looks like he's going to be able to help here, also. Kevin Walton could be a big help here or at Will linebacker if he comes back from knee surgery.

### WILL LINEBACKERS

Sophomore Johnny Rulledge had a fine spring and he just needs playing time and experience. He's got a chance to become one of the best linebackers that has played here. We need to develop some depth here and hopefully Kelsey, Walton, Xavier McCray and maybe a freshman will be able to provide it this season.

### SAM LINEBACKERS

Right now sophomore Mike Peterson is the starter here. He's going into his third season so he's played enough to gain some experience and he had a good spring. He's an excellent cover man and tackler. Freshman Jevon Kears is playing his first year and is a tremendous talent who needs experience. He's going to be a really good player. Pat Lowe had a good spring here.

### CORNERBACKS

We return both of our starting corners from last year — senior Anthony Lott and junior Fred Weary — and some people think that together they may be as good a pair as we've had there in many years. Behind them is senior Shea Showers, who can play corner or safety, and he's an excellent player at either position. Junior Ronnie Battle and freshman Dock Pollard did some good things in the spring. Sophomore Tony George could help here or at strong safety.

**“We made a lot of progress putting in the 4-3 defense that Coach Bob Stoops uses. Our players are excited about it and although we still have a lot to learn, we were much improved by the end of spring practice. We have a chance to be a very good defensive team in 1996.”**

### STRONG SAFETY

Lawrence Wright is a very inspirational player and a defensive tri-captain. He's been a great contributor to our success the past couple of years and has a chance to be an all-conference player or perhaps an All-American this year. Demetric Jackson is a veteran player who will give us depth along with George.

### FREE SAFETY

Sophomore Teako Brown is the leading candidate to be the starter at free safety. He has a knack of being in the right

Christi, Texas. Following this, he served as a sports medicine fellow at the well-known Kerlan-Jobe Orthopaedic Clinic participating in the care of the Los Angeles Rams, Lakers, Dodgers, and Kings. In 1977, he was appointed as assistant professor in Orthopaedics Surgery and Director of Sports Medicine at UF. In 1993, he was named Medical Director of the Shands Sports Medicine Center at Hampton Oaks.

In 1994 and again in 1996, his name was published in "The Best Doctors in America." He has been an honorary member of the National Athletics Trainer Association since 1984 and received its "Outstanding Services" Recognition Award in 1991. He currently is a member of the American Academy of Orthopaedic Surgeons, the American Orthopaedics Society of Sports Medicine, the Florida Orthopaedic Society, the American College of Surgeons, the Florida Medical Association, and is a founding member of the Southeastern Conference Sports Medicine Committee.

He has lectured extensively around the country on the recognition and management of athletic knee and shoulder injuries. Over the past 15 years, he has been invited to speak in 15 countries outside the United States regarding similar topics.

In 1989, he was appointed as Associate Team Physician for the Miami Dolphins and served in that capacity until 1996 when he became an orthopaedic consultant for the Dolphins.

Graduate of the University of Florida, Speronis earned his Master's Degree from UF's College of Exercise and Sport Sciences in 1989. A native of Lowell, Massachusetts, Speronis has served in various capacities within the Gator football program since 1982.

## **BETTY LING**

### **Senior Administrative Assistant**

A member of the University of Florida football family for 15 years, Betty Ling enters her fifth year as Senior Administrative Assistant. A Tampa native, Ling previously served as the Administrative Assistant for football recruiting. Ling's responsibilities include: assisting with the arrangements of official and unofficial visits by recruits, coordinating high school relation, while also heading up the Gator Getter support squad. She also helps coordinate UF's High School Coaches Clinic.

## **AUBREY HILL**

### **Graduate Assistant Coach**

Aubrey Hill enters his first season as a graduate assistant coach. Hill, who was a Gator wide receiver from 1991-94, completed his career with 86 receptions and 18 TD catches. One in every 4.78 catches went for a touchdown, which still ranks as the third-best ratio in UF history. Hill was considered a go-to-guy as 64 of his 86 career catches converted for a first down.

Hill, a native of Miami, will work with the Gator defense this season. He earned his undergraduate degree in Exercise and Sport Sciences with an emphasis in Sports Management from UF's College of Health and Human Performance in August of 1996. Hill will be taking post-baccalaureate classes in teacher certification this fall.

## KEY DEPARTURES

**OT JASON ODOM** - A four-year starter at OT who garnered first-team All-America honors in 1995 as well as being one of three finalists for the Outland Trophy Award... Recipient of the SEC's Jacobs Blocking Trophy for each of the 1994 and '95 seasons... First-team All-SEC in '94 and '95... Started 46 games during career... A fourth round selection in NFL Draft by Tampa Bay.

**OG REGGIE GREEN** - Started 43 games over the past four seasons... First-team All-SEC as a tackle in 1993 and a guard in 1995... 30 starts at OT and 13 at OG... A seventh round selection in NFL Draft by Seattle.

**WR CHRIS DOERING** - One of the premier wide receivers in SEC history... 149 career catches (4th in UF history) for 2,017 yards (4th best at UF) with 51 TD catches (the top total in UF and SEC history)... Just the 13th player in Div. I-A history to catch 50 career TD passes... In 1995 he had 70 catches for 1,045 yards and 17 TDs, top seasonal total in SEC history... First-team All-SEC and second-team All-America in '95... A sixth round selection in NFL Draft by Jacksonville.

place at the right time making interceptions and also making a lot of tackles, which we ask of our free safety. Junior Mike Harris played well early in the spring, but missed a lot of work with a hamstring injury. This should be a very solid position.

## DEFENSIVE SUMMATION

We made a lot of progress putting in the 4-5 defense that Coach Bob Stoops uses. Our players are excited about it and although we still have a lot to learn, we were much improved by the end of spring practice. We have a chance to be a very good defensive team in 1996.

## OFFENSIVE TEAM

### WIDE RECEIVERS

This position is certainly one of the strongest on the team. We return junior Ike Hilliard, a receiver who had an outstanding, often sensational season last year. He caught 15 touchdown passes and really established himself as one of the premier receivers in the nation. Junior Reidel Anthony also had an excellent spring and we're expecting big things of him. Sophomore Jacques Green came back from his hip injury and is a solid third player at this spot. Freshman Jamie Richardson is a receiver with big-play potential. Travis McGriff, Nafis Karim and David Nabari, a walk-on, look like they are ready to contribute. We're fortunate to have several skilled players at wide receiver.

### OFFENSIVE LINE

We've got a chance to have a very good offensive line this season. We need some players to have outstanding summers as far as conditioning and getting themselves ready for the coming season. Seniors Jeff Mitchell and Donnie Young are two returning starters at center and guard, respectively. Both of them have started most of the time for three years here so we're very solid there. Sophomore Mo Collins, who started at right tackle as a freshman last year, moves over to left tackle, and sophomore Zach Piller, a transfer from Georgia Tech, looks like he's going to be our starting right tackle. The other guard position is sort of up in the air right now. Junior Elijah Brown, who had a solid spring, is going to get a chance to fight for it along with freshman Ryan Kalich, sophomore Deac Story and others. We were able to get in a lot of good work with our redshirt freshmen in the spring and with them and some incoming players we should have a chance to play eight or so offensive linemen each game. Last year we basically had to go the whole game with our five starters.

### RUNNING BACKS

This is another of the strongest positions on our team with Eli Williams, Terry Jackson and Fred Taylor returning along with a fine redshirt freshman, Eugene McCaslin.

The returning tailbacks are all good young players. It seems like they all average about the same number of yards when they are in the game and we'll try to keep them fresh and healthy and go from there. Jerome Evans and Dwayne Mobley are both fifth-year seniors at fullback and they make us very solid there.

### QUARTERBACK

Our first three quarterbacks are all fifth-year seniors. I wonder if any team in college football has had that situation arise before. We can't say enough good things about Danny Wuerffel. He's a proven winner who already holds most of the SEC passing records and might have a chance to break even more of them before he finishes here. He is just an exceptional person in every way. Eric Kresser could start for many of the top teams in the country, but he chose to stay here at Florida and I admire the patience and loyalty he has shown to this

school. We have probably the best pair of quarterbacks on any one team in the country. Brian Schottenheimer is a very solid number three player who also could play a lot with many teams. We're proud of all our quarterbacks and feel very fortunate to have them here at Florida.

## OFFENSIVE SUMMATION

This is basically a veteran offense with eight returning starters. If we get the depth needed in the offensive line we will be more solid there than we were a year ago, when we basically had to play with five starters and very little relief. We have a chance to be as good or better on offense if this offensive line depth is good.

**"This is basically a veteran offense with eight returning starters. If we get the depth needed in the offensive line we will be more solid there than we were a year ago, when we basically had to play with five starters and very little relief. We have a chance to be as good or better on offense if this offensive line depth is good."**

## KICKING GAME

Bart Edmiston holds an NCAA record with 71 or 71 extra points last year. We don't attempt many field goals, but have confidence in his ability to handle this. Robby Stevenson improved tremendously as a punter this spring. He's gaining the confidence he needs to consistently do an outstanding job for us. Matt Teague does a fine job kicking off. We were very good in coverages, returns and blocking kicks last season and take a lot of pride in those areas.

## SEC RACE

Most of the experts are picking Auburn, Alabama and LSU as the favorites over on the West side, although Arkansas surprised all of them last year and could do it again. On our side (East) most people are again talking about Florida and Tennessee, but some think possibly Georgia will come in and compete for the title. South Carolina, Kentucky and Vanderbilt are all very competitive, too, but if we play up to our potential we'll have a chance to win our fourth SEC Championship in a row.

# SPURRIER

## STEVE

Steve Spurrier's winning percentage in SEC games (.880 - a 44-6 record) is by far the best in league history. In six years at the Gator helm he has led UF to four outright SEC titles, a total that ranks as the third best in conference history. He and Alabama's legendary Paul "Bear" Bryant are the only coaches in SEC history to win three straight outright league titles.

### SEC COACHES WITH BEST WIN PERCENTAGES IN LEAGUE GAMES

(Minimum of five years at a league school)

1. Steve Spurrier, Florida	.880 (44-6)
2. Robert Neyland, Tennessee	.787 (62-15-5)
3. Gene Stallings, Alabama	.786 (58-10-1)
4. Frank Thomas, Alabama	.765 (59-16-6)
5. Paul "Bear" Bryant (Kentucky, Alabama)	.764 (159-46-9)

When Steve Spurrier was hired as head football coach at the University of Florida in 1990, it isn't likely anyone could have predicted what was going to take place during the first half of the decade of the '90s.

Prior to his arrival, no Florida team had captured an official Southeastern Conference championship in 56 years as a charter member of the league. Spurrier became the first coach in league history to capture three outright conference crowns in his first five seasons (1991, 1993 and 1994), and joined the legendary Paul "Bear" Bryant as the only coach in SEC history to win three straight outright league championships (1993-95). His four outright SEC titles already ranks third best in league history, trailing only Bryant (11) and Ole Miss' John Vaught with six.

Florida is 44-6 in SEC games over the last six seasons, a winning percentage of .880 - tops among league schools during this period and by far the best in SEC history for any coach who has coached a minimum of five years in the conference.

Prior to 1990 no Gator team had ever won more than nine games in a season. In six seasons, Spurrier-coached Gator teams have won at least nine each year, surpassing that total four times: 1991 (10 wins), 1993 (11), 1994 (10) and 1995 (12).

His overall record of 61-13-1 in the past six seasons ranks as the third-best win total in college football during the 1990's and his winning percentage of .820 is second best among any SEC head coach in history (minimum of five years in the league).

The Gators are one of only two teams in the nation to finish the season ranked in the AP Top Ten Poll in each of the past five years (1991-95) and one of only four teams in the country to win at least nine games each of the six seasons of this decade.

Prior to his arrival in 1990, Florida had finished a season ranked in the AP Top Ten Poll just three times. Spurrier coached Gator teams have already achieved that distinction five times.

Florida has had the SEC's best record five of the last six seasons (6-1 in 1990, 7-0 in 1991, 8-1 in 1993, 6-1 in 1994 and 9-0 in 1995), producing five bowl appearances, including four major bowl appearances highlighted by a 1995 national championship contest vs. Nebraska in the Fiesta Bowl.

Florida has won the SEC Eastern Division championship in all four years of league divisional play - 1992, 1993, 1994, 1995.

Spurrier's teams have been ranked in the AP national poll in 99 of the 100 weeks he has been the Gator head coach, including the last 99 straight. They have ranked in the Top 10 Poll in each of the last 52 weeks, including a number one ranking in seven of the first nine weeks of the 1994 season.

He is the first coach in Florida history to defeat arch-rival Georgia six consecutive seasons.

Spurrier has been voted SEC Coach-of-the-Year four times, 1990, 1991, 1994 and 1995, an honor he captured in the Atlantic Coast Conference as head coach at Duke University in 1988 and 1989.

His nine-year collegiate head coaching record of 81-26-2 (.752) is sixth-best in the nation among active coaches. His overall head coaching record, counting three years in pro ball, is 116-45-2 (.718%).

In Spurrier's initial season at the Gator helm in 1990, his team went 9-2, finished fifth in the nation on defense and 10th on offense while setting 14 single-season records.

In 1991, the Gators won 10 games for the first time, beating seven league foes by a margin of 226-74 and producing the best conference record in their history (7-0) and the best by any SEC school since 1977.

That team set seven new school records, three SEC marks and finished the season ranked ninth in the nation in total

When Steve Spurrier was hired as head football coach at the University of Florida in 1990, it isn't likely anyone could have predicted what was going to take place during the first half of the decade of the '90s.

Prior to his arrival, no Florida team had captured an official Southeastern Conference championship in 56 years as a charter member of the league. Spurrier became the first coach in league history to capture three outright conference crowns in his first five seasons (1991, 1993 and 1994), and joined the legendary Paul "Bear" Bryant as the only coach in SEC history to win three straight outright league championships (1993-95). His four outright SEC titles already ranks third best in league history, trailing only Bryant (11) and Ole Miss' John Vaught with six.

Florida is 44-6 in SEC games over the last six seasons, a winning percentage of .880 - tops among league schools during this period and by far the best in SEC history for any coach who has coached a minimum of five years in the conference.

Prior to 1990 no Gator team had ever won more than nine games in a season. In six seasons, Spurrier-coached Gator teams have won at least nine each year, surpassing that total four times: 1991 (10 wins), 1993 (11), 1994 (10) and 1995 (12).

His overall record of 61-15-1 in the past six seasons ranks as the third-best win total in college football during the 1990's and his winning percentage of .820 is second best among any SEC head coach in history (minimum of five years in the league).

The Gators are one of only two teams in the nation to finish the season ranked in the AP Top Ten Poll in each of the past five years (1991-95) and one of only four teams in the country to win at least nine games each of the six seasons of this decade.

Prior to his arrival in 1990, Florida had finished a season ranked in the AP Top Ten Poll just three times. Spurrier-coached Gator teams have already achieved that distinction five times.

Florida has had the SEC's best record five of the last six seasons (6-1 in 1990, 7-0 in 1991, 8-1 in 1993, 8-1 in 1994 and 9-0 in 1995), producing five bowl appearances, including four major bowl appearances highlighted by a 1995 national championship contest vs. Nebraska in the Fiesta Bowl.

Florida has won the SEC Eastern Division championship in all four years of league divisional play - 1992, 1993, 1994, 1995.

Spurrier's teams have been ranked in the AP national poll in 99 of the 100 weeks he has been the Gator head coach, including the last 99 straight. They have ranked in the Top 10 Poll in each of the last 32 weeks, including a number one ranking in seven of the first nine weeks of the 1994 season.

He is the first coach in Florida history to defeat arch-rival Georgia six consecutive seasons.

Spurrier has been voted SEC Coach-of-the-Year four times, 1990, 1991, 1994 and 1995, an honor he captured in the Atlantic Coast Conference as head coach at Duke University in 1988 and 1989.

His nine-year collegiate head coaching record of 61-26-2 (.752) is sixth-best in the nation among active coaches. His overall head coaching record, counting three years in pro ball, is 116-45-2 (.718%).

In Spurrier's initial season at the Gator helm in 1990, his team went 9-2, finished fifth in the nation on defense and 10th on offense while setting 14 single-season records.

In 1991, the Gators won 10 games for the first time, beating seven league foes by a margin of 226-74 and producing the best conference record in their history (7-0) and the best by any SEC school since 1977.

That team set seven new school records, three SEC marks and finished the season ranked ninth in the nation in total

Since 1990 Spurrier has led the Gators to 61 total wins, the third top victory total in the nation this decade. The Gators are one of only two schools in the country to finish each of the past five seasons ranked in the final AP Top Ten Poll and one of only four schools to win at least nine games each season this decade. UF has appeared in the AP Top Ten Poll in each of the last 32 ranking weeks.

offense and fourth in passing. They led the SEC and were sixth in the nation in rushing defense. The Gators' 5,028 yards of total offense was a school record at that time.

They finished the regular season ranked third in the nation and dropped to seventh after losing to Notre Dame in the Sugar Bowl.

In 1992, the young Gator team started the season 1-2 and bounced back to win seven of its last eight games to win the Eastern Division title and advance to the first-ever SEC championship game. A heartbreaking loss (28-21) to eventual national champion Alabama in that contest was followed by a 27-10 victory over N.C. State in the Gator Bowl for a final record of 9-4 and an AP ranking of 10th.

The 1993 offense set eight SEC records and 15 UF marks while ranking fourth in the nation in scoring (39.3) and passing yards (339.5 ypg). They were seventh in total offense (476.6 ypg) and averaged a TD once every 15 snaps. Defensively, UF was ninth in the nation in rushing defense.

The 1994 offense scored the most points (521) and touchdowns (69) of any team in SEC history, leading the conference, and finished second in the nation in scoring average (43.4 ppg). They were fourth in the nation in passing offense with 511 ypg and led the nation in TD passes with 43.

The Gator defense of '94 finished first in the conference and fifth in the nation in rushing defense (84.6 ypg) and 19th overall.

The 1995 season ranked as the most glorious in school history as the Gators posted a 12-1 record (most wins in school history), played for the national championship vs. Nebraska in the Fiesta Bowl, finished the season ranked second in the final AP Poll (highest finish in UF history) and won their fourth SEC title in the past five years. Florida joined Alabama as the only school in SEC history to win three consecutive outright league championships (1993-95). The offense was even better than the record-breaking outfit of 1994 and was arguably the finest in the history of the SEC as it shattered the league record for average total offense per game (the Gators averaged 534 yards per game to break the league record held by the 1970 Auburn offense which averaged 485 yards a contest) while also scoring more TDs (74) and points (534) in league history.

Spurrier's teams at Duke (1987-88-89) all led the Atlantic Coast Conference in total offense and passing and his Gator team in 1990 did the same. In 1991, 1992, 1993 and 1995, Florida led the league in passing.

Spurrier's offenses recorded the same results at the professional level in the USFL from 1983-85 with the Tampa Bay Bandits. The 1984 team was the first in pro history to produce a 4,000-yard passer and two 1,000-yard rushers in the same

season. Quarterback John Reeves again passed for over 4,000 yards in 1985, one of only four QB's in pro history to accomplish this feat in back-to-back seasons.

The 1966 Heisman Trophy winner as Florida's quarterback, Spurrier started his coaching career as the Gators' quarterback coach in 1978. In 1979, he served as offensive coordinator and QB coach at Georgia Tech, and served in that same capacity at Duke from 1980-82 before moving to the USFL in his first head coaching job with the Bandits in 1983. He returned to Duke as head coach in 1987 and produced that school's first ACC championship in 24 years in 1989.

Spurrier was born on April 20, 1945 in Miami Beach, Fla., son of Presbyterian minister J. Graham Spurrier and his wife Marjorie. The family moved to Johnson City, Tennessee, when Steve was 12 years old.

At Science Hill H.S. in Johnson City, he was all-state in football, basketball and baseball and prep All-American in football in 1962. His baseball team won two straight state titles and in three seasons of pitching, he never lost a game.

At Florida, he guided the Gators to two major bowls in three seasons, eight come-from-behind wins in the final quarter and a glorious period still remembered fondly by Florida fans.

In the Sugar Bowl game following the 1965 season, Spurrier set six passing and total offense records and became the only player from the losing team to be voted the game's MVP.

The Auburn game in 1966 was the ultimate in Spurrier's knack of being in the right place at the right time under pressure. Heisman Trophy ballots had gone out the previous week and were due back in the week following. A record Florida Field press corps was in attendance.

Despite one of the greatest performances of his career (27 of 40 passing for 259 yards and one TD; five punts for an average of 46.9 yards per kick), the Gators remained tied with Auburn at 27-27 with just over two minutes remaining and had to attempt a field goal on fourth and long.

Spurrier took the responsibility for hitting the longer 40-yard effort, although he had not kicked a field goal since the opener that season against Northwestern. He kicked it through for a dramatic 30-27 victory.

Joe Durso of the New York Times called Spurrier a "Real-life Frank Merriwell." John Logue of the Atlanta Journal wrote, "Spurrier, with his hands tied behind his back and facing a firing squad, would be favored to escape."

He was the first round draft choice of the San Francisco 49ers in 1967 and played 10 years in the NFL, nine with the 49ers

and one with the Tampa Bay Buck.

Steve and Jerri Spurrier met while UF students and were married just before his senior season in 1966 at Florida. They now have four children - daughters Mrs. Lisa King and Mrs. Amy Moody and sons Steve, Jr., a Gator graduate assistant coach, and Scotty. They also have a grandson, Trey King.

**“C**reating a family atmosphere among the coaches and players is very important. We want an atmosphere where the guys like each other and pull for each other to do well. Teams that believe something good is going to happen for them in the fourth quarter and keep playing hard, find good things do happen. I think former players should know that, no matter what, they always have a home here. It's nice to belong to a group, a family, a team, and that doesn't have to end when you quit playing here.”

STEVE SPURRIER

**“M**ore than anyone, Spurrier has been responsible for mending UF's broken home and for making Gators proud to be Gators again. Yeah, it's kind of corny the way Spurrier gets misty-eyed when he sings 'We Are the Boys' or the way he makes his players stay out on Florida Field after home games and sing the alma mater, but there is no doubt he is genuine about making the Gator family whole again.”

## FLORIDA SEASONAL NOTES

**1995 Highlights:** Florida posts its first perfect regular season (12-0) and advances to the national championship game in the Fiesta Bowl where it loses to Nebraska. It finishes the season ranked second in the AP Poll (best finish in UF history). The Gators play in the SEC Championship Game for a fourth straight year and win their fourth league title in Spurrier's six years at the helm. Spurrier once again is named SEC Coach of the Year, and a finalist for National Coach of the Year honors. Florida joins Alabama as the only school in SEC history to win three consecutive outright league titles and the

Gators join the '92 Alabama team as the only squad in SEC history to win nine conference games in a season. Florida becomes the first SEC school to win eight or more conference games in a season for three straight years (1993-95) and the first team in SEC history to win five league games on the road. The '95 Gators became the first team in school history to win 12 games. Appearance in the Fiesta Bowl is UF's fifth straight postseason game, a mark that sets a new school record. Over the course of the year it sets school records for most consecutive SEC wins (13), most consecutive SEC wins away from Florida Field (17) and the best start to a season (12-0, no other UF squad had ever started a season with better than a 8-0 record). The squad posted three of the largest (by point margin) SEC road wins in school history (56 at South Carolina—a school record—and 35 at Georgia and at Kentucky); 62 points scored vs. Tennessee were the most scored by any team vs. the Vols since 1893 and in 52-17 win vs. Georgia the Gators scored more points vs. the Bulldogs than any opponent in Sanford Stadium history. The Gator '95 offense was arguably the best in SEC history as it set new seasonal marks for total offense (534.4 per game), yards per play (7.40), points (44.5 ppg), TDs (7.4), passing yards (360.8 ypg), first down (327) and passing TDs (48). It completed the year ranked first in the nation in passing TDs (48), second in passing offense, fourth in total offense and third in scoring. Once again Gators players reaped national awards (QB Danny Wuerffel was named the SEC Player of the Year, finished 3rd in Heisman Trophy balloting and was the recipient of the O'Brien National QB of the Year Award), WR Chris Doering, OT Jason Odom (who was one of the three finalists for the Outland Trophy) and won the Jacobs Blocking Trophy at the SEC's top blocker for the second straight year, DE Mark Campbell, OLB Ben Hanks and SS Lawrence Wright earned All-America honors. Wuerffel led the nation in TD passes with 35 and his 178.4 efficiency rating was the best seasonal mark in college history. Doering set a SEC seasonal record with 17 TD catches and his 31 career TD catches also set a league mark. Wuerffel was one of 14 Gators to be named to the SEC Academic Honor Roll and he was also honored as the GTE Football Academic All-American of the Year.

**1994 Highlights:** Florida wins back-to-back SEC championships for the first time in school history and its third league title overall and appears in the Sugar Bowl for the third time in four seasons. UF's 8-1 SEC mark ties the 1993 team for the best record in SEC games. The Gators reach the 10-win plateau for just the third time in school history and its 10-1-1 record ranks as the school's best mark after 12 games. UF establishes SEC records in four categories: touchdowns (69), passing touchdowns (43), points (521), and PATs (65). Florida also sets school records for average points per game (43.4), blocked punts (five), and rushing defense (84.5 yards per game). The Gators were ranked #1 in the

*Championship celebrations have become the norm at UF under Spurrier. The Gators have won the SEC title four times in the past five seasons, played in the SEC Championship Game in each of its four years of existence and played in the 1995 National Championship Game vs. Nebraska in the Fiesta Bowl last January 2nd.*

preseason AP and USA Today/CNN Coaches Poll for the first time in school history. UF held that top AP ranking in seven of the first nine polls of the season. UF became the first team in school and SEC history to score 70 points in back-to-back games (70-21 win over New Mexico State and 73-7 win over Kentucky in season's first two games). The Gators beat Tennessee 31-0 in Knoxville, the largest SEC shutout on the road in school history and the Vols' first shutout loss at home in 14 years. The Gators defeated Georgia for a school-record fifth straight season. Gators ranked eighth in the nation in total offense (462.8 ypg), fourth in passing offense (311.7 ypg), second in scoring offense (43.4 ppg), fifth in rushing defense (84.6 ypg). Jack Jackson, one of three finalists for the Biletnikoff Award, sets an SEC seasonal record with his 15 TD receptions. Quarterbacks Terry Dean and Danny Wuerffel finish second and fourth in the nation respectively in passing efficiency ratings (155.7 and 151.2). # DEFENSE

## ATTACKING, HARD HITTING AND AGGRESSIVE

*"It's a privilege and honor to be a defensive coordinator at a program such as the University of Florida. Championship teams have a great defense and we are committed to that type of excellence and achievement."*

Defensive players at Florida must realize that they have an obligation to uphold the pride and tradition of defensive achievement. Over the years, 49 defensive players have earned All-America honors, 61 have been named first-team All-SEC, two players have been named the National Defensive Player of the Year, and 10 Gators have been first round draft choices by the NFL while 59 others have played in the NFL. Excellence is expected.

We are going to play an aggressive and attacking style of defense. Our style is the farthest thing possible from the bend but don't break philosophy. This is not a rambling, gambling defense but is a disciplined and highly aggressive attack. The goals of this attack are to give the offense the ball back as quick as possible and as close to scoring range as possible.

We base from a 4-3 defense and use a variety of man free coverages in the secondary. We like to crowd the line of scrimmage with our linebackers and secondary and either bring the blitz or fall out of it. We like to use bump and run pass coverage in the secondary and we'll work many combinations of coverage using these techniques. Great defenses are built from the front line back, we want to work schemes in the front line that will allow our front seven players to make plays, big plays.

Our defense will adjust well to the different styles of attack presented each week. Each offensive attack is different and we will have enough defense in our system to emphasize certain parts of our system each week without being predictable.

We look for young men on defense who want to play against the best in practice and in games. We want people who want to be challenged, people who like playing an aggressive and attacking defensive system. At the same time, we want young men who understand that they are part of a team and system that demands discipline in responsibilities. And lastly, we want young men who have pride in achieving and maintaining excellence."

**BOB STOOPS** - Assistant Head Coach,  
Defensive Coordinator and Secondary Coach

*"Coach Stoops' defensive scheme has been a big hit with the players. It's a fun scheme to play because it forces the offense to make plays. The scheme is very aggressive and intense and its greatest attribute is that it will force more turnovers if we carry out our roles and responsibilities as players. This is a team game and if the defense can create more turnovers, that means more opportunities for our offense."*

**DB LAWRENCE WRIGHT**  
1995 All-SEC

*"It has been really exciting learning Coach Stoops' defensive scheme. You can sense an eagerness throughout the defensive unit about what is taking place. Coach Stoops brings so much energy and he demands that players play with emotion and pride. I really believe that people are going to be hearing a lot of great things about Coach Stoops and this scheme."*

**"To each incoming athlete, the most important challenge is to realize the tremendous defensive tradition that has been established at Florida and to understand that the Florida defense is for winners. The players here are expected to go through hard-nose preparation and each member of the team expects the best effort from his teammates in order to keep this tradition strong."**

DE Kevin Carter was the first defensive player selected in the 1993 NFL Draft (6th pick overall). He was one of five finalist for Football News' 1995 Defensive Player of the Year Award and he was also a semifinalist for the Lombardi Award.

**"Defensively, we want to develop a characteristic of being an aggressive, physical team which swarms to the football with the goal of turning it over to our offense. Obviously, team speed is a high priority. We want to be fundamentally solid but willing to take calculated, aggressive moves to disrupt offenses. I think the players who are involved in this defensive scheme can be productive and have fun playing the game."**

# OFFENSE

## BALANCE AND DIVERSITY IS THE GOAL

"Our offensive philosophy at Florida is actually very simple. We want to do whatever takes to win the game. If throwing the ball 50 times, or running it 50 times, gives us the best chance to win, this is what we will do."

We believe you must be able to throw the ball very successfully to compete with the top teams in the nation. On the other hand, we want to control the ball by running and making first downs on the ground to help us win the game. Generally we pass first and then run, but being able to run is the key to our offense.

In 1995, Florida set a all-time SEC seasonal record with 6,413 yards in total offense and also set league marks for points (534), passing yards (4,330), TDs (74) and passing TDs (48). It led the nation in passing TDs (48) and yards per play (7.40).

In 1994 the Gators led the nation in TD passes with 43 and were the only team in the nation to throw for over 3,700 yards and rush for over 1,800. We ranked second in the nation and set an all-time SEC record with 521 points.

Our Florida team in 1993, which then accumulated more total yards (5,719) in offense than any team in SEC history, was just the second team in collegiate history to have one QB throw for over 2,000 yards, have another quarterback throw for over 1,000 yards and have a back rush for over 1,000 yards in the same season. In 1992, the Gator

offense was the only unit in the nation to have a 3,000-yard passer and a 900-yard rusher. In 1991, Florida was one of only two schools in the nation to have a 3,000-yard passer and a 1,000-yard rusher. Also in 1991, we had the SEC's leading passer, leading rusher and our wide receivers ranked first, second and third in the conference in TD catches. Our Duke team in 1989, which won the Atlantic Coast Conference championship, had a 1,000-yard rusher, two quarterbacks who combined for over 3,000 yards in passing, and a wide receiver who caught passes for over 1,000 yards and 17 touchdowns. These types of achievements are examples of the unique offensive balance we seek.

I think the one reason most players enjoy this offense is that everyone is involved in it. It's not designated to highlight one running back or one wide receiver. We spread it out to include everyone, and we recognize the importance of the offensive linemen in helping it work."

—STEVE SPURRIER  
Head Coach, Offensive  
Coordinator, QB Coach

"Steve does a great job of spreading defenses and attacking coverages, and a superior job of going deep with the passing game. Nobody does as good a job as they (the Gators) do."

DICK VERMEIL  
ABC-TV College Football Analyst

"Steve Spurrier has a great offensive mind and a tremendous feel for the game, and that's why I rank him the most effective coach in college football."

BOB GRIESE  
ABC-TV College Football Analyst

In Spurrier's six years at the UF helm the Gator offense has set, reset or tied 28 SEC seasonal records and 33 Florida seasonal records. Prior to 1993 no SEC team had ever registered more than 5,300 yards in total offense in a season. The Gators have surpassed that total in each of the past three years. Florida led the nation in TD passes in 1994 and 1995 and ranked third in the nation in scoring last year with an average of 44.5 ppg.

## WIDE RECEIVERS - NO BETTER PLACE TO BE

- Three of the top four career TD reception leaders in SEC history have played at UF since 1990 (Chris Doering completed his career in 1995 with an all-time SEC high 31 TD catches. He is followed by Jack Jackson, who had 29 scoring catches and Willie Jackson, who ranks fourth with 24 TD receptions).
- The top three seasonal TD reception leaders in SEC history have all played at Florida in the past two seasons (Chris Doering's 17 TD catches in 1995 ranks first in SEC history, Jack Jackson's 15 in 1994 and Ike Hilliard's 15 in 1993 rank tied for second).
- Florida led the nation in TD catches in 1994 and 1995. Its 43 TD catches in 1994 ranked first and was 15 more than any other team in the nation. Its 48 TD receptions in 1995 also ranked first and were nine more than any other squad in the nation.
- Florida's receivers have posted the top three seasonal TD reception totals in SEC history during the 1990's (48 in 1995, 43 in 1994 and 41 in 1993).
- Four of the top five all-time leading pass catchers in Gator history have played during the 1990's (Willie Jackson's 162 catches from 1990-95 ranks as the second-top total in UF history, while Errict Rhett's 153 catches from 1990-95 ranks third, Chris Doering's 149 catches from 1992-95 is fourth and Jack Jackson's 145 receptions from 1992-94 is fifth-highest).
- In 1995, Chris Doering (1,045) and Ike Hilliard (1,008) became just the seventh pair of receivers in NCAA Division I-A history from the same team to gain 1,000 or more yards receiving in a season.
- Chris Doering also set a NCAA record for most games in a season with at least one touchdown catch as he caught one in 11 games in 1995.
- In 1995 Chris Doering's 47 TD catches ranked tied for the best total in the nation and Ike Hilliard's 15 ranked third. Florida was the only school in the nation in 1995 to boast two players who ranked among the nation's top three TD reception totals.
- In each of Steve Spurrier's nine years as a head collegiate coach, a WR from his team has led the respective conference in TD catches.

## QB ACHIEVEMENT IS IMPRESSIVE

- Florida has led the SEC in TD passes in each of the last six seasons.
- Four of the top five seasonal TD passing totals in SEC history have been achieved by the Gator QBs in the past five seasons (48 in 1995, 43 in 1994, 41 in 1993 and 32 in 1991).

- The Gators have posted the three top seasonal passing yardage totals in SEC history over the course of the past three seasons.
- The top two career passing TD totals in SEC history have been accumulated by Gator QBs in the 1990's (Danny Wuerffel with 75 from 1993-95 and Shane Matthews with 74 from 1990-92).

## RUNNING BACK SUCCESS

Florida has rightfully gained a reputation as one of the nation's top passing teams, but its running backs have also achieved a great deal of notoriety under the Spurrier system.

- Errict Rhett led the SEC in rushing in 1991 (1,109 yards) and 1995 (1,289 yards). In 1992, he was the only back in the nation to rush for over 900 yards AND catch at least 55 passes.
- Rhett, who completed his career as the SEC's third-top all-time rusher with 4,163 yards, became the first player in NCAA Division I-A history to rush for over 4,100 yards AND

- Elijah Williams averaged 7.5 yards per carry in 1995, the best average in school history for a back with at least 100 carries.

- Florida's top three tailbacks in 1995 (Elijah Williams - 7.5 ypc, Terry Jackson - 6.4 ypc and Fred Taylor - 5.9 ypc) all averaged at least 5.9 yards per carry.

1995. He was also a semifinalist for the Lombardi Award.

(BY JEB BUSH AND BRIAN YABLONSKI)

Two centuries ago, British statesman Edmund Burke wrote, "To be attached to the subdivision, to love the little platoon we belong to in society, is the first principle, the germ as it were, of public affections. It is the first link in the series by which we progress towards a love of our country and to mankind."

The little platoons that Burke was writing about were the family and community. Virtue is rooted in these vital institutions. They serve as social and moral anchors for our children. Those that do not experience their strength are adrift.

While the family is the most vital of all the little platoons, the community is no less important... the next line in our character chain. But in Florida, our neighborhoods and communities have suffered their own decline in effectiveness and importance.

If you look at the cultural indicators over the last 30 years, you will find that we have distanced ourselves from our neighbors. According to one survey, 72 percent of us do not even know our own next door neighbors. There is less participation at our churches and synagogues and less involvement with civic associations such as the PTA, the Elks, the Boy Scouts and Girl Scouts.

The warmth of sidewalks, open doors, and busy front porches in our neighborhoods have been replaced by gated communities and private security. All of this should cause us great concern as the problems associated with our dysfunctional families and communities—crime, poverty, education, out-of-wedlock births—continue to spiral

upward and out of control.

Against this backdrop is the inspirational story of one Floridian who has taken it upon himself to improve his own future and that of his failing community in Miami. On a recent Tuesday night, under picturesque Arizona desert sky, Lawrence Wright suffered his worst defeat as a Florida Gator, his team losing in the Fiesta Bowl to the Nebraska Cornhuskers. For Wright, it was bitter and to what had been a spectacular season.

As the starting strong safety for the University of Florida, Wright had earned his first appearance on the All-SEC Team for athletics. His big plays throughout the season inspired the Gator football team.

Who can forget the momentum change after his big hit on Tennessee wide receiver Joey Kent? It was the spark that led the Gators to victory.

More importantly, Wright had been tapped for academic All-SEC Team honors. No small feat when you consider that he was a perennial straight-F student in high school until he overcame problems associated with dyslexia.

His success both on the field and in the classroom is something to be admired by all young people. But what truly distinguishes Lawrence Wright from other over-achieving students is the commitment he has made to his inner city home of Miami.

At the age of 21, Wright is the founder and director of a program called Right Trak. Beginning in 1994 as a summer camp for 40 young, underprivileged boys in the fourth through ninth grades, Right Trak has blossomed into a year-round, privately funded tutoring and mentor program.

What Wright provides for these kids is a male role model. Somebody who cares about them. Somebody who can show them the world outside the inner city.

Throughout the year, Wright teaches these kids study skills and lectures them incessantly about "making the right choices." The boys listen to lectures by doctors, lawyers, athletes and artists. They listen to the physically handicapped talk about overcoming adversity.

They learn to study in 30-minute intervals and then take a 15-minute break, repeating the process over and over. And they travel to Gainesville once a year to watch Wright play football, and meet with him personally to go over their report cards.

On hot summer days, you will also find Wright leading these boys in duckwalks or push-ups in a field at a local high school. He does this to stress discipline and proper behavior.

And these kids need it. He knows what they are going through because he grew up in the same neighborhoods. The Lincoln Field and James I. Scott Housing projects in Miami are plagued with crime, drugs, gang activity and out-of-wedlock births.

It is still too early to tell if Right Trak is making a difference in the lives of these boys. Grades have gone up, and the number of parents who attend the Right Trak graduation ceremony has doubled from the first year.

But Wright is still disappointed that not enough parents and community members are involved, and he still believes the boys' grades are too low. So he will keep on pushing these kids until they get it "Wright."

Where families and communities have failed, Lawrence Wright and friends he has recruited, including Rock Preston of the Florida State Seminoles and Earl Little of the Miami Hurricanes, have come back to Miami to better their "home turf." It's all about taking responsibility and teaching character.

Says Wright, "Character is the trunk of a tree that everything branches from. There are many situations in your life that will be full of adversity. Character is what helps you build a tunnel underneath or a bridge over that adversity."

Next season, when you see Lawrence Wright on the football field putting a hard hit on another wide receiver, it might give you some comfort to know that there are 40 good kids back in Miami watching television and cheering not for a good play, but for a young man who has helped them to dream just a little of what they can be.

## SERIES AND GAME NOTES

The 1996 season opener marks the third meeting between Florida and Southwestern Louisiana as UF opens its 90th season of play. The Gators have captured the three previous games, with the most recent a 61-14 victory in 1995 in Gainesville. All three previous games have taken place in Gainesville.

The first meeting between these schools came in 1945, which Florida won 45-0. The second meeting was also a 45-0 victory for UF, in 1985. This year's game marks the first time that Florida will open a season versus Southwestern Louisiana. Florida head coach Steve Spurrier is 1-0 versus Southwestern Louisiana.

Florida is 15-24 in its previous 39 season openers, including a 47-6 mark in the 55 openers that have been held in Gainesville. The Gators are 24-1 in their last 25 season openers in Gainesville, a span that dates back to the 1949 season. UF has posted a 29-0 mark in season openers when it scores 28 or more points.

Under Spurrier, Florida is a perfect 6-0 in season openers and has outscored its opponents by a score of 303-45 in those six games (50.5-15.0 for an average margin of victory of 34.7 points).

## SERIES AND GAME NOTES

Florida and Tennessee will be meeting for the 26th time. Tennessee leads the all-time series standings with a 13-10 record. The Gators, however, have won eight of the last 10 meetings between the two schools.

Florida and Tennessee are both charter members of the SEC, but have met just 19 times in regular season play since the conference began play in 1933. The two squads met five times from 1916-32 before the SEC began official play in 1933 and one other time in a bowl game (1969 Gator Bowl). Since the SEC, the Vols hold a 10-9 series edge in regular season games. Now that Florida and Tennessee are both members of the SEC's Eastern Division they meet annually.

This will be UF's first SEC game of the year. The Gators are 35-8-1 in SEC openers since 1954 (16-5-1 at Florida Field, 9-1 at opponent campus sites and 8-4 at off-campus sites).

Florida is 4-10 in the 14 games played between the two squads in Knoxville and 4-4 in the eight series games played in Gainesville. The very first meeting between the two schools took place in 1916 in Tampa and the two schools did not meet at Gainesville until 1953.

One of the meetings between the two squads took place in a bowl game, the 1969 Gator Bowl in Jacksonville, with the Gators posting a 34-13 win over the SEC champion Vols. Current Tennessee AD Doug Dickey was the Vols head coach that day. His last game at Tennessee as he became the Florida head coach starting in the 1970 season.

Last season's meeting could be considered one of the most memorable in recent history as the Gators rallied from a 30-14 first half deficit to score 37 unanswered points in a 62-37 victory. The win was instrumental in helping UF to its fourth consecutive Eastern Division title, as well as its third consecutive SEC title. The winning team in this game the last six years has scored at least 31 points.

Steve Spurrier is 3-3 vs. UF (1-1 while at Duke and 4-2 at Florida). Spurrier never played against Tennessee when he was the Gators QB from 1964-66.

## SERIES AND GAME NOTES

This will be the 47th time that Florida and Kentucky will meet with the Gators holding a 29-17 series edge. This year's game will be the first time since 1991 that Florida will not open its SEC schedule with the Wildcats. Florida had met and defeated Kentucky in the SEC opener in each of the last four seasons.

The two teams first met in 1917 in Lexington. Florida has won 17 of the 21 series games that have been held in Gainesville. Since 1967 Kentucky has visited Florida Field 16 times with the Gators posting wins in 14 of those 16 games. The only times in their last 16 trips to Florida Field that the Wildcats have posted wins were in 1977 (14-7) and 1979 (31-3). UF has won each of the last eight games of the series held in Gainesville. Florida's 33-19 victory over Kentucky in 1991, which clinched the Gators' first official SEC title, ranks as one of the most memorable victories in school history.

The series is knotted at 10-10 in the 20 games that have been held in Lexington but the Gators are 8-1 in their last nine trips to Lexington, including 1995's dramatic 24-20 win and last year's 42-7 victory. Five games between the schools have taken place outside of Gainesville or Lexington (Jacksonville or Tampa) with the Wildcats winning three of those five games.

Florida has dominated the series in recent years after UK dominated in the early years. The Wildcats won 12 of the first 16 games played between the schools but the Gators have won 15 of the last 16 meetings and 25 of the last 30 games. These two SEC schools have met annually since 1967 with the Gators holding a 25-5 series edge in the 28 games played since that season. Florida was 9-1 vs. Kentucky in the decade of the 1980s and is 6-0 so far in the '90s.

Steve Spurrier is 4-0 vs. Kentucky as a head coach while Bill Curry is 0-9 vs. Florida (0-6 at Kentucky, 0-3 while at Alabama and 0-2 while at Georgia Tech).

## SERIES AND GAME NOTES

This will be the third meeting between Florida and Arkansas, with the schools splitting the previous two games.

Arkansas captured the first-ever meeting with a 28-24 victory in the 1982 Bluebonnet Bowl in Houston. Last season the two schools met in the fourth annual SEC Championship Game in Atlanta, with the Gators posting a 24-3 win. The win gave Florida its third consecutive outright SEC title.

This year's game will be the fifth meeting between head coaches Steve Spurrier and Danny Ford. From 1987-89, the two met as head coaches at Duke and Clemson, respectively. Spurrier's Blue Devil squads fell in the 1987 and 1988 meetings at Clemson, but returned to Durham for a 21-17 victory in 1989. Spurrier's was last year at the SEC Championship Game (ended) his record against Ford is 2-2.

## SERIES AND GAME NOTES

Florida and LSU will meet for the 43rd time when the two tangle in Gainesville. This has been an extremely competitive series with UF holding a 21-18-3 series edge. The SEC foes have met on an annual basis since 1971 with Florida holding a 14-9-2 series edge over that 25-year time span, including wins in each of the last eight years.

Twenty-two series games have taken place in Baton Rouge with UF holding an 12-10 record. Florida is 7-1 in its last eight trips to Tiger Stadium, including 1995's 20-10 win. Twenty series games have taken place in Gainesville with UF showing a 9-8-3 series lead.

During the decade of the 1980s this was a series that went against the norm as the visiting team dominated in the victory column. During the 1980s the home team won just twice with one game ending in a tie. The home team in the 1980s posted a 2-7-1 record. Since 1980 the home team in this series is 5-10-1.

Since the start of the 1981 season, the Gators have compiled a sparkling 70-11-2 record at Florida Field. LSU is responsible for two of those rare Gator home losses (1982, 1986) and one of the two ties (1984).

As Florida's QB from 1964-66, Steve Spurrier led the Gators to three wins over LSU. He is also 6-0 vs. the Tigers as a head coach.

## SERIES AND GAME NOTES

This is one of the oldest and most competitive series in the SEC. Florida and Auburn have met 72 previous times with the Tigers holding a 39-31-2 edge in the standings. The 72 meetings with Auburn ranks as the second most vs. an opponent in UF history. Only the

73 meetings with Georgia ranks ahead of Auburn in this category in the Gator record book.

Florida and Auburn first met on the football field in 1912 and have met every season since 1945. The two teams have met at eight different sites (Gainesville, Auburn, Montgomery, Mobile, Columbus, Ga., Jacksonville, Tampa and Miami) over the years. Since 1950, however, this game has alternated between Auburn and Gainesville.

The winning team in this game has scored at least 31 points in five of the last six years. The two teams have combined for an average of 76 points in each of the last three games.

The home field has been important in this series. The Gators hold a 19-7 edge in games played at Florida Field while the Tigers show a 23-6-1 winning mark in games played at Auburn. Auburn is 2-9 in its last 11 appearances at Florida Field. Florida is 5-7 in its last 10 trips to Auburn.

Florida has managed just a 6-23-1 record in games played at Auburn. One of Florida's all-time most memorable wins, however, came at Jordan-Hare Stadium in 1985. A 14-10 win, at the time only the fourth ever for a UF team at Auburn, vaulted the Gators to their first-ever number-one ranking in a wire-service poll.

Steve Spurrier is 4-2 vs. Auburn as a coach. As a player, Spurrier was 2-1 vs. the Tigers as Florida's starting QB and his game-winning field goal vs. Auburn in 1966's 30-27 was played a significant role in swaying Heisman Trophy voters, an award he eventually won that season.

## SERIES AND GAME NOTES

This is one of the nation's premier rivalries. The two schools have met 75 previous times with Georgia holding a 43-28-2 lead in the series. Florida has met Georgia more times (73) than any other opponent in its football history.

This year's game returns to Jacksonville after a two-year stint at each of the school's campus stadiums as the Gator Bowl, now known as Jacksonville Municipal Stadium, was renovated for the National Football League's Jacksonville Jaguars. Florida won each of the two campus games, with last year's game in Athens the first in the series since 1952 held on the Georgia campus. The 1994 meeting in Gainesville was the first since 1951 that the annual meeting was held on Florida's campus. Every game of the series from 1933-93 was held in Jacksonville.

The two schools first met in 1915. They have met every season since 1926 with the exception of the 1943 season when Florida did not field a team.

Since 1961 (53 games), this annual contest has been decided by seven or fewer points 18 times. UF has won each of the past six years and eight of the last 12 seasons.

Florida's best sustained streak of success vs. Georgia is the current six-game (1990-95) winning streak. Georgia's last winning streak in the series is seven games (1941-42 and 1944-48).

Move Spurrier is 6-0 as a head coach vs. Georgia.

## SERIES AND GAME NOTES

This will be the 30th time that Florida and Vanderbilt have met on the football field with the Gators holding a 18-9-2 series edge. Florida holds a 14-5-1 edge in the last 18 games between the two schools. With Florida and Vanderbilt now in the SEC's Eastern Division, the two schools meet on an annual basis.

Florida and Vanderbilt were both charter members of the SEC when it began play in 1953 but the two schools never met until 1943 with Vandy posting a 7-0 win in the initial contest, which was played in Gainesville.

Eleven series games have taken place in Nashville with the series tied at 7-7-1. UF is 3-3-1 in its last seven trips to the Music City. Thirteen series games have taken place in Gainesville with the Gators showing a 11-4-1 record at Florida Field. Vanderbilt won its initial game at Gainesville in 1943, 7-0, and since then has posted a 0-11-1 record at Florida Field. A 6-6 tie in 1958 is the only time in its last 12 trips to Florida Field that the Commodores haven't suffered a setback.

Florida's 38-7 victory last season was its 12th consecutive SEC win, which set a school record for consecutive league wins, breaking the previous mark of 11 set by the 1990-92 teams. The win also gave Florida its eighth conference win for the third straight season, something never before accomplished in league history.

Steve Sparrow is 6-0 vs. Vanderbilt as a head coach (2-0 at Duke and 4-0 at UF).

## SERIES AND GAME NOTES

This will be the 17th all-time meeting on the football field between Florida and South Carolina, but just the fifth as a Southeastern Conference tilt. Florida leads the all-time series standings, 10-3-3, including a 4-0 mark in SEC play. As members of the SEC's Eastern Division, the two schools now meet on an annual basis.

The two schools first met in 1911 in Columbia, leading to a 6-6 tie. From 1911 to 1939 the two schools met fairly regularly with 11 total games. Since 1940 the schools have met just five times.

Eight of the series games have taken place in Columbia, with the Gators leading 4-3-1. Five series games have taken place in Gainesville (1912, 1917, 1964, 1992, 1994) with Florida showing a 3-0 ledger in those contests. Three games between the two schools have taken place in Tampa (1921, 1951, 1955) with Florida posting one win (1955) and the other two contests (1921, 1951) ending in ties.

The three ties with South Carolina is the second most versus an opponent in Florida history. The Gators have tied Georgia Tech six times and South Carolina and LSU rank second in that category in Florida annually with three ties.

South Carolina quarterback coach and passing game coordinator John Reeves is a UF graduate who completed his career in 1971 as the NCAA's all-time passing leader with 7,549 yards. Reeves played for Steve Spurrier with the Tampa Bay Bandits of the USFL and became just the fifth quarterback in pro history to throw for 4,000 yards in back-to-back years. He coached on the Gator staff with Spurrier from 1990-94.

Steve Spurrier is 4-1 versus the Gamecocks as a head coach. He suffered a 27-21 setback to South Carolina in the 1989 season opener while coaching Duke and then posted a 14-9 win in Gainesville in 1992. In 1993, UF's first trip to Columbia since 1939, the Gators posted a 36-27 win. They came back from a 17-0 deficit, the largest road comeback win in UF history. UF won 40-17 in 1994 in Gainesville and 63-7 last year in Columbia.

## SERIES AND GAME NOTES

The two Sunshine State schools first met on the gridiron in 1958 with Florida posting a 21-7 victory. The Gators and Seminoles have met every year since that initial contest with Florida now holding an overall 24-13-2 lead in the series standings.

Florida State's first win in the series came in 1964, 16-7, in what was the first meeting between the two

schools in Tallahassee. The first six contests in the series were held in Gainesville. Since 1964, the series has alternated between the two campuses with Florida hosting in odd-numbered years and Florida State in even-numbered years.

Florida shows a 15-6-1 ledger in the 22 series games that have been held at Florida Field, including last season's 55-24 victory that kept Florida's perfect season alive and vaulted them into the SEC Championship Game with an 11-0 record. The win also gave Florida its fourth unbeaten home seasonal record since 1990. The Gators are 9-6-1 in the 16 series games that have been played in Tallahassee.

Since 1973, this game has been the regular season finale for both universities.

This series has been marked by streaks over the last few decades. Florida won nine straight from 1968-76. Florida State then won four consecutive games from 1977-80. Florida responded with six straight from 1981-86, and the Seminoles have then put together a 7-2-1 record since 1987.

Florida and Florida State are the only two schools in the nation to rank in the Top 10 in the final AP Poll in each of the last five seasons (1991-95).

Steve Spurrier is 2-4-1 against the Seminoles while FSU head mentor Bobby Bowden is 11-8-1 in 21 previous meetings with the Gators. Bowden has coached up 11 of the 13 total wins that FSU has posted in this series. Spurrier was 2-1 against FSU as the Gators' QB from 1984-86.

# THE SOUTHEASTERN CONFERENCE

## A TRADITION OF EXCELLENCE CARRIES INTO ITS SEVENTH DECADE

Throughout its 63-year history the Southeastern Conference has been a leader in the integration of athletic competition and higher education.

Since its formation in 1933, the SEC has achieved both stature and stability by designating governing/voting power to the presidents of the member institutions. They have determined the policies of the conference and through the years this involvement has been the principal source of strength in the evolution of the SEC.

Intercollegiate athletics has encountered many challenges in the 1990s and again the SEC provided guidance. In 1993, the member institutions adopted The Principles of Gender Equity. Committed to increasing the quantity and quality of women's athletic opportunities, each school will provide at least two more women's intercollegiate programs than the number of men's.

Faced with the task of conference realignment after competing with 10 members since 1966, the SEC welcomed the University of Arkansas on Aug. 1, 1990, and the University of South Carolina on Sept. 23, 1990. Joining charter members Alabama, Auburn, Florida, Georgia, Kentucky, LSU, Mississippi, Mississippi State, Tennessee and Vanderbilt on July 1, 1991, Arkansas and South Carolina became the first schools added in conference history.

Fully incorporated into conference competition by 1992, Arkansas and South Carolina participated in SEC championships for all sports except football during the 1991-92 academic year. The SEC was again at the forefront, reintroducing football, basketball and baseball divisional play and the nation's first ever Division I football championship game.

**Roy Kramer**  
Commissioner

SEC schools began athletic competition with one another almost 100 years ago as members of the Southern Intercollegiate Athletic Association.

Seven institutions (Alabama, Auburn, Georgia, Georgia Tech, North Carolina, Sewanee and Vanderbilt) attended the SIAA organizational meeting of locally representatives, called by Dr. William L. Dudley of Vanderbilt, in Atlanta Dec. 22, 1894.

Student teams from the schools began meeting in various sports with little pattern to their contests. Baseball was the most popular campus sport but the American adaptation of the English game rugby, called "football" was drifting down from the East and Midwest. Southerners were quickly attracted to this sport formalized in 1869.

The first football game in the Southeast was played April 9, 1880, on the ground now called Old Stoll Field at the University of Kentucky. Kentucky, then known as Kentucky A&M, was host to the contest in which Transylvania College, then called Kentucky University, upset Centre College, 13/4 to 0. Kentucky A&M (now UK) organized a team and in November 1881, played Transylvania a three-game series (winning 7/2 to 1, then losing 1 to 2 and 2/2 to 3/1). By 1895 eleven current SEC members were playing football.

Basketball moved quickly to the South as Vanderbilt was playing at the Nashville YMCA in 1893, just two years after Dr. James Naismith originated the game at Springfield (Mass.) College. The Commodores won 9-6 in a game with nine players on each team. Basketball became an intercollegiate sport in 1901 and in 1908 Vanderbilt was meeting Columbia and Yale interregionally.

Track was organized on a conference level at the 1895 SIAA meeting presided over by President Dudley who served until his death in 1914. The first championship meet was held at Vanderbilt May 15, 1896. By 1900 eight of the 13 charter SEC members were participating.

The seven-member SIAA expanded to 19 institutions in 1895 (Alabama, Auburn, Central, Clemson, Cumberland, Georgia, Georgia Tech, Kentucky, LSU, Mercer, Mississippi State, Nashville, North Carolina, Sewanee, Southwestern Presbyterian, Tennessee, Texas, Tulane and Vanderbilt) and by 1920 there were 30 members.

The larger schools reorganized as the Southern Conference at a meeting in Gainesville Dec. 12-13, 1920. Professor S.V. Sanford of Georgia called the meeting and served as the first president. Charter members of the Southern Conference included Alabama, Auburn, Clemson, Georgia, Georgia Tech, Kentucky, Maryland, Mississippi State, North Carolina, North Carolina State, Tennessee, Virginia, Virginia Tech and Washington & Lee.

Despite an original limit of 16, the membership grew to 23 by 1928. In 1922 Florida, Louisiana State, Mississippi, South Carolina, Tulane, Vanderbilt and Virginia Military joined, while Sewanee and Duke became members in 1923 and 1928 respectively. At one time or another the SIAA and the SC included most of the Southern colleges from Virginia to Texas.

The 13 members west and south of the Appalachian Mountains reorganized as the Southeastern Conference at the annual SC meeting of Dec. 8-9, 1932, in Knoxville. The 10 coast members remained in the Southern Conference. Dr. Frank L. McVey of Kentucky was elected president of the new conference whose charter members were: Alabama, Auburn, Florida, Georgia, Georgia Tech, Kentucky, Louisiana State, Mississippi, Mississippi State, Sewanee, Tennessee, Tulane and Vanderbilt. (Sewanee withdrew Dec. 13, 1940, Georgia Tech on June 1, 1964 and Tulane on June 1, 1966). McVey held an informal meeting of the school presidents in Birmingham Feb. 16, 1933, then the first full meeting in Atlanta Feb. 27.

The office of the commissioner was formed in 1940 in Jackson due to the great amount of detail work developing, especially in recruiting and eligibility. Former Mississippi Governor Martin S. Conner took office as commissioner Aug. 21, 1940, as an extension of the authority of the presidents. Conner later became ill and the secretary of the conference, Dean N.W. Dougherty of Tennessee, served as acting commissioner during the fall of 1946.

The office moved to Birmingham with the appointing of Bernie H. Moore as the second full-time commissioner on Feb. 21, 1948. Moore, a former LSU coach, guided the SEC to national respect in his 18-year tenure.

A.M. (Tonto) Coleman succeeded Moore upon his retirement April 1, 1966. The Alabama native, who was raised in Texas and experienced in athletic coaching and administration, served six and a half years.

Dr. H. Boyd McWhorter, then Dean of Arts and Sciences at Georgia and secretary of the league since 1967, accepted the position upon the retirement of Coleman Aug. 1, 1972. Under his leadership the SEC experienced unparalleled growth. In McWhorter's first year the SEC distributed \$1.57 million and 14 years later (1986) the league distributed \$13 million in revenue to the member institutions.

Dr. Harvey W. Schiller, an Air Force colonel and faculty chair at the U.S. Air Force Academy, followed McWhorter upon retirement taking office Sept. 15, 1986. Under his guidance the SEC established itself as a leader in the areas of athletic scholarship and marketing.

Roy F. Kramer succeeded Schiller on Jan. 10, 1990. Kramer, who has served on numerous NCAA committees, joined the league office after spending 12 years as athletic director at Vanderbilt.

The first SEC championships were crowned in 1933 in four sports (baseball, basketball, football and outdoor track). The league's inaugural championship event was a basketball tournament in Atlanta Feb. 24-26, 1933. Records show the first men's team title for cross country was awarded in 1935, while golf and swimming were added in 1937. The league later began holding championships in tennis (1953) and indoor track (1957).

In the 1979-80 academic year SEC championships for women were recognized in basketball, tennis and volleyball. The following year golf, gymnastics, swimming and track and field were added. The administration of women's athletics officially came under the auspices of the conference office on Sept. 1, 1984.

The SEC currently regulates nine men's sports and 11 women's sports. Men's—baseball, basketball, football, golf, swimming, tennis and track (cross country, indoor and outdoor). Women's—basketball, golf, gymnastics, soccer, softball, swimming, tennis, track (cross country, indoor and outdoor) and volleyball.

- The University of Florida is the only member school of the Association of American Universities – the nation's premier organization of higher education – to have its football team ranked in the Top 10 in the final Associated Press Poll in each of the last five seasons.
- The University of Florida ranks third among all U.S. universities in patents issued, and among the top five in revenue from royalties.
- Florida's 44-6 record in SEC play since 1990 ranks first in the conference this decade.

- Scored more points (52) vs. Georgia in Athens than any team in Sanford Stadium history.
- Scored 63 points vs. South Carolina, tying a record for the most points ever scored vs. the Gamecocks. Was also the largest margin of victory (56 points) for a SEC road game in UF history.

## SUPER SENIORS

- The 1995 senior class put together a long and sparkling list of achievements:

The 1995 squad won the school's third consecutive SEC title and finished the year ranked second in the nation, the highest finish in school history, after playing Nebraska in the national championship game at the Fiesta Bowl. The squad won a school record 12 games, including a perfect 9-0 mark in SEC play. Florida joined Alabama as the only school in SEC history to win three consecutive outright SEC titles.

#### On squads that stretched UF's streak of six or more conference wins a season to six years, something accomplished only one other time in SEC history (Alabama from 1961-66 and now UF from 1990-95). Also joined Alabama as the only schools in SEC history to win seven or more SEC games in three consecutive seasons (Alabama - 1971-75, UF - 1993-95):

- One of only three UF senior classes to never lose to Georgia.

## SCHEDULE

- The '95 squad faced one of the school's most challenging schedules in history

*Florida's offensive unit rolled up more yards (534.4 ypg) and points (44.5 per game) than any in SEC history.*

- This Gator squad was only the second in the history of the SEC to play five conference games on the road (Georgia was the first in 1994). It became the first team in SEC history to win five league games on the road in a season.

- UF was the only team in the nation to play three beatins (Nebraska, Tennessee, Florida State) that finished the year ranked in the Top five in the final polls.

- This squad was the first in school history to not have a home game in the month of October.

- The '95 unit also became the first Gator squad in history to play three consecutive games vs. SEC foes on the road.

- UF played seven teams that were ranked at some point in the AP and/or USA Today/CNN Top 25 Polls (Tennessee, LSU, Auburn, Georgia, Florida State, Arkansas and Nebraska).

- UF played four teams (Tennessee, Auburn, Florida State, Nebraska) who were ranked in the Top 10 at gametime.

## GENERAL

- Earned a fifth straight final AP Top 10 Poll appearance with its No. 2 AP ranking (UF and FSU are the only schools in the nation to finish in the AP Top 10 Poll in each of the last five years, 1991-95).

- The '95 unit was the youngest in Steve Spurrier's six years at the helm. The squad had 50 combined scholarship upperclassmen and 53 combined freshmen/sophomores, including 36 combined true and redshirt freshmen. Spurrier's '92 unit, with 35 combined juniors/seniors, had ranked as his youngest squad until '95.

## OFFENSE

- The '95 Gator offense made a case for being the finest in the history of the SEC. It set 10 conference records: total yards (8,413), average yards per game (534.4), average yards per play (7.40), total points (534), average points per game (44.5), total first downs (527), total passing yards

(4,330), average passing yards per game (240.8), total touchdowns (74) and passing TDs (48).

- Florida completed the '95 year nationally ranked in the top four in the following categories: Total offense (4th - 534.4 ypg), passing offense (2nd - 360.8 ypg) and scoring (3rd - 44.5 ppg).

- Florida's offense has now ranked among the nation's Top 10 in passing each of the last six years and Top 10 in total offense in five of the past six seasons.

- UF was an outstanding 54-66 inside the "Red Zone" in 1995 (49 TDs, 5 FG) for a 81.8 percentage. Under Danny Wuerffel, the unit was 40-48 (37 TDs, three FG, one blocked FG, three missed FG, one fumble, two loss of downs and game ended vs. Ole Miss with UF on Rebels 7-yard line) inside the 20.

- Here are some other stats of interest:

- averaged 27.3 first downs a game
- averaged 7.40 yards per play and 5.1 yards per rush
- converted on 49.7% of third downs
- averaged 13.1 yards per pass completion
- posted a 171.8 team pass efficiency rating

- UF's 48 TD passes led the nation and were nine more than the next nearest team (Nevada with 39). The Gators also led the nation in TD passes in 1994 with 43.

- The Gators averaged 7.4 yards per play, a figure that led all NCAA Division I-A schools.

- Danny Wuerffel threw for 55 TD passes, a total that ranked first in the nation among Division I-A QBs.

- The WR tandem of Chris Doering and the Hilliard became just the seventh duo from the same team in NCAA Division I-A history to gain 1,000 or more yards receiving in the same season. Doering led the Gators with 1,045 yards and Hilliard gained 1,008 receiving yards.

- Doering and Hilliard also combined for 32 scoring receptions, the top total for a duo in the nation. Doering ranked tied for best in the nation for most TD catches (17) with Terry Glenn of Ohio State. There were only five wide receivers in the nation who caught 15 or more TD passes and the Gators boasted two of those five (Doering with 17 and Hilliard with 15).

- One of the most overlooked aspects of this offensive team was its effectiveness in running the ball in 1995. The Gators averaged 173.6 yards a game, including an impressive 5.1 yards per carry. Their 24 rushing TDs in 1995 was just one shy of the school record (25 in 1976) and the top three tailbacks (Elijah Williams - 7.5 ypc, Terry Jackson - 6.4 ypc and Fred Taylor - 5.9 ypc) averaged at least 5.9 yards per carry throughout the season. Williams 7.5 avg. was the best for a back in UF history (min. of 100 rushes in a season).

- UF averaged 2.04 on its 72 scoring drives with 42 of those lasting six plays or less.

- UF's offense was really in high gear during the second quarter in 1995. It scored 25 of its 74 TDs (33.8%) during that 15-minute period. Florida scored 100 of its 334 points (33.7%) in the second stanza.
- There were only three seniors in the '95 starting lineup (WR Chris Doering, OT Jason Odom, OG Reggie Green). There were only five senior scholarship offensive players on the roster (the above three plus Sorola Palmer and Kevin Johnson).
- The starting line of Jason Odom (46), Reggie Green (43), Jeff Mitchell (25), Dornie Young (25) and Mo Collins (13) ended the season with 152 combined career starts.
- Several times during the season, Florida put points on the board in bunches. Here is a quick glance at those games:

#### Florida vs. Houston, Sept. 2

The Cougars led 14-7 in the first quarter, before Florida scored 28 straight points to take a 35-14 halftime lead and win the game 45-21.

#### Florida vs. Tennessee, Sept. 16

Florida trailed the Volunteers 30-14 late in the second quarter, before the Gators scored 48 straight points on the way to a 62-37 victory.

#### Florida at Georgia, Oct. 28

Florida opened the game with a 28-0 hike on the way to a 52-17 victory.

#### Florida vs. Northern Illinois, Nov. 4

Florida opened the game with 17 straight points before Northern Illinois responded with a touchdown. The Gators then poured in 21 consecutive points to take a 37-6 lead on the way to a 50-20 win.

#### Florida at South Carolina, Nov. 11

Florida opened the game with 33 straight points on the way to a 42-7 halftime lead and a 63-7 victory over the Gamecocks.

#### Florida vs. Vanderbilt, Nov. 18

Florida opened the game with 38 straight points until Vanderbilt scored a fourth quarter touchdown to make the final score a 38-7 Gator victory.

#### Florida vs. Florida State, Nov. 25

With Florida leading 7-6 at the end of the first quarter, the Gators scored 21 unanswered points in the second quarter (to take a 28-6 halftime lead) as they defeated the Seminoles, 35-24.

- In addition to its high national rankings and SEC records it set during the season, here are some other achievements by the '95 unit.

- Six TD passes vs. Tennessee were the most ever by a SEC team in a league game. That mark was then broken later in the season when the Gators threw seven scoring strikes vs. Georgia.
- Fifty-two (52) points most ever scored by a team vs. Georgia at Sanford Stadium.
- Sixty-two (62) points vs. Tennessee were

- most vs. a Volunteer team since 1893.
- Sixty-three (63) points tied record for most points ever scored vs. a South Carolina team.
- Forty-nine (49) points most ever scored by UF vs. Auburn and most vs. an Auburn team since 1952.

### GAME AT A GLANCE

Turning in an all-around dominating performance, fifth-ranked Florida (James the Kentucky Wildcats 42-7 in each squad's Southeastern Conference opener. The win is Florida's ninth straight over Kentucky and 14th straight vs. SEC Eastern Division foes.

The Gators accumulate 35 first downs and 584 yards in total offense - the eighth-best, single-game performance in school history, while the Florida defense limits Kentucky to 249 total yards (127 rushing, 122 passing) and just 13 first downs. The UF special teams even get into the act, as Jacques Green blocks a first quarter punt which leads to a Gator score.

Redshirt freshman running back Terry Jackson, substiting for Elijah Williams and Fred Taylor who are knocked out of the game with injuries, turns in an outstanding performance, rushing for 138 yards and three touchdowns. Wide receiver Chris Doering, a high school teammate of Jackson, continues his success against Kentucky with two TD receptions from quarterback Danny Wuerffel. All told, Doering has a game-high seven catches for 80 yards, while Wuerffel turns in a workman-like effort by completing 21-of-28 passes for 253 yards and the two TDs to Doering.

Florida is in control the entire way, stopping Kentucky on the game's initial drive and then scoring on four of its first seven possessions to take a 28-0 lead to the locker room. UF scores 14 more unanswered points in the third quarter. Kentucky's lone score comes with 6:35 to play in the game.

The only downside to the contest is that nine Gators are injured during the contest.

### GAME NOTES

- The victory marked UF's 10th win (including eight straight) in its last 11 SEC games away from home.
- Terry Jackson ran for three touchdowns, marking the first time since Nov. 3, 1990 (Willie McClellon vs. Auburn) a Gator has rushed for three TDs in a game. In addition, Jackson's 138 yards rushing was the best ground gaining performance since Fred Taylor gained 140 yards vs. Vanderbilt last year.
- With his first TD pass of the night, UF quarterback Danny Wuerffel moved into sole possession of eighth place on the SEC career TD passing list with 42. He added another TD pass during the game and now has 43 TD strikes for his career.
- Chris Doering once again moves up Gator

receiving charts. With his seven catches and two TD receptions, he now stands 111th on the UF all-time receptions list (92) and eighth on the UF all-time TD reception list (17).

## GAME AT A GLANCE

Trailing a 30-14 second quarter deficit, fourth-ranked Florida scores 48 straight points en route to a 62-37 lopping of eighth-ranked Tennessee before a crowd of 85,105 and an ABC television audience. The 62 points scored on Tennessee is the most since the Volunteers were defeated by Duke, 70-0, in 1893.

The Gators total 584 yards in total offense (383 yards passing, 205 yards rushing), while the Florida defense forces four turnovers.

The 11th-ranked headline the Gator attack with nine catches for 112 yards and four touchdowns. The four TDs is the most by a UF receiver in a game vs. an SEC opponent and ties the overall school record set by Jack Jackson vs. New Mexico State in 1994.

Gator quarterback Danny Wuerffel also is hot, hitting on 29-of-39 passes for 381 yards and six touchdowns, the most ever by an SEC quarterback in a league game. Wuerffel's 381 yards is the fifth best passing performance in UF history, while the six TD tosses are the most by a UF quarterback against an SEC team and one shy of the overall school record of seven.

Terry Jackson turns in another solid performance as well, rushing for 119 yards. His 46-yard jaunt in the fourth quarter is the longest run from scrimmage in the Steve Spurrier Era.

With Florida trailing by 16, Gator quarterback Wuerffel hits Hilliard for 11 yards and a TD to bring the Gators to within nine, 30-21, with nine seconds to play in the first half.

Tennessee takes the second half kick-off and marches down the field, but misses a 22-yard field goal. UF then scores touchdowns on six of its final seven possessions for the victory.

## GAME NOTES

Florida rebounded from a 16-point deficit at 30-14 to come within a point of a school record for the biggest comeback at home. UF rallied from a school record 17-0 deficit in the fourth quarter vs. Auburn in 1986 for an 18-17 win.

Danny Wuerffel threw six touchdowns (the most ever in an SEC league game) and rushed for a seventh to tie an SEC record for most touchdowns responsible for in a game (Terry Dean 7 vs. New Mexico State in 1994, Showboat Boykin 7, of Ole Miss). Wuerffel also had 377 yards in total offense (381 passing, 4 rushing) to tie the third top single-game total in UF history.

UF's total of 584 yards in total offense tied the eighth best effort in school history and was the second best outing vs. an SEC opponent. UF also had 584 yards in total offense vs. Kentucky in the second week of the 1995 season. UF's six TD passes were the most ever for a team in an SEC game.

Tennessee had its string of 168 straight PATs end when Gator Fred Weary blocked a Vol extra point in the second quarter. The 168 straight PATs was the second longest string in SEC history behind Alabama's NCAA record of 199.

## GAME AT A GLANCE

Playing the first of three straight Southeastern Conference road games in the month of October, the third-ranked Gators defeat LSU 28-10 in front of 80,583 fans at Baton Rouge behind a strong effort by the UF defense and the special teams units.

Making the first of two interceptions on the day, Fred Weary's 56-yard interception return in the second quarter down to the LSU eight-yard line sets up a Fred Taylor four-yard TD run, giving UF an early 14-0 lead.

With the Gators leading 21-10 in the third quarter, the special teams unit sets up an insurance TD as Jacquizz Green blocks a Chad Kesler punt which the Gators recover on the LSU 20. Two plays later, Wuerffel puts the game away with a 21-yard TD pass to Reidel Anthony to give UF an 18-point margin.

Any thoughts of an LSU comeback are thwarted as the special teams unit produces another big play on the ensuing LSU drive, this time Mike Peterson blocks a 31-yard field goal attempt by Andre Lofeur.

The Gator defense forces three turnovers, seven punts, comes up with four sacks, allows LSU to score just one TD in four trips inside the 20-yard line and holds the Tigers to 3-of-17 on third-down conversions. The Tigers manage just 37 yards on the ground and at one point the Gator secondary forces LSU QB Jamie Howard to throw 11 straight incompletes. The Gator defense holds LSU Tigers to under 100 yards in total offense in the second half and keeps them off the scoreboard.

Despite not hitting on all cylinders in putting up a season-low 321 yards, the UF offense converts three of four trips inside the Red Zone into touchdowns.

## GAME NOTES

- Florida wins for the eighth straight time vs. LSU, the longest streak in the 42 meetings between the two schools and the seventh time in its last eight trips to Tiger Stadium.
- QB Danny Wuerffel moves into a sixth-place tie on the SEC career TD passing chart with 35 (tying Auburn's Pat Sullivan) and moves into a tie on UF's career 200-yard passing game chart with his 14th.
- Florida's first three touchdowns on the day come on the ground, marking the first time since November 18th, 1929 (vs. Kentucky) that UF's first three scores in a game came from the ground game.
- The UF punt return unit holds the Tigers to just seven yards a return after LSU enters the game with the best punt return unit in the SEC and sixth best in the nation with 14.6 yard average. The UF kick return team holds Eddie Kenenich to just two kick returns for 26 yards after he enters the game ranked third in the SEC and 37th nationally with a 22.6 average.

## GAME NOTES

- The game marked the 100th collegiate game for Steve Spurrier, who has now posted a 23-25-2 record, the sixth best winning percentage (.740) among active Division I-A coaches.
- Spurrier also moved into a tie for third place on the UF all-time coaching chart victory list with win number 33 at Florida (tying Bob Woodruff).
- Danny Wuerffel moved into seventh place on the SEC all-time TD passes chart with his three TD passes and now has 52 in his career. Wuerffel also moved ahead of Spurrier and into fifth place on the UF all-time passing yardage chart with 3,066 career passing yards.
- Chris Doering moved into 10th place on the UF career reception chart (passing Harrison Houston at 101) and now has 103 catches. Doering also moved into a tie for fourth on the UF career TD list with 19, tying Carlos Alvarez and Harrison Houston.

## GAME AT A GLANCE

After a week off following its emotional win over Tennessee, third-ranked Florida defeats Ole Miss in a much quieter fashion, 28-10, before 85,174 fans at Florida Field.

The Florida offense takes advantage of its few opportunities, scoring on four of its eight possessions, including each of the first three, despite only having the ball for just under 25 minutes and running only 59 plays, one shy of Spurrier's UF low since taking over at Florida in 1990. Backyard freshman Jacquizz Green scores his first touchdown, the first of his career, on 124 yards of all-purpose yardage (73 receiving, 51 rushing). Green opens the scoring with a 42-yard TD run on a reverse as UF goes for it on fourth-and-two early in the opening quarter and he adds a 33-yard TD reception from Danny Wuerffel in the third quarter to close out the scoring.

Wuerffel and Florida score on each of its first three possessions, giving him a streak of 10 straight drives at the helm resulting in touchdowns. Wuerffel and the Hilliard connect on a 13-yard pass play to put the Gators up 14-0 midway through the first quarter, before Wuerffel finds Chris Doering for a eight-yard TD following an Ole Miss field goal for a 21-3 half-time lead. On the day, Wuerffel completes 17-of-27 for 268 yards, three TDs and one interception in the end zone which ends his impressive TD streak.

The Gator defense yields 325 yards in total offense and holds Ole Miss in crucial situations throughout the day. Ole Miss penetrates the Gator 20-yard line on three occasions and comes away with just one field goal.

Terry Jackson leads the Gator ground attack with 90 yards on 12 carries, while Elijah Williams adds 44 rushing yards.

## GAME AT A GLANCE

Playing the second of three straight Southeastern Conference road games, No. 5 Florida bounces back from a 10-0 deficit and scores 28 unanswered points en route to a 49-38 win over No. 7 Auburn in front of 85,214 fans and a regionally televised ABC audience.

In a very similar fashion when Auburn converted nine turnovers into victories in the previous two meetings, the Tigers convert two early turnovers and build a 10-0 lead in the first three minutes of the game. Reidel Anthony quickly quiets the crowd and gets the Gators back in the game with a 90-yard kick return to trim the Auburn lead to 10-7.

A Matt Hawkins field goal extends Auburn's lead to 13-7 but a 21-point second quarter explosion gives UF a commanding 35-20 halftime lead. The 21-point burst occurs in a three-plus minute span. Elijah Williams' 1-yard TD run gives the Gators the lead for good at 21-20, a Lawrence Wright interception sets up Danny Wuerffel's 22-yard TD strike to tie Hilliard and the barrage concludes with an 11-yard TD pass to Chris Doering with just 29 seconds left in the half.

Danny Wuerffel overcomes a 1-for-9 start passing and leads an balanced offense that produces 577 yards in total offense. Wuerffel completes 19 of his last 25 passes and throws for 382 yards on the afternoon. Three of his four TD passes go to senior Chris Doering who finishes with five catches. Fred Taylor rushes for a personal season-best 111 yards and his backfield mate Williams finishes just short of the century mark with 97 yards.

Meanwhile, the Gator defense shuts down the Auburn running attack in the first half, allowing tailback Stephen Davis to just 40 yards rushing. The pass rush and secondary is just as impressive, forcing Patrick Nix to complete just 15 of 37 passes and throw two interceptions on the day after he enters the game as the top percentage passer in the conference, completing close to 70 percent of his passes.

## GAME NOTES

- Florida breaks a two-game losing streak to Auburn and wins for the fifth time in Auburn, while handing Terry Bowden his first home loss at home.
- Florida becomes the fourth squad in UF history and the first since 1969 to open a season at 6-0 and just the second squad in

the UF history books to go 5-0 in SEC play joining the 1991 squad.

- Florida scores a series high 49 points vs. Auburn to tie the highest point total vs. an Auburn team at Jordan-Hare Stadium in Tiger history. Florida's 577 yards in total offense is fourth-best in a league game in UF history.
- QB Danny Wuerffel throws for 382 yards, the sixth-best effort by a UF QB in school history. Wuerffel passes Steve Spurrier on the UF all-time completion chart and stands in fifth overall with 406. He moves into second on the UF career TD passing list with 37 (fourth on the SEC chart) and the game marks his seventh career 300-yard day - second best in UF history.

#### GAME AT A GLANCE

Playing in a historic game in Athens, Florida writes a bit of history itself with a 52-17 win over Georgia, its first victory in five tries in Athens. The win, coming in UF's first visit to Spartan Stadium since 1932, is also a record sixth straight for UF vs. the Bulldogs. Florida improves to 7-0 for the first time since 1966 and only the third time in school history.

In one of its most complete efforts of the year, Florida jakes outstanding efforts by the offense, the defense and the special teams. Florida throws for seven TD passes, the most ever by a league team in an SEC game and totals 542 yards on the day (229 rushing and 313 passing). Meanwhile, the Gator defensive unit forces six Georgia fumbles, recovers three and holds the Bulldogs to just 55 yards rushing.

Danny Wuerffel completes 14-of-17 passes for 242 yards and five TDs in less than three quarters of action before being relieved by back-up Eric Kresser, who adds two losses for the SEC record. Three of Wuerffel's TD strikes go to senior wide receiver Chris Doering, who improves his career total to 25 (second best in UF and SEC history). Elijah Williams' career-high 145 yards leads the ground attack and Terry Jackson chips in with 62.

Lawrence Wright leads the defense, recording a game-high 14 tackles (eight solo), with a sack and forcing two of the Bulldog fumbles. Wright is named SEC Defensive Player of the Week for his efforts.

#### GAME NOTES

- Florida's 52 points are the most ever surrendered by a Georgia team at home.
- The 1995 Florida team is only the third squad in school history to open a season 7-0 and the first since 1966. It is also only the second squad to go 6-0 in SEC play.
- The win allows Florida to complete a three-game SEC road trip sweep, as the Gators made no home appearances in the month of October for the first time in school history.
- WR Chris Doering's three TDs receiving gives him 25 for his career to move into second on the UF all-time and SEC all-time list. Twenty-five of his 115 career catches have now gone for paydirt, giving him a TD/reception ratio of 4.60—second best in school history.
- QB Danny Wuerffel finishes with a Qik rating of 287.25—the best by a UF QB in an SEC

game and the second best overall (Wayne Peace had a rating of 289.27 vs. West Texas in 1982).

#### GAME AT A GLANCE

In their first home game in more than a month, the Gators entertain a Homecoming crowd with a 58-20 victory against Northern Illinois. Florida improves to 8-0 for just the second time in school history and the first since 1928, while winning for the 15th time in its last 16 Homecoming contests.

Florida junior quarterback Eric Kresser, making his first career start, sets a school-record throwing for 436 yards. Kresser completes 26-of-42 passes with six TDs, including a 96-yarder to Jacques Green—the second longest TD pass in UF history. Kresser also establishes a school-record with his 460 yards in total offense—the sixth best single-game effort in SEC history.

As a team Florida passes for 506 yards, just six short of the school record of 512 set vs. Southwest Louisiana in 1993 and for the second time this year, UF throws for seven TD passes in a game. Combined with 189 yards rushing, the Gators rack up 695 yards in total offense—again the second-best single-game effort in UF history.

Florida wastes little time in getting on the board, scoring in the first minute of the game. In all, eight different players get in the endzone as three quarterbacks throw passes and 13 receivers catch balls.

Charles Talley and the Northern Illinois ground game serve as one of the highlights for the Huskies. Talley becomes just the seventh running back in Northern Illinois history to go over 1,000 yards as he finishes the afternoon with 146 yards. He keys a running attack that racks up 500 yards on the ground—the most by a UF-coached Spurrier squad and the most against Florida since 1987 when Georgia ran for 506.

#### GAME NOTES

- Florida is now 30-19-3 in 72 Homecoming Games including 25-2 in the last 25 and 15-1 in the last 16.
- Jacques Green's 96-yard TD reception in the second quarter is tied for the second longest in UF history (Kevin Fleet hit Rube Nattall for 96 yards vs. Georgia in 1982).
- Chris Doering's four catches moved him into ninth on UF's all-time receiving chart with 119 (he passed Nattall at 117).
- The game was the first home game for Florida since September 30th vs. Ole Miss—a span of 34 days.
- Florida's 695 yards in total offense and 506 yards passing both rank as second best single-game totals in UF history.

## GAME AT A GLANCE

Playing a near-perfect game in front of a nationally televised ESPN audience, the third-ranked Florida Gators put together a downright dominating performance in a 63-7 win over South Carolina to clinch their fourth straight Southeastern Conference Eastern Division crown. Florida, clinching an appearance in the SEC Championship Game vs. Arkansas Dec. 2nd, improves to 9-0 for the first time in school history and 7-0 in SEC play for just the second time in Gator history (the 1991 team was also a perfect 7-0 in conference play). The 56-point winning margin is the largest in school history for an SEC road game.

Florida rolls to a 35-0 lead with 6:57 left in the first half and eventually builds a 42-7 half-time edge en route to its school-record 12th straight SEC win away from Florida Field. The Gators tally an impressive 426 yards in total offense in the first 30 minutes of action, while the defense smothered South Carolina, allowing just 83 yards in the first half. The second half is much of the same as UF finishes the evening with 612 yards in total offense, while the Gamecocks manage just 128 yards in total offense—the best defensive effort in the Spurrier era in an SEC game.

UF quarterback Danny Wuerffel completes 19-of-24 passes for 304 yards (his eighth career 300-yard game) and five TDs in just one half. Three of his 10 losses go to wide-out Ike Hilliard and running back Eliah Williams also finds the endzone three times. Williams, who finishes with 126 yards on the ground, runs for two TDs and catches another. Wuerffel's effort highlights a passing attack which totals 402 yards, while the ground game produces 210.

The defense racks up eight tackles behind the line of scrimmage, including five sacks and holds QB Steve Tanehill. The Gators leading passer in yards, to a career-low 74 yards. Overall, South Carolina passes for 93 yards and runs for 55.

While the offense is letting perfect with no turnovers, the special teams unit blocks its fourth punt of the year, as Jacquez Green gets his third blocked punt of the year to set-up UF's first TD in the second quarter.

## GAME NOTES

### Game 10

Nov. 18, 1995

Attendance:

#### GAME AT A GLANCE

Florida puts the finishing touches on a perfect Southeastern Conference regular season (8-0) with a 38-7 win over Vanderbilt, while setting a school record with its 10th consecutive win of the season and its 12 straight SEC victory overall. The 1995 Florida team is the first in school history to go 8-0 in SEC play.

With the offense in high gear after a seven-point first quarter, the Florida defense and special teams control the game. The Gator defense holds the Vanderbilt rushing game to 1.6 yards per rush on the day (84 yards on 51 carries), including a smothering effort in the second quarter as the Commodores rush for negative six yards. With only 132 yards passing, Vanderbilt is held to just 3.4 yards per play on the afternoon. Vanderbilt's first scoring drive is thwarted as Mike Peterson blocks his second field goal of the year - this one a 37-yarder by place kicker Steve Yonker. UF's special team's leader Sam McCorkle then blocks a Bill Mairnangel punt on Vanderbilt's next play. It is Florida's seventh blocked kick of the year (four punts, two field goals and an extra point) and McCorkle's fourth blocked punt of his career.

Despite not clicking on all cylinders in the first half, the Florida offense still generates 36 points and 550 yards in total offense (403 yards passing and 155 rushing).

Chris Doering headlines the offense, catching 11 passes for 169 yards and two TDs to tie the SEC and UF single-season (18) and career TD (29) reception records. His 11 catches is the third best single-game effort in UF history and he moves into fifth place on the UF all-time chart with 136.

Eliph Williams runs for 128 yards on just nine carries. Seventy of Williams' yards come on a third-quarter TD run, the longest rushing TD in the Spurrier era.

Danny Wuerffel completes 17-of-35 passes for 299 yards and two TDs. Wuerffel's two TDs give him the UF single-season record (at 29), and a share of the SEC single-season record (South Carolina's Steve Tameyhill also has 29).

#### GAME NOTES

- UF sets a school record with its 10th consecutive win of the season (the previous record was nine by the 1984 team).

- Florida wins its 12th straight SEC game to set a school record for consecutive SEC wins (previous record was 11 - 1990-92).
- The 1995 squad becomes just the fourth squad in school history to win 10 games. All four squads - the 1991, 1993, 1994 and 1995 - have been coached by Steve Spurrier.
- Florida becomes the first school in SEC history to win eight league games three consecutive years (UF was 6-1 in '93, 8-1 in '94 and now 8-0 in '95).
- Steve Spurrier wins his 50th game as a Gator coach to move into sole possession of second place on the UF all-time coaching victory chart. Ray Graves is the leader at 70.

#### GAME AT A GLANCE

With a school record crowd of 85,711 on ABC television audience and most of the nation's top media markets in Gainesville, the third-ranked Florida Gators remain perfect on the 1995 season (11-0) with a 35-24 victory over sixth-ranked Florida State. Florida ties the all-time school record for consecutive wins with its 11th straight victory and joins the 1995 squad as the only two teams in school history to win 11 games.

The Gators use an explosive 60-4-half offense, an impressive defensive performance and several big plays to key the victory over their in-state rivals.

The UF defense holds the Seminoles to just six points and 126 yards in the first half and with the game on the line in the fourth quarter limits FSU to 40 yards in total offense and intercepts three passes. Overall, FSU manages just 322 yards in total offense, well below its national-leading average of 574.5 yards a game and punts eight times.

The Gator offense is in high gear in the first half, scoring four times to build a 28-6 edge at the intermission. UF's final score of the first half comes on a 20-yard pass from Danny Wuerffel to Chris Doering with 47 seconds left. The TD is the 30th career grab and 16th of the season for Doering, both SEC and UF records. Florida totals 504 yards in total offense and 19 first downs in the first 30 minutes of the game.

After FSU's Warren Dunn scores on a three-yard run in the third quarter to close the score to 28-14, Florida answers with a streaking 74-yard TD catch by Ike Hilliard on its next play from scrimmage to keep momentum on the Gators' side. FSU scores 10 third-quarter points and closes the gap to 11 points on an eight-yard pass from Danny Kanell to Arden Cooper. From there, the defense takes over with its fourth quarter clamp-down.

Wuerffel finishes the day 25-of-40 for 443 yards (the fourth top single-game total in UF history) with four TDs to boost his season total to an SEC record-setting 33. Hilliard finishes with six catches (two for TDs) and 192 yards, the third best single-game total in UF history. Doering, one of 16 seniors making their final appearance at Florida Field, catches seven balls for 124 yards.

#### GAME NOTES

- The 1995 senior class wins its 41st career game, the most wins by a UF senior class in school history (the 1994 class won 40 games).
- The win is the third vs. a top-10 opponent for UF this year (UF also defeated No. 6 Tennessee and No. 7 Auburn).
- Florida sets SEC team records for total offense in a season (6,015), first downs in a season (302), total TDs (70), passing TDs (40) and PAT attempted and made (38 & 37).
- UF's 35 points and 550 yards in total offense are the most by an opponent vs. FSU since

Chris Doering's 50th career TD catch, a total that set a new SEC record, was one of many memorable plays in the Gators' big 35-24 win over Florida State.

### GAME AT A GLANCE

In front of a primetime national television audience and a sold-out crowd of 71,325, second-ranked Florida assures itself of a trip to the Fiesta Bowl to play for its first national championship with a 34-3 victory over Arkansas in the fourth edition of the SEC Championship Game, giving the Gators their third consecutive SEC title. Florida becomes just the second school to capture three consecutive outright SEC titles, a feat only accomplished by Alabama several times, the last being from 1977-79.

Arkansas opens the game in impressive fashion, driving inside the Florida 20-yard line and eating up more than seven minutes off the clock. But the Gator defense sets the tone for the entire game and allows the Razorbacks to come away with just a 36-yard Todd Latourette field goal.

The Gator offense answers back immediately as it drives 60 yards in seven plays, culminating with a 22-yard scoring pass from Danny Wuerffel to Chris Doering. Just over three minutes later, UF strikes again following a Teuko Brown interception, this time on a one-yard keeper from Wuerffel. The Gators add a 31-yard FG from Bart Edmiston midway through the second quarter to take a 17-3 lead into the locker room.

The Florida defense comes up with perhaps the biggest play of the entire night with just under five minutes left in the third quarter and UF holding a 24-3 edge. With Arkansas threatening on the doorstep, Ben Flanks intercepts a pitch from Razorback QB Barry Lurray on a thwarted option play and rambles 45 yards untouched to give the Gators an insurmountable lead. It was UF's first defensive touchdown of the season and is one of four forced turnovers for the defense, three of which lead to 17 of UF's points. Arkansas is held to just 299 yards in total offense, including just 142 yards and only nine first downs in the second half.

Danny Wuerffel continues to shatter the record books as he sets a SEC and UF record for career TD passes with his 75th, a 29-yard pass to Ike Hilliard midway through the third quarter. He also finishes the year with a pass efficiency rating of 170.4, the best single-season rating ever in NCAA history. Hilliard and Doering both eclipse the 1,000-yard receiving mark, becoming the first UF tandem to accomplish that feat.

### GAME NOTES

- Florida breaks the all-time record for consecutive wins with its 12th straight victory. (The previous Florida record was 11 as UF won the final three games of the 1927 season and the first eight of the 1928 season.)

FSU: 0:55 - A. Cooper 8-yard pass from D. Kanell (S. Bentley PAT) - 1 play, 8 yards, 0:7

## GAME AT A GLANCE

In front of a national television audience and a Fiesta Bowl record crowd of 79,864 at Sun Devil Stadium in Tempe, Arizona, top-ranked Nebraska scored 29 unanswered points in the second quarter en route to an impressive 62-24 win over the second-ranked Gators to win the National Championship. The Cornhuskers secured their second straight national title with the victory, becoming the first school since Alabama in 1978-79 to win two straight NCAA Division I-A football titles.

The Gators looked strong in the early going, scoring on two of their first three drives to take a 10-6 lead after the first quarter. Bart Edmiston hit a 25-yard field goal and Danny Wuerffel scored on a one-yard keeper with 1:17 remaining in the first quarter.

The lead was short-lived. Five plays, 71 yards and 1:49 later, Phillips ran 42 yards to give the Cornhuskers a 13-10 lead. Florida took over on its own 43-yard line, but three penalties and a 21-yard sack of Wuerffel moved UF back to its own four. Facing pressure once again, Wuerffel was sacked in the endzone for a safety to give Nebraska a 15-10 lead. The Gators' three remaining possessions of the second quarter resulted in two punts and an interception, which was returned 42 yards by Michael Booker for a score. The Cornhuskers led at the break, 35-10.

The Gators scored twice in the second half once in the third quarter when Wuerffel lofted a 35-yard pass to sophomore wide receiver Hal Hilliard in the right corner of the endzone and a 93-yard kickoff return by Anthony in the fourth quarter, the first kickoff return for a touchdown in UF bowl history.

Nebraska ran for 524 yards in the game, the most ever given up by a UF defensive unit, and racked up 629 yards in total offense, also the most ever yielded by a UF team. The Cornhuskers also held the Gators to their second-worst rushing performance in school history with 28 yards on the ground.

## GAME NOTES

- Florida had a school-record 12-game winning streak broken with the loss.
- The Gators are now 10-23 in bowl games. Spurrier is 2-3 at Florida in bowl games and has a career mark of 2-4 (0-1 at Duke). This is the third straight year the team has played in a major New Year's Day bowl game, the first time in school history.
- UF has now been outlashed in 12 of the 13 games it has lost since 1990.
- Senior wide receiver Chris Dwyer finished the night with eight catches for 125 yards, just one catch short of the Fiesta Bowl record of nine by Melvin Brutton (1985).
- The Gators finished the year ranked second in the final AP poll, the highest finish in school history. It marks the fifth straight final AP Top-10 Poll appearance for the Gators (UF and FSU are the only schools in the

nation to finish in the top 10 in each of the last five years, 1991-95).

- Florida is now one of only four teams in the nation (Florida, Florida State, Nebraska and Texas A & M) to win at least nine games in each of the last six seasons (1990-95).

### GAME AT A GLANCE

In front of a primetime national television audience and a sold-out crowd of 71,325, second-ranked Florida assures itself of a trip to the Fiesta Bowl to play for its first national championship with a 34-3 victory over Arkansas in the fourth edition of the SEC Championship Game, giving the Gators their third consecutive SEC title. Florida becomes just the second school to capture three consecutive outright SEC titles, a feat only accomplished by Alabama several times, the last being from 1977-79.

Arkansas opens the game in impressive fashion, driving inside the Florida 20-yard line and eating up more than seven minutes off the clock. But the Gator defense sets the tone for the entire game and allows the Razorbacks to come away with just a 36-yard Todd Labourette field goal.

The Gator offense answers back immediately as it drives 80 yards in seven plays, culminating with a 22-yard scoring pass from Danny Wuerffel to Chris Doering. Just over three minutes later, UF strikes again following a Teiko Brown interception, this time on a one-yard keeper from Wuerffel. The Gators add a 51-yard FG from Bart Edmiston midway through the second quarter to take a 17-3 lead into the locker room.

The Florida defense comes up with perhaps the biggest play of the entire night with just under five minutes left in the third quarter and UF holding a 24-3 edge. With Arkansas threatening on the doorstep, Ben Hanks intercepts a pitch from Razorback QB Barry Lunsney on a thwarted option play and rambles 95 yards untouched to give the Gators an insurmountable lead. It was UF's first defensive touchdown of the season and is one of four forced turnovers for the defense, three of which lead to 17 of UF's points. Arkansas is held to just 299 yards in total offense, including just 142 yards and only nine first downs in the second half.

Danny Wuerffel continues to shatter the record books as he sets a SEC and UF record for career TD passes with his 75th, a 29-yard pass to Ike Hilliard midway through the third quarter. He also finishes the year with a pass efficiency rating of 178.4, the best single-season rating ever in NCAA history. Hilliard and Doering both eclipse the 1,000-yard receiving mark, becoming the first UF tandem to accomplish that feat.

### GAME NOTES

- Florida breaks the all-time record for consecutive wins with its 12th straight victory (The previous Florida record was 11 as UF won the final three games of the 1927 season and the first eight of the 1928 season).

FSU: 0:53 - A. Cooper 8-yard pass from D. Kanell (S. Bentley PAT) - 1 play, 8 yards, :07

# GATOR HISTORY

## A PROUD PAST, AN EVEN BRIGHTER FUTURE

*Steve Spurrier represents Florida's proud football present and past and embodies its even brighter future. Spurrier, who was the recipient of the 1966 Heisman Trophy as a Gator quarterback, has led UF to many of its greatest team achievements since taking over the coaching reins in 1990. In his six years at the helm the Gators have captured four SEC titles, finished first one other time, played in each of the first four SEC Championship Games and the 1995 National Championship Game in the Fiesta Bowl. The Gators 61 total wins over the past six seasons is the best six-year victory total in school history, and UF's 44-6 record in SEC play since 1990 ranks as the conference's best. Spurrier is one of 99 Gator players who have earned All-America recognition, including 43 who have garnered first-team All-America honors.*

Florida, a charter member of the prestigious Southeastern Conference, and one of the participant schools in the first-ever SEC Football Championship Game in 1992 (a game that was also the first-ever championship playoff game for Div. I-A), started football in 1906 against Rollins on a baseball field located immediately north of the current Florida Field. The Gators won 6-0, and went on the following year to record a 4-0-1 mark behind the running of a halfback named Willie Shands, who eventually became an important senator for whom the Shands Hospital and Clinics at UF are named.

The finest of the early teams at Florida were under the tutelage of U.S. Army Major James A. Van Fleet, head coach and senior officer of the school's ROTC program. The Van Fleet teams in 1923-24 attracted national attention to the Gator football program for the first time.

In 1923 Florida tied Georgia Tech, the ruler of Southern football, 7-7, in Atlanta. The Jackets came from behind late in the game to earn the deadlock.

In the final game of that season Florida recorded one of the most shocking upsets of the year, beating Alabama and Wallace Wade in Tuscaloosa, 16-6, as All-Southern

back Edgar Jones scored every point for the Gators.

Florida was 6-1-2 that season and 6-2-2 in 1924, recording 7-7 ties against both Georgia Tech and Texas, two of the national football powers, and losing to Army, 14-7, at West Point.

Florida's 1928 team led the nation in scoring on the way to an 8-1 record, losing its final game, 13-12, on a wet field in Knoxville, Tenn. to Tennessee.

The 1930's produced great individual talent at Florida. Walter (Tiger) Mayberry was an All-SEC halfback who was later to lose his life in World War II as an often-decorated Marine pilot. Tommy Harrison was a record-setting passer in the late '30's and went on to become a president of Blair Radio and TV, a nationwide firm. His favorite target was end Forrest (Fergie) Ferguson, an all-star athlete who died years later as the result of wounds suffered in the invasion of Normandy during World War II.

Bob Woodruff brought the Gators to solid football status as the head coach of the 1950's. He produced the first bowl team in 1952. All-America linemen like Charlie LaPrade, John Barrow and Vel Heckman and a reputation for hard-nosed defense.

Ray Graves came out of the decade of the 1960's as the winningest Florida coach of record. He was 70-31-4 with five bowl teams, four of which won. His only losing bowl team lost by two points to Missouri in the 1966 Sugar Bowl, 20-18.

That decade also produced Heisman Trophy winner Steve Spurrier, a record-setting passer, as was quarterback John Reaves in 1969, who smashed five national marks.

The teams of Doug Dickey from 1970-78 went to four bowls. His 1973 team was the second Gator edition ever to defeat Auburn at Auburn and went on that year to beat Georgia, FSU and Miami in the same month, a rare feat for Florida.

Dickey's top players included All-Americans Jack Youngblood, defensive end; Wes Chandler, wide receiver; Sammy Green and Ralph Ortega, line backers, and SEC rushing king Jimmy Dufosse.

Charley Pell's rebuilding job began in 1979 and his last four Florida teams went to bowls, averaging eight wins a season against one of the nation's most demanding schedules. Pell's 1983 team secured the school's then highest final ranking ever with a No. 6 finish. Wilber Marshall, a line-backer, was named 'National Defensive Player of the Year.'

The top players of the Pell era (1979-84) were WR Cris Collinsworth, LB David Little, DT David Galloway, LB Wilber Marshall, and OT Lomas Brown. All were first-team All-American selections.

Galen Hall was named interim coach after the first three games of the 1984 season. He proceeded to win the next eight games. When the squad defeated Kentucky, 25-17, to clinch the school's first-ever first place finish in the SEC standing, he was named the new head coach in the lockerroom after the game in Lexington. The squad closed the

banner year with a 27-17 win at Florida State to cap a 9-1-1 season. In the final regular season wire rankings, Florida was ranked third in the nation, the best regular season ranking in school history. The '84 squad was

Florida has appeared in 25 bowl games, seen 99 of its players earn All-America recognition, including 43 who have earned first-team All-America honors, had a player receive the Heisman Trophy, had two players honored as the "National Defensive Player of the Year", played in the first-ever SEC Championship Game, and seen 24 of its players selected in the first round of the NFL Draft.

The 1984 Gator squad posted an overall 9-1-1 record and was ranked third in the final AP ranking. The *Sporting News* and the *New York Times* declared the squad national champions. Florida's 5-0-1 mark in SEC play marked the first time in school history that a Gator squad finished with the best record in SEC play.

The 1985 Lil' squad posted a 9-1-1 record and was ranked fifth in the final AP poll. Its 5-1-0 mark in SEC play tied for first in the league standings. After its 14-10 win at Auburn, it became the first squad in school history to be ranked number one in the nation in a wire service poll.

named the national champion by the N.Y. Times and The Sporting News.

Hall led Florida to another banner season in 1985. The Gators opened the season with an eight game unbeaten streak to stretch UF's two season unbeaten mark to 18 consecutive games. When Florida defeated Auburn, 14-10, in the eighth week of the season, UF was ranked first in the weekly Associated Press rankings, the first time in school history that the Gators held that lofty status. Florida finished with a second straight 9-1-1 season. The Gators were ranked 5th in the final AP ranking.

The period of 1983-85 ranked as the most successful in school history. During that time frame, Florida was the only school in the nation to finish in the top six in the final AP ranking in each of those respective seasons. Florida's 27-4-3 record during that time frame represented the second best winning percentage (83.8%) in the nation.

The decade of the 1980's ended with three successive bowl appearances (1987 Aloha, 1988 All-American, 1989 Freedom). Overall, UF went to seven bowl games in the 1980's making it the most successful in that regard in school history. In addition, the Gators posted 76 wins

during the 1980's, the most successful decade in school history.

Gary Darnell replaced Hall as interim head coach six games into the 1989 season. Hall completed his career (1984-89) with a 40-18-1 record. The top players of his reign were first-team All-America selections OLB Alonzo Johnson, OG Jeff Zimmerman, OLB Clifford Charlton, DB Louis Oliver, DB Jarvis Williams, DT Trace Armstrong, and RB Emmitt Smith. In addition, QB Kerwin Bell, FB John L. Williams, and RB Neal Anderson ranked among UF's all-time greats.

On the eve of the new decade of the 1990's (Dec. 31, 1989) Steve Spurrier, a man who had provided the University of Florida with so many fond memories as a player, was hired as the school's head coach.

Spurrier wasted little time in making a dramatic impact on the Gator program. His 1990 team started the year with a 9-1 record, the best start for a UF team in school history. The squad finished with a 9-2 record and in the process established 14 new school records. It's 6-1 conference record was the best in the SEC. Included in the nine wins were 41 and 51-point victories over Auburn and Georgia respectively, then the

*The 1990 team posted a 9-2 overall record and its 9-1 start was the best in school history. It finished with the best record in the SEC with a 6-1 mark, the first time in school history that a Gator team posted six conference wins in a season. It became the first UF team since 1928 to defeat both Alabama and Auburn in the same year and it posted the largest victory margins over Auburn and Georgia in school history.*

*The 1991 team was the first in school history to win ten games in a season and the first to win an outright SEC title, compiling a perfect 7-0 conference record. The squad posted a 10-2 overall record, played Notre Dame in the Sugar Bowl and finished the year ranked seventh in the nation. It was the first contingent in school history to defeat Auburn, Alabama, Georgia, Florida State and Tennessee in the same season.*

largest vs. those two long-time rivals in school history.

The 1991 team was even better as it posted an overall 10-2 record, including a perfect 7-0 mark in SEC play to clinch Florida's first ever outright league title. The '91 team was the first in school history to win ten games in a season and closed the banner year with an appearance in the Sugar Bowl vs. Notre Dame. The squad won its last eight straight regular-season games and completed the year ranked as the nation's seventh best squad.

The 1992 team started the season at 1-2 but bounced back to win seven straight games and claim a spot in the first-ever SEC Championship Game as the Eastern Division representative where it lost a heartbreaking 28-21 decision to unbeaten and eventual national champion Alabama. The Gators closed out the '92 campaign with a 27-10 win over North Carolina State in the Gator Bowl giving it a 9-4 record and final AP national ranking of 10th. It marked just the second time in school history that the Gators had won nine or more games in three consecutive seasons.

The 1993 unit won the SEC title, won more total games (11) and more SEC games (8) than any team in Gator history, and won the school's first-ever Sugar Bowl championship. The

'93 Gators posted a final 11-2 record and ended the year ranked 5th in the final AP Poll and 4th in the USA Today/CNN Coaches Poll, just the third time in school history that a UF team finished the year ranked among the nation's five best.

The 1994 unit posted a 10-2-1 record and finished the year ranked 7th in the final polls, a fourth straight year in the top ten. The Gators once again won the SEC title, their third in four years.

The 1995 Gator season was the greatest in school history, as the squad posted a perfect 12-0 regular season mark and advanced to the National Championship Game in the Fiesta Bowl versus Nebraska. Florida won its third straight SEC title, something only accomplished by one other school in league history (Alabama), as well as finishing the year ranked second in the final AP Poll, its highest finish ever. The 12 wins was the most in school history.

Since it began playing football in 1906, the Gators have had 43 first team All-Americans, a Heisman Trophy winner in Steve Spurrier, 23 bowl teams, and numerous other regional and conference honors. All told, 99 different players have earned All-America honors. Twenty-four Gator players have been selected in the first-round of the NFL Draft.

The 1993 Gator contingent won the SEC title, won more games in a season (11) than any team in school history and was the school's first-ever Sugar Bowl champion. The squad won more SEC games (8) than any team in school history and completed the season ranked 5th in the final AP Poll and 4th in the USA Today/CNN Coaches Poll.

The 1994 squad posted a 10-2-1 record, finished the year ranked 7th in the final polls, won the SEC title with a 24-23 win over Alabama and defeated Georgia for a record fifth straight season. It sat atop the AP Poll in seven of the first nine weeks of the season.

The 1995 team finished with a 12-1 mark that included an appearance in the National Championship Game in the 1996 Fiesta Bowl. Florida ended the year ranked second in the final AP Poll, the highest finish in school history, and won more games (12) than any team in UF history.

## THE BIRTH OF A NICKNAME

Reprinted from Florida Times-Union, August 2, 1948

A Jacksonville lawyer 'christened' the University of Florida's football team 41 years ago when he gave a pennant—designing firm in Charlottesville, Va., the suggestion of 'The Alligators.'

Austin Miller, who has practiced law here since shortly after his graduation from the University of Virginia in 1910, yesterday recalled the circumstances surrounding the choice of a name for Florida University's athletic teams. It happened in the fall of 1907, a year after the University of Gainesville had fielded its first team.

Miller, a native of Gainesville, was enrolled in the University of Virginia at the time and was visited by his father, Phillip Miller, a Gainesville merchant. The elder Miller, who died nine years ago, then owned and operated a combination drug store and stationery store in Gainesville, a popular rendezvous for university students.

While in Charlottesville the father decided to order some pennants and banners for the University of Florida from the Michie Company, which was engaged in the manufacture of such items. The Millers went to the firm, where they were shown samples of pennants which

featured the Yale bulldog, the Princeton tiger and other school emblems. When the manager asked for Florida's emblem, the Millers realized the new school had none.

Austin Miller said the name 'Alligators' occurred to him as a suitable emblem, both because the Michie manager said no other school had adopted it and because the alligator was native to this state. 'I had no idea it would stick, or even be popular with the student body,' Miller said. 'We wanted to get the Michie firm started on the pennants as quickly as possible, though, so they would be available in time for the opening of the 1908 school term.'

The Michie manager complicated the christening when he told young Miller he'd never seen an alligator and didn't believe he could design one. The law student volunteered to find a suitable picture of a 'gator. After much search, he said, he located a picture of one in the library of the University of Virginia.

The first appearance of the alligator emblem, Miller recalled was in his father's Gainesville store in 1908. The Michie firm had supplied Millers' with the blue banner measuring six by three feet, showing a large orange alligator, and also with several different types of smaller banners and pennants. Some of them showed the alligator lying down, some rampant, while others included only the alligator's head.

Kynes, Florida's first All-SEC offensive lineman and captain of the 1949 team, was the last Gator football player to play every minute in a game, something he accomplished several times during his career including in his final game against Alabama. He went on to become the youngest Attorney General in the state of Florida's history at age 37 and was a business and civic leader in Tampa until his death of cancer at age 60 on October 13, 1988.

Close friends Tom MacDonald and George Levy originated the Kynes Award in 1986. The first recipient was offensive tackle David Williams.

# WALK-ONS

*The UF Walk-on Program provides an opportunity to compete and a chance to fulfill a dream. Many Gator walk-ons have overcome the odds to go on to distinguished careers*

For years the University of Florida football program has encouraged and fostered a walk-on program that gives many young men every year the opportunity to live their dream of playing major college football.

As these two pages show, the walk-ons have contributed greatly to the success of the Gator football program. Twenty-six members of the 1991 Southeastern Conference championship team were walk-ons. The walk-ons are treated in the same first-class manner with total respect as the rest of the squad.

Many former walk-ons have eventually earned scholarships, earned starting positions, gained All-SEC and All-America honors, and even eventually played pro football. None of those players would have lived their dream and reached their potential if the University of Florida hadn't extended the opportunity they were seeking. Their eventual

success has become a cherished part of the Gator football tradition and heritage.

The Gator walk-on program has indeed proved successful and beneficial to both the individual student-athletes and to the University of Florida football program. That is soundly demonstrated by the following facts:

- Nine former Gator walk-ons have gone on to play pro football: DB Hagood Clarke, DB Allen Trammell, DB Bruce Vaughan, LB James Harrell, WR Lee McGriff, PK John James, PK David Posey, QB Kerwin Bell and DB Louis Oliver.
- Former walk-on Louis Oliver was selected in the first round of the 1989 NFL Draft by Miami.
- Former walk-on John James went on to earn All-Pro honors as a punter in the NFL.
- Former walk-on Kerwin Bell earned "SEC Player of the Year" honors in 1984 and completed his career in 1987 as the greatest statistical passer in SEC history.

QB Kerwin Bell was told by major college coaches that he didn't have the skills to compete at that level. He felt they were wrong and wanted a chance to prove it. He decided to walk-on at Florida in 1983. A year later in 1984 as a non-scholarship player he became a starter and was named "SEC Player of the Year". By the time he completed his career in 1987 he was the SEC's all-time leading passer with over 7,500 yards. He is one of nine former UF walk-ons who have gone on to play pro football.

DB Louis Oliver, had scholarship offers at some small colleges, but he had a dream of playing major college football. He came to Florida as a walk-on in 1984, earned a scholarship in 1985, became a starter in 1986, and then was named a first-team All-America in 1987 and 1988. He was one of three finalists for the Thorpe Defensive Back of the Year Award in 1988 and was a first-round selection in the 1989 NFL Draft.

- Former walk-on DB Louis Oliver earned first-team All-America honors in 1987 and 1988.
- When Bobby Raymond completed his career in 1984 the former walk-on's name appeared in the NCAA place-kicking records in five separate categories.
- Walk-on WR Gary Rolle was named Academic All-America and winner of the National Football Foundation Scholar-Athlete Award in 1984.
- Thirty-nine (39) Gator walk-ons have earned Academic All-SEC honors.
- Former walk-on Kerwin Bell became a prominent Heisman Trophy candidate in 1987.
- Former walk-on Louis Oliver was one of three finalists for the Thorpe Defensive Back of the Year Award in 1988.
- Former Walk-on Judd Davis was named the '93 recipient of the Lou Groza National Place-Kicker of the Year. He was also named a first-team All-America that season and completed his UF career in 1994 with 225 points, the top total in school history.
- Former walk-on Chris Doering completed his Gator career in 1995 with 31 career TD catches, the top total in SEC and UF history. Doering was named second-team All-America, as well as first-team All-SEC in 1995, after grabbing 17 TD receptions, the best seasonal mark in SEC and UF history.
- The 1985 Gator team that finished 9-1-1 and fifth in the final national rankings had 18 prominent players that originally joined the program as walk-ons.
- Six former Gator walk-ons – WR Lee McGriff, WR Chris Doering, DE Preston Kendrick, PK David Posey, QB Kerwin Bell, and DB Louis Oliver – have gone on to earn first-team All-SEC honors.

The facts above clearly point out that the walk-on program is an integral and valued aspect of the Gator football team. It has provided an opportunity for countless young men to prove that the evaluation and recruiting process is far from flawless. It allows a young man to mature physically, improve his football skills, and contribute to the success of University of Florida football.

*Walk-on Judd Davis (below) was the 1993 recipient of the "Lou Groza National Place-Kicker of the Year Award." He was also a first-team UPI All-America selection that season. He completed his career in 1994 with 225 points, the top total in UF history.*

*Former walk-on Chris Doering completed his brilliant career in 1995 with 31 TD catches, the most in SEC and UF history. His 17 TDs in 1995 also set the SEC and UF seasonal record.*

*ILB Pat Moorhead (above), had several scholarship offers, but he had a dream of playing in the SEC. He joined the UF program as a walk-on in August of 1986. Three months later he had earned a starting position, the first true freshman to start a game for the Gator defense since 1981. He was awarded a scholarship in January of 1987. He led the nationally ranked Gator defense in tackles in 1988 and 1989.*

# FLORIDA NOTES ON THE FIRST ROUND OF THE NFL DRAFT

- Twenty-four Gator players have been selected in the opening round of the NFL Draft. Here is a breakdown of those selections by position: Running backs (8), Quarterbacks (2), Wide Receivers (2), Offensive Linemen (2), Defensive Linemen (5), Linebackers (3), Defensive Backs (2).
- Florida had at least one player selected in the first-round of the NFL Draft in each of the 1983-91 drafts, the only school in the nation to achieve that distinction over that nine-year period of time.
- Florida's streak of nine consecutive years (1983-91) in which it had at least one player selected in first-round of the draft is the longest consecutive streak for any school in the nation since the NFL Draft began in 1936.

*The University of Florida is the only school to ever be represented in the first round of the regular NFL Draft for nine consecutive years since the NFL began its draft in 1936. The Gators achieved that distinction with 15 first-round selections over the nine NFL drafts from 1983-91.*

- Florida had 13 of its players selected in the first-round of the NFL Draft from 1983-91, the top total in the nation for a school over the course of those nine drafts.
- Florida also led the nation with the most first-round selections in the eight year period 1984-91 (12), and the most in the seven year period 1985-91 (11).
- Since the NFL Draft began in 1936 a Florida player has been selected in the first round 24 times covering 19 separate years, the sixth most number of years for a top pick by a school in the nation.
- Florida was the only school in the nation to have three players selected in the first-round of the 1989 draft.
- Florida (1989), Pitt (1983), Southern Cal (1983), Wisconsin (1985), Iowa (1986), and Miami (1987) were the only schools to have had three players selected in the first-round of a draft during the decade of the 1980's.
- When Neal Anderson (Chicago) and John L. Williams (Seattle) were selected in the opening round of the 1986 NFL Draft, it represented the only time during the decade of the 1980's, and the first time since 1970, that two running backs from the same collegiate team were both selected in the first-round of the draft.

■ In the 1995 NFL Draft DE Kevin Carter and DT Ellis Johnson were both selected in the opening round, only the second time in the NFL Draft since 1967 that one school had two defensive linemen selected in the first-round of the NFL Draft in the same year.

# BOWL HISTORY

Florida's first bowl trip came after the 1952 season as the Gators headed to the Gator Bowl in Jacksonville to face Tulsa on January 1, 1953.

Powered by the running of Rick Casares and J. (Papa) Hall the Gators edged the Golden Hurricanes, 14-13, as Tulsa senior Tom Minor missed the first PAT attempt of his career. Gator All-America tackle Charlie LaPradd was the game's defensive hero.

Quarterback Jimmy Dunn and All-SEC end Dave Hudson led Florida back to the Gator Bowl in 1958 where they lost to Mississippi, 7-3. Ray Graves' first Florida team returned to the Jacksonville classic after the 1960 season and knocked off Baylor, 13-12, behind the running of Don Goodman and quarterback Larry Libertore.

One of the biggest upsets in Gator Bowl history took place in 1962 when heavily-favored Penn State was soundly beaten by the Gators, 17-7, led by quarterback Tom Shannon and a stout defense.

In 1966 Florida fell behind Missouri, 20-0, in the Sugar Bowl and rallied for 18 points in the final quarter behind quarterback Steve Spurrier. Each Gator touchdown was followed by a two-point conversion attempt and all of them failed.

Spurrier became the first player from the losing team to be named the game's most outstanding player in the history of the Sugar Bowl. He broke six bowl records in the contest.

The Gators got back on the winning track the following year in the Orange Bowl, beating Georgia Tech, 27-12, behind Heisman Trophy winner Spurrier. It was Bobby Dodd's final game as Tech's head coach and Florida made it an unhappy night for him. Larry Smith set a bowl record for running 94 yards for a touchdown for the Gators, almost losing his pants on the way.

In Ray Graves' final game as Florida's coach he watched his young team beat SEC champion Tennessee, 14-13, in the 1969 Gator Bowl. Florida's defense was superb with a blocked punt by Steve Tanner resulting in one TD and an interception setting up the other.

In 1973, the Tangerine Bowl was played in Gainesville due to construction at the Orlando stadium site. It was

27 degrees when the game started and Miami of Ohio loved every minute of it en route to a 16-7 upset. Florida nearly pulled a major upset next season, leading Nebraska 10-0 and scoring an apparent TD on a 26-yard run by Tony Green, only to have it ruled out-of-bounds. The Huskers came back in the Sugar Bowl to win 13-10. Florida's stars were All-America linebackers Ralph Ortega and Glenn Cameron, defensive end Preston Kendrick, the game's most outstanding defensive player, and running back Green.

The Gators returned to the Gator Bowl in 1975 and were soundly beaten in the rain by Maryland, 13-0. In 1977 powerful Texas A&M routed Florida, 37-14, in the Sun Bowl.

Charley Pell's first bowl team at Florida came in 1980 and the Gators played outstanding football in the Tangerine Bowl to whip Maryland, 35-20, behind All-America wide receiver Cris Collinsworth, the game's most valuable player. All-America David Galloway was the most outstanding defensive player of the contest.

In the cold of Atlanta, Ga., in the 1981 Peach Bowl the favored Gators were stunned by West Virginia, 26-6.

On New Year's Eve of 1982, the Gators took a 17-7 halftime lead against Arkansas in the Bluebonnet Bowl before losing 28-24. Wide receiver Dwayne

Dixon was named Florida's MVP while catching three TD passes.

The 1983 squad, making its fourth consecutive bowl appearance under Pell, defeated Iowa 14-6. The win earned the Gators a No. 6 final ranking (then the best finish in UF history).

The 1984 and 1985 teams, after posting 9-1-1 seasons, were unable to participate in bowl games due to NCAA sanctions.

Florida reentered the bowl scene on Christmas Day 1987 as they faced UCLA in the Aloha Bowl in Honolulu, Hawaii. The Gators, a big underdog, suffered a tough 20-16 setback in a game that literally went down to the final play when a Kerwin Bell pass fell incomplete in the endzone. Emmitt Smith, named Florida's MVP in the bowl, completed his banner freshman season with 128 rushing yards on just 17 carries (7.5 ypc) against a UCLA squad that ranked fourth in the nation in defense against the rush in 1987.

Galen Hall captured his first bowl victory as a head coach in the 1988 All-American Bowl. Sophomore Emmitt Smith, the game's MVP, scored late in the fourth quarter to give Florida a 14-10 win over Illinois. Smith rushed for 159 yards on the night, the second top rushing total in a bowl game in UF history. OLB Huey Richardson led a fierce Gator defense that held the Illinois

to just 55 rushing yards and harassed QB Jeff George all night.

The Gators completed the decade of the 1980's with a 34-7 loss to Washington in the 1989 Freedom Bowl at Anaheim, Calif. The Freedom Bowl appearance marked the seventh bowl appearance for Florida during the decade of the 1980's, making it the most successful decade for post-season play in school history.

The 1991 team capped a banner season with an appearance in the 1992 Sugar Bowl vs. Notre Dame. Despite registering 511 yards in total offense including a record 370 yards passing by Shane Matthews, the Gators suffered a 39-28 setback to the Irish in Steve Spurrier's first bowl game as UF coach. Notre Dame scored three TDs in the last five minutes of the game after Florida had moved ahead 22-17 early in the fourth quarter. A record 34 combined points were scored in the wild fourth period.

Ernie Rhett rushed for 182 yards, the third top total in Gator Bowl history and the second best total for a Florida player in a bowl game, to highlight an impressive 27-10 win over ACC runner-up North Carolina State in the 1992 Gator Bowl. UF's defense had a fine night as it held the Wolfpack to just 13 first downs and 267 yards in total offense while Shane Matthews closed out his brilliant career leading a Gator offense that registered 26 first downs, ran 88 plays, and totaled 445 yards in total offense. Rhett was named MVP of the game.

The 1993 team closed out the winningest season (11-2 record) in school history with an impressive 41-7 win over undefeated West Virginia in the Sugar Bowl. Ernie Rhett, who rushed for 105 yards and three TDs, was named the game's MVP. Willie Jackson had nine catches (second best bowl game total in UF history) for 131 yards and a TD, while Terry Dean completed 22 of 37 passes for 255 yards and a TD to highlight an offense that generated 30 first downs and 482 total yards. The defense held a Mountaineer team that averaged 56.5 points and 404 yards a game in total offense to just seven points and 265 total net yards. The 41-7 win was UF's first Sugar Bowl victory in four appearances and represented the school's first New Year's Day bowl win since a 27-12 win over Georgia Tech on Jan. 1, 1967 in the Orange Bowl.

Florida returned to the Sugar Bowl after the 1994 season where it met state rival Florida State just a month after the two teams had battled to a 31-31 tie. Danny Wuerffel threw for a Sugar Bowl record 394 yards (28 of 39 with 1 TD

and 1 interception), but the Gators fell 23-17. UF registered 454 yards in offense (449 passing and 5 rushing) while FSU posted 401 yards (325 passing and 76 rushing) in a game that was played January 2, 1995 before a crowd of over 76,000 at the Louisiana Superdome.

The 1995 Gator squad, coming off the first perfect regular season in school history, appeared in the National Championship Game versus Nebraska in the Fiesta Bowl. The Gators started strong, holding a 10-6 lead at the end of the first quarter, thanks to a Bart Edmiston field goal and a 1-yard run by Danny Wuerffel. But the Cornhuskers were too much as they posted a 62-24 victory and captured their second consecutive national title before 79,864 fans and a national television audience. Reidel Anthony returned a kickoff 93 yards for a touchdown in the fourth quarter, the first return for a TD in Gator bowl history.

# THE UNIVERSITY

*Florida's First University Ranks Among the Nation's Elite Institutions of Higher Education*

The state's oldest, largest and most comprehensive university, Florida is among the nation's most academically diverse public universities. Florida has a long history of established programs in international education, research and service.

In 1853, the state funded East Florida Seminary took over the Kingsbury Academy in Ocala. The seminary moved to Gainesville in the 1860s and later was consolidated with the state's land-grant Florida Agricultural College, then in Lake City. In 1905, by legislative action, the college became a university and was moved to Gainesville. Classes first met with 102 students on the present site on September 26, 1906. The University of Florida opened its doors to women in 1947 and was integrated in 1958. With over 40,000 students as of fall 1996, Florida is among the largest universities in the nation.

**PROGRAMS:** Florida is a member of the Association of American Universities, the prestigious higher education organization comprised of the top 60 public and private institutions in North America. Florida offers more programs on a single campus than all but two U.S. universities. A land-grant university with a distinguished record of developing Florida agriculture through research and extension services, Florida is among the nation's 88 leading research universities as categorized by the Carnegie Commission on Higher Education. Florida has 21 colleges and schools and more than 100 research, service and education centers, bureaus and institutes. More than 100 undergraduate majors are offered. Nearly 1,000 freshmen and sophomores participate in the honors program, which offers 30-70 honors courses per semester. The size of honors courses ranges from as few as enroll for a class to a maximum of 23 students. The Graduate School coordinates almost 200 graduate programs. Professional degree programs include dentistry, law, medicine, pharmacy and veterinary medicine.

**FACULTY:** Florida has more than 4,000 distinguished faculty members with outstanding reputations for their teaching.

The Teaching Improvement Program (TIP), a nationally recognized program to enhance and reward undergraduate teaching, has provided a major emphasis on the quality of instruction at Florida. The faculty attracted approximately \$208.5 million in research and training grants in 1994-95. Some 67 percent of the grant proposals were successful and over 1,500 faculty received grants. Florida ranked third among all universities for the number of U.S. patents awarded in 1993.

Florida currently has 54 Eminent Scholar Chairs, positions funded at more than \$1 million each to attract nationally and internationally recognized scholars. A variety of other endowed professorships help attract prominent faculty. The collections reflect the riches found in the university's academic programs and are grouped into broad disciplines, topics, formats and special collections. The University Libraries comprise the George A. Smathers Libraries - seven separate and specialized libraries located throughout the campus - and the independent Health Science Center Library and Legal Information Center. # DR. JOHN LOMBARDI

*H*istorian, teacher, administrator, and author, Dr. John Lombardi, became the ninth president of the University of Florida in March 1990.

Born in Los Angeles on August 19, 1942, Lombardi comes from an education family. His mother worked as a college librarian and his father, a pioneer in the California community college movement, was president of Los Angeles City College. Lombardi earned his bachelor's degree from Pomona College and his master's and doctoral degrees from Columbia University. He also attended Universidad Nacional Autónoma de México and the University of California at Los Angeles.

Lombardi came to the University of Florida from Johns Hopkins University, where he had been provost and vice president for academic affairs since 1987. From 1967 until 1987, he pursued an academic career at Indiana University, at the Southeast campus for a year and then in the history department of the Bloomington campus, where he became a professor in 1977. Lombardi held various administrative posts at Indiana University, including director of Latin American Studies, dean of International Programs and dean of Arts and Sciences. He also served as a member of the board for Indiana University on the Mid-West Universities Consortium for International Activities (MUCIA), as director of the MUCIA Cooperative Program in Malaysia, and as the American director of a Foreign Area Fellowship Program cooperative project in Venezuela. Lombardi also taught at the Universidad Central de Venezuela.

A long-term interest in international education involved him in committees and task forces related to international studies for the Association of American Universities and the National Association of State Universities and Land Grant Colleges. A past president of the Conference on Latin American History of the American Historical Association, Lombardi serves on

the advisory board of the National Foreign Language Center. The Venezuelan Academia Nacional de la Historia elected him a corresponding member for the United States, and he serves as a member of the Pan American Institute of Geography and History. His international studies interest also led to a chairmanship of an evaluation team on international and interdisciplinary programs for the Board of Regents of the Florida State University System.

Elected a senior associate member of St. Antony's College, Oxford, Lombardi has received a variety of fellowships and grants, including a Fulbright-Hays research fellowship, a National Defense Foreign Language fellowship, and grants from Fundación Simón Bolívar and Fundación Creole in Venezuela. He has also received grants from the Social

Science Research Council, the Tinker Foundation, the Conference on Latin American History, and MUCIA.

A specialist in Latin American history, Lombardi is the author of seven books focused mostly on Venezuela. His wife, Cathryn Lee Lombardi, co-authored one of his books and illustrated two others. Lombardi has contributed many scholarly articles, papers, reviews, and teaching materials to journals and conferences. In addition to history, he has taught courses in international business and participated in several executive programs as an instructor or lecturer. Considered an expert on small computers, Lombardi has served on many committees and task forces related to computer use, literacy, and product evaluation. He has reviewed software and hardware for numerous computer publications. For about two years, Lombardi and a friend were persuaded by their enthusiasm for automobiles to operate Farmer's Garage in Indiana, a specialty shop for older model cars.

John and Cathryn Lombardi have two children, John and Maryann. John graduated from Indiana University and recently received a master's degree in political science from the University of Florida. Maryann is a graduate of the University of Michigan.

# JEREMY N. FOLEY

**Jeremy N. Foley**  
*Director of Athletics*

an approach to the top athletic post at the University of Florida. Foley's philosophy involves the continued building of a comprehensive athletic program, with the goal of having the overall UF program ranked as the top athletic program in the nation.

Says Foley, who had served as UF's Senior Associate Athletic Director since 1987, "We have an outstanding academic institution and fantastic coaches, student-athletes, administrators, facilities and fans. With hard work, patience and a commitment to excellence and integrity, we will achieve the success this University deserves."

Thanks in great part to a tireless effort by Foley, Florida has consistently ranked among the nation's 10 best total athletic programs.

As chief financial officer for the University Athletic Association (UAA), Foley helped make Gator athletics profitable, eliminating a three-quarters of a million dollar debt. He has been the driving force and directly responsible for more than \$45 million in capital improvements as well, including two major expansions of the football stadium, a multipurpose athletic fieldhouse, new tennis, track & field, soccer, baseball, golf, softball and swimming facilities. Foley also played a role in the new \$4.1 million academic advising center on the University of Florida campus which serves UF students and Gator student-athletes.

Also, in an era when the NCAA estimates 70 percent of Division I schools are losing money on intercollegiate athletics, the University of Florida Athletic Association has contributed over \$10.5 million since 1988 to help fund University of Florida academic endeavors.

Florida has been equally successful on the field of play and in the classroom during Foley's administrative tenure.

The Florida athletic program has ranked among the nation's top 10 for 13 straight years (1983-84, 95-96) and among the top five for seven consecutive years, according to national all-sport rankings.

On the national level in 1995-96, UF had another stellar year, as 10 teams finished among the nation's top 10 in their respective

sports. The women's tennis team won the school's 11th national title in the spring to high light Florida's third place finish, best in school history in the National All-Sports Rankings conducted by the National Association of Collegiate Directors of Athletics.

In Southeastern Conference action, Florida won a league-high five championships in 1995-96, raising the total to 81 league titles since 1980, the top total in the SEC over that time span. For an unprecedented third time UF swept all three SEC All-Sports Titles, capturing the 1995-96 overall title, as well as finishing first in the men's and women's competition. Prior to 1992, no school in SEC history had ever won both the men's and women's titles in the same academic year. Florida has now pulled it off in 1992, 93 and 96.

UF's commitment in the classroom is equally impressive. The Gators had 75 student-athletes honored for being named to the Southeastern Conference's Academic Honor Roll in 1995-96. It was the eighth consecutive year more than 50 UF student-athletes were honored for academic achievement. In addition, Florida's 289 Academic All-SEC honorees over the last four years is the best four-year total in UF and SEC history. Since 1980, Florida's had 727 student-athletes named to the SEC's Academic Honor Roll, the highest total for any SEC school over that span as well.

The Gator athletic coaching family, which Foley had a large part in assembling, has collected 10 SEC Coach-of-the-Year over the last five years.

Gator student-athletes, coaches and administrators have also been a fixture in the community, taking part in a variety of community-related endeavors. In fact, Florida was honored with a White House commendation for volunteerism in 1994.

Foley's reputation as one of the nation's top athletic directors was further enhanced in August of 1994, as he was named to the NCAA Council - arguably the most powerful and prestigious committee within the NCAA.

Born in Washington, D.C., but calls New London, NH, home, Foley received his undergraduate degree in 1974 from Hobart College in Geneva, N.Y., where he also coached and scouted for the tradition-rich lacrosse program following graduation. He went on to earn his Master's Degree in Sports Administration from Ohio University in 1976 and then joined the Gator athletic program as an intern in the ticket office.

There is a continuing line of leadership in the Foley family, as his younger brother, James, commanded troops during Desert Storm and won two silver stars. In Foley's UAA office, an orange Gator sweatshirt which was worn by his brother at the battle of the Kuwait International Airport, is encased in glass.

An avid sports and Boston Red Sox fan, Foley ran the Boston Marathon in a 3:59:51 clip in April of 1995.

He married the former Molly McCaughy in October of 1990.

# THE OFFICE OF

*In each of the last eight years, Florida has had more than 50 student-athletes named to the Southeastern Conference's Academic Honor Roll and since 1980-81, the University of Florida has had 727 Academic All-SEC selections, the most in the SEC and a credit to OSL's commitment to academic excellence.*

## OFFICE OF STUDENT LIFE PROGRAMS & SERVICES

- Orientation & Assessment
- Academic Advisement
- Tutorial Services
- Personal Counseling and Referral
- Study Skills
- Career Exploration and Development
- Personal Development
- Life Management Skills

Recognizing student-athletes face unique pressures, the University of Florida Athletic Department instituted The Office of Student Life in 1979.

This award-winning program of personalized, professional guidance in numerous areas on a day-to-day basis has become a leader in student-athlete services, while also demonstrating UF's commitment to the "total development" of its student-athletes.

The commitment has paid some impressive dividends:

- Over the last four years, Florida has had 289 selections to the Southeastern Conference's Academic Honor Roll – the best four-year total in UF and SEC history. In each of the last eight years, Florida has had at least 50 student-athletes receive conference academic accolades and since 1980-81 727 Gator student-athletes have been named Academic All-SEC.
- The Gator football team set a school and SEC single-season record with 19 players named to the SEC's Academic Honor Roll in 1994. Since 1991, UF has had 88 Academic All-

SEC selections, the best five-year total in UF history.

- Over the last five years, the University of Florida is the only school in the nation to rank in the Top 10 of the final Associated Press Poll, while also being a member of the Association of American Universities – the most prestigious organization of higher education in North America.
- The University of Florida was one of 16 schools nationally recognized for a football graduation rate of 70 percent or better, according to the College Football Association survey which was released in April of 1992. Thirteen of 16 Gator freshmen – 81 percent – who enrolled for the 1986-87 academic year received their degrees within five years.
- Florida has had some of the nation's most honored scholar-athletes the past few years. In 1991, DT Brad Culpepper was the recipient of the Draddy Scholarship Trophy, presented annually by the National Football Foundation and College Hall of Fame to the nation's top scholar-athlete. Center David Swain was one of only nine national recipients of the Honda Scholar-Athlete Award in 1992. In 1993 Michael Gilmore was a first-team Academic All-American and was the state of Florida's lone national finalist for the Rhodes

Scholar program. In 1994, Gilmore and Terry Dean were named first-team Academic All-America and Gilmore was a recipient of the Scholar-Athlete Award from the National Football Foundation and College Hall of Fame. In 1995, Danny Wuerffel was named the GTE Academic All-American of the Year as well as being selected first-team Academic All-America and was to the CFA Scholar.

Achieving this type of success begins early. From aiding the transition from high school to college as a freshman, to choosing a major as a sophomore, through the career advisement period as a junior, until actual career job placement as a senior, the Office of Student Life is dedicated to the personal growth and academic development of the student-athlete.

Says Associate Athletic Director for Academic Affairs Dr. Keith Canodine: "We feel it is necessary to develop programs and services for our student-athletes which will help them move from a state of dependence to independence and finally to the highest form of maturity, interdependence."

*Gator Great and current NFL All-Star Emmitt Smith received his diploma this past May.*

# STUDENT LIFE

## NCAA SELECTS FLORIDA AS PILOT PROGRAM

The University of Florida's Office of Student Life has been selected as one of 50 programs in the country to participate in the NCAA Life Skills Program. The mission of the NCAA Life Skills program is to provide a systematic personal development program designed to reach each student-athlete based on his or her individual needs. The focus of the program is on the individual as a whole person academically, athletically and emotionally – and on the changing needs and skills of that individual in the years during college and after graduation.

In addition to being selected to the NCAA Life Skills Program, UF's OSL program was also awarded Honorable Mention accolades by Athletic Management Magazine for its achievement in the area of student-athletes services.

## ACADEMIC ACHIEVEMENT CENTER

**B**en Hill Griffin Stadium at Florida Field—the site of the largest football crowd (collegiate or professional) in state of Florida history (85,711 - Nov. 25, 1995 vs. Florida State)—has moved into the national spotlight in recent years as one of collegiate football's best stadiums, from a player and fan standpoint.

The 1996 season marks the 67th year that Florida Field is the home of the Gators. Prior to the 1989 season, Florida Field took on the expanded name of Ben Hill Griffin Stadium at Florida Field in honor of Ben Hill Griffin, Jr., a life-long Gator supporter and fan who had been extremely benevolent and generous to several sectors at the University of Florida prior to his passing in March of 1990. Florida Field was originally dedicated on Nov. 8, 1930 when Florida met Alabama. Over the years, Florida Field has become a standing remembrance to all Floridians who have died in military service to our nation.

With the crowning jewel of Florida Field—the north endzone expansion project—completed just prior to the 1991 season, capacity now stands at 85,000, making Florida Field one of the eight largest on campus stadiums in the nation. With the addition of the 10,000 seats in 1991, Florida Field has been the site of the 20 largest crowds (collegiate, professional, bowl and Super Bowl games) in state of Florida history.

The addition, which transformed Florida Field from a horseshoe to a bowl, cost \$17 million and involved no state funding. The structure added 18 skyboxes to the stadium, which now has 46 skyboxes. Also, the structure has 2,000 club-level seats, 1,300 covered chairback seats, 5,000 upper-level chairbacks, concession stands and a gift shop. The structure is also home to Gator Boosters, Inc., which funds men's and women's athletic scholarships and capital improvement projects.

In August of 1982, the south endzone project was completed and raised the seating

capacity of Ben Hill Griffin Stadium at Florida Field to more than 72,000 and gave the Gator football program one of the nation's top collegiate stadiums. Since that time, Florida has ranked in the top 15 nationally in attendance for 14 consecutive years.

The 18,000 seats with the 1982 expansion and the addition of a complete athletic training center located beneath the stands in the south endzone were all part of a master plan to develop athletic facilities at Florida that are second to none. The Ben Hill Griffin, Jr., Athletic Training Center, the luxury skyboxes and a spacious and highly-functional press box combined to make Florida Field the premier stadium in the state of Florida.

The original stadium, constructed in 1930, consisted of the lower half of the current stadium. Seating capacity was 21,749. The entire stadium was constructed below ground. In 1950, over 11,000 seats were added on the west side and another 7,000 were provided by bleachers on the east side. The additions brought seating capacity to 40,116. Additional bleacher seats were added during the 1950s, bringing capacity to 46,164 by 1960. In December of 1965, construction started again on further additions that added over 10,000 permanent seats on the east side and temporary bleachers moved from the east side to the south endzone, providing a total capacity of 62,800 (56,164 permanent seats). The south endzone expansion in '82 enclosed the south end of the stadium, and brought the capacity to 72,000. The north endzone transformed the horseshoe into a bowl and raised capacity to 85,000.

Also new for the 1990 season was the all-natural grass playing surface which was installed during the summer, shortly after the arrival of head football coach Steve Spurrier. The natural grass surface replaced an artificial surface which had been in place since 1971. Additionally, Spurrier has logged Florida Field "The Swamp", as the Gator mentor enters the 1996 season 35-2 at home over his six years at the helm.

### 1995-96 NATIONAL ALL-SPORTS RANKING

The Directors Cup program, conducted by the National Association of Collegiate Directors of Athletics and sponsored by Sears, recognizes the schools with the best overall sports performance in an academic year. Points are awarded based on finishes in 22 NCAA Division I sports, based on participation. A national championship earns 64 points, second place gets 63, etc. Of note is the fact the University of Florida only sponsors 17 sports which can receive points in the Directors Cup.

Rank	School	Points
1.	Stanford	961.5
2.	UCLA	856.0
3.	FLORIDA	751.5
4.	Texas	700.0
5.	Michigan	689.0
6.	North Carolina	673.5
7.	Ivy League	629.5
8.	Penn State	625.0
9.	Nebraska	625.0
10.	Southern Cal	596.5

■ The overall University of Florida athletic program ranked third best in the nation for 1995-96, according to the National Association of Collegiate Directors of Athletics (NACDA) all-sports rankings. Florida has now ranked among the nation's top 10 for 13 straight years and among the top five for seven consecutive years.

■ Florida and UCLA are the only schools in the nation to finish in the top 10 in national all-sports rankings every year since 1983-84. UF, UCLA and Stanford are the only schools to rank in the top five in each of the last seven years.

■ The Gators captured five Southeastern Conference Championships in 1995-96 (football, volleyball, baseball, women's tennis, women's swimming & diving) and for an unprecedented third time Florida completed a sweep of all three SEC All-Sports titles, capturing the 1993-96 overall title as well as finishing first in the men's and women's all-sports competition. Prior to 1992, no school in SEC history had ever won both the men's and the women's all-sports titles in the same academic year. Florida became the first in 1992, repeated the feat in 1993 and now accomplished it again in 1996. The 1995-96 academic year marked the eighth time in the past nine years that the Florida athletic program has captured the SEC combined all-sports title.

■ In 1995-96, 10 Gator teams finished among the top 10 nationally in their respective sport.

■ According to an annual survey of the nation's Division I Athletic Directors, Florida's men's athletic program was selected as the nation's best for 1994, while the women's program ranked ninth in the country. UF was one of only five schools in the nation to rank in the top 10 for both the men's and women's program.

■ UF has claimed 81 SEC crowns since 1980 - the top league total during that span.

■ Florida's women's athletic program has ranked among the nation's 10 finest every year since 1984, while the men's program

has ranked in the top 10 of the national all-sports rankings nine times since 1984.

- Florida accomplished a feat unmatched in intercollegiate athletic history in 1993-94. Never before has one school in one academic year accomplished all of the following: had its men's basketball team advance to the NCAA's Final Four, had its women's volleyball team advance to the NCAA's Final Four, had its football team finish the year in the top five in the final Associated Press Poll, had its women's basketball team invited to the NCAA Tournament, had its baseball team invited to the NCAA Tournament.
- In 1993-94, Florida had the only men's program in the nation to have its football team ranked among the country's five best in the final polls, its basketball team advance to the NCAA Tournament's Final Four and its baseball team earn a berth in NCAA Tournament play.
- In 1993-94, Florida had the only women's program in the nation to have its volleyball team appear in the NCAA Tournament's Final Four, its basketball team advance to NCAA Tournament action and its gymnastics team advance to the Super Six at the NCAA Championships.
- Florida won an SEC single-season record eight conference crowns in 1991-92.
- In 1987-88, Florida was the only Division IA school in the nation to send its football team to a bowl game, its men's basketball team to the NCAA Tournament and its baseball team to the College World Series.
- Since 1980, Florida teams have combined to ranked in the final top 10 in their respective sport a total of 126 times. Fifty-four times since 1980, Gator teams have finished among the top three teams in the nation.
- The Florida athletic program has claimed at least one national team title in 10 of the past 15 years. Since 1980, UF has claimed 16 national team titles.
- The Florida women's program has claimed 96 individual NCAA champions, the second-most for a women's collegiate athletic program.
- Since 1968, (not including Atlanta in 1996) 75 Gator student-athletes have represented 14 countries in six Olympic Games, while staking claim to 49 medals - including 25 golds. Twenty-five Gators and one UF coach represented six countries in Barcelona, Spain in the 1992 Summer Olympics. Those 25 won 13 medals, including eight golds.

## 1995-96 ACADEMIC ACHIEVEMENTS

- In 1995-96, Florida had a total of 73 Southeastern Conference Academic Honor Roll selections - the second top total in school history.
- The Gator's men's program had 38 Academic Honor Roll selections in 1995-96, the second best single-year total in UF history. The Florida's men's program now has 369 Academic Honor Roll selections since 1980-81, the second top total in the SEC over that span. With its 35 Academic Honor Roll selections in 1995-96, the UF women's program now has 358 Honor Roll honors since 1980-81, the second best total in the conference during that span.
- Florida has now had 727 SEC Academic Honor Roll selections overall since 1980, the top total in conference during that span.
- Eleven Gator student-athletes earned selection to regional or national academic teams in 1995-96.

## THE GATOR FOOTBALL RADIO NETWORK

The 1996 Gator Football Radio Network is the largest sports network in the Sunshine State with just under 60 stations from the Panhandle to the Florida Keys broadcasting the complete University of Florida football schedule.

Gator football broadcasts blanket the state on Saturdays with many of the same stations also carrying "Gator Hotline with Steve Spurrier" on Thursday nights and the daily "Gator Football Report," the most extensive college football radio coverage offered in Florida.

Florida-based Paxson Networks, Inc., is the rights holder of the Gator Radio Network, with all-sports radio WNZS-AM (AM-950) in Jacksonville serving as the flagship station.

## THE BROADCAST TEAM:

Mick Hubert and "Oh My!" have become synonymous with Gator Radio Broadcasts for the past seven years. Gator fans have grown attached to Mick's energetic and colorful style as the "Voice of the Gators." The St. Anne, Illinois, native graduated from Illinois State University in 1976 and has served as play-by-play broadcaster for Bradley University and the University of Dayton. Mick is also host of "Gator Hotline" and "The Gator Football Report."

Former Florida stand-out running back James Jones, an 11-year NFL veteran, is set for his third season as color analyst. James, a native of Pompano Beach, was an All-SEC first team choice in 1981 and 1982 and was an NFL first-round pick in 1983 by the Detroit Lions.

Steve Babik, who enters his tenth year at UF, has served as Network Coordinator the past eight seasons. On game days, Babik reports from the sidelines, is part of the "Tail-Gator" show and hosts the "Steve Spurrier Post-Game Show." The 1982 Penn State grad is a native of Shillington, Ohio.

Tom Morgan, Sports Director at the Florida Radio Network, hosts the "College Football Report" while the game broadcasts are produced at site by Steve Woodard and back at FRN by Steve Egan.

## GAME BROADCAST:

All games on the network begin with the new "Tail-Gator" show, 90 minutes prior to kick-off. The one hour show will originate live outside the stadium for home games and will include fan participation. "Countdown to Kick-off," is the final 30 minutes of the pre-game show and will feature the pre-game comments of Steve Spurrier.

Following each game is the "Gator Locker Room Show," which features player comments, scoring highlights and the "Steve Spurrier Post-Game Show."

## GATOR HOTLINE WITH STEVE SPURRIER:

This very popular state-wide show airs from 7:00-8:00 p.m., ET on Thursdays during football season. The show provides fans a chance to talk Gator football with Steve Spurrier by calling toll free, 1-800-4GATOR9 (1-42-8679).

## THE GATOR FOOTBALL REPORT:

This is a daily (Monday through Friday) four-minute program update that airs throughout the state during the season and features comments from Gator players and coaches.

## TEAMLINE:

All Gator football broadcasts will be available to fans outside the state via TEAMLINE, an 800-telephone service. Call 1-800-846-4700, Ext. 5783, and the call will be charged to your VISA or MasterCard. The charge for listening to a three-hour game broadcast is under \$40.00. # Dear Prospective Student-Athlete

*A*s the coach at the University of Florida, I want to congratulate you on being considered for a football scholarship at the most prestigious state university in the Southeast. We are very proud of the high academic ranking of our school and the very high value of a degree from our institution.

Our coaching staff wishes you a most successful senior year, not only on the football field, but also in the classroom and in other extracurricular activities. Your senior year in high school is one of the most important and fun years of your life. I suggest you enjoy it to the fullest with your teammates and classmates. You'll remember your senior year for the rest of your life. There will be plenty of time to check out the schools of your choice after your high school season is over.

When making one of the most important decisions of your life, which school to attend, I ask you to consider these questions: What university offers the most academically, athletically and socially?

The University of Florida is the second-ranked academic school in the Southeastern Conference. Vanderbilt, a private school in Nashville, Tennessee, is first. We are the highest-ranked academic state university in the Southeast.

Our goal as coaches is to establish at least a 70 percent graduation rate for our players. In a College Football Association (CFA) graduation study released in April 1992, Florida was one of 16 schools in the nation above a 70 percent graduation rate. The Gators graduated 81 percent of their players during this period.

Florida and Penn State were the only two schools in the nation in 1991-92 to have their programs cited in the 1992 CFA graduation study, have their universities included in the prestigious American Association of Universities - the most prominent organization a university can belong to in higher education - and have its football teams finish in the Top Ten in the final 1991 polls.

The University of Florida prides itself on being one of the very few schools in the nation that combines "The Best of Both Worlds," high ranking and achievement in both academics and athletics. The fact that the University of Florida is the only member school of the Association of American Universities - the highest ranking a school can achieve for its academic status and achievement, to have seen its football team ranked in the Top Ten in the final AP Poll in each of the last five seasons is a superb statement about this institution's commitment to combined academic and athletic excellence. In that regard, this is indeed a unique institution of higher education. A recent study published in the NCAA News named Florida, Stanford, Southern Cal, Penn State, Texas and UCLA as the six premier schools in the nation for combining academic quality and athletic success.

The Gators have won the coveted SEC title four times in the past five years, played in the 1995 National Championship, are one of only two teams in the nation to finish each of the past five seasons ranked in the final AP Top Ten Poll and its 61 total wins since 1990 ranks as the third top total in the nation. In ten of the last 14 years we have had a first-round pick and our 15 total first-round NFL picks from 1983-95 ranked first in the nation.

Socially, our university has a healthy atmosphere where students from many different backgrounds enjoy fellowship together. Whatever a student is looking for in a university or in its location can be found here in Gainesville, Florida, rated the nation's most livable city in a 1995 national ranking.

Have a successful, healthy and fun high school senior year and hopefully for all of us, you'll choose to be a Gator.

Sincerely,

STEVE SPURRIER  
Head Football Coach

**“We** encourage young student-athletes to join us at the University of Florida where we take great pride in the academic and athletic success of our students. Student-athletes at the University of Florida enjoy the benefits of superb facilities, but more importantly, they join programs headed by exceptional coaches. Head football coach Steve Spurrier, like all of us at Florida, has committed himself to develop a first-class football program that reflects the quality and pride of players, and that inspires the respect, admiration and pride of faculty, students, alumni and friends of the university.”

— DR. JOHN LOMBARDI  
PRESIDENT

**“It** is the goal of this athletics program to become the nation's premier program. Our genuine commitment to excellence in academics, athletics, facilities, health care, student life, academic support and fan support is the foundation for this goal. This is an outstanding institution that has everything you as a student-athlete could possibly want or need to further your academic and athletic goals. We are second to no one in terms of quality faculty and coaches whose commitment to excellence will match yours. The “Florida Experience” will be one you never forget and will set the standard for the remainder of your life.”

— JEREMY FOLEY  
DIRECTOR OF ATHLETICS

**“We** are seeking players who want to combine the best in athletics and academics. Florida football is a positive experience, playing in a sold-out Ben Hill Griffin Stadium in front of over 84,500 fans each week and competing for a championship at the highest level in the nation's best conference, the SEC, and playing on network TV over 75 percent of the time. Combine all of that with a degree from the University of Florida, the highest-ranked state university in the south, and you can achieve the ultimate college experience for a student-athlete.”

— JIM COLLINS  
RECRUITING COORDINATOR

# THE BEST OF

*UF Ranks Among the Nation's Elite for  
Combining Academic and Athletic Achievement.*

The facts show that the University of Florida is indeed one of the few schools in the nation that ranks among the elite in both academic and athletic achievement. A lot of schools talk about academic and athletic excellence, but upon close examination, however, there are just a handful of schools in the entire nation that rank among the elite for successful attainment and achievement in both academics and athletics. Count the University of Florida among that elite group.

A 1994 study by the American Council of Education ranked the University of Florida among the nation's five premier institutions for combined academic and athletic achievement. Florida was joined in this group by UCLA, Michigan, Texas and Stanford.

**"It's a true honor to play at a place like the University of Florida because it has achieved so much in athletics and academics. It means a great deal to know that you are representing an institution that ranks among the elite for combining academic and athletic achievement in such an impressive manner."**

*UCLA, Texas, Stanford, Penn State and Southern Cal.*

*Florida was one of only four schools (UCLA, Texas and Stanford were the others) to appear in each of these two national rankings.*

A study published in the NCAA News in June 1992 named Florida one of the top six schools in the nation as having the best mix of academic quality and athletic success. UF joined UCLA, Texas, Stanford, Penn State and Southern Cal in this ranking which examined academic and athletic rankings over a 10 year period from 1982-1991.

Of the more than 1,300 universities and colleges in the nation, only 60 have been admitted to the Association of American Universities — the most prestigious organization in higher education. Only five percent of all institutions of higher education belong to this esteemed organization. Count the University of Florida among that contingent. Since 1984, there have been only two schools in the nation that have seen their overall athletic program ranked among the nation's 10 finest in each of the past 12 years. Count the University of Florida among that select group of two as well.

The University of Florida is the only school in the nation that is a member of the Association of American Universities, had its football team ranked in the 1995 final AP Top Ten Poll, and had its overall athletic program ranked among the five best in 1995 national all-sports rankings.

In short, the facts clearly demonstrate that the University of Florida ranks among the nation's elite schools when it comes to proven achievement in both academics and athletics.

**"In deciding which university to attend, my last step was to eliminate football and choose a school that was academically right for me and had the strongest reputation. When I did that, Florida was clearly the superior choice. The facts solidly show that Florida is rated among the elite schools for academic reputation and athletic reputation. When you combine both, you clearly have a winner. To be a student-athlete at Florida is a true honor because of its status of achievement in academics and athletics."**

# FACILITIES

*Modern and Convenient Facilities Rate  
Among the Very Finest in the Nation*

From beautiful Florida Field, to the locker rooms, weight and conditioning area, training and physical therapy complex, squad meeting rooms, practice area, dining and living areas and the coaches offices, convenience and quality was paramount when the University of Florida made a commitment in the 1980's to put together one of the most impressive athletic facility complexes in the country. Because everything that was built was designed with the student-athlete in mind, Florida's complex not only rates as one of the premier units in the nation, but it also rates among the most efficient and well-conceived in the country as well. All one has to do is listen to Florida student-athletes talk about the facilities to quickly appreciate how highly they are regarded.

# SUPERLATIVE

*Florida Clearly Stands with the Nation's Elite  
in Fan Interest and Support*

Florida football is more than a sport. For hundreds of thousands of fans in the sunshine state it is an obsession. Their enthusiasm and loyalty, which they demonstrate time-and-time again, has elevated Florida football to a level where it unquestionably ranks as the most supported team in the state and indeed, among the most supported in all of college football. That support and interest still continues to grow and led to a 10,000 seat expansion of Ben Hill Griffin Stadium in 1991 which raised capacity to over 114,000 and elevated the Gator program to the highest echelon of support in the nation.

The following facts clearly demonstrate the premier level of support that Florida football receives.

- In 1995 Florida played before average home crowds of over 85,100, a mark that ranked fifth in the nation.
- In each of the last five seasons, Florida has ranked among the nation's top five schools in average home attendance.
- Over the last 14 years Florida has ranked among the top 10 percent of all teams in the nation in attendance.
- In 1986 Florida became the first organization in Sunshine State history, collegiate or professional, to sell every ticket to every home game prior to the start of the season. That achievement has been matched by Gator fans several times since.

**"The interest and support is truly impressive. I can't imagine it being any better anywhere else. You come to realize that the Gators really are the state of Florida's team."**

**TRACE ARMSTRONG**  
(1989 NFL first-round  
draft selection)

- From 1985-90 Florida sold 100% of all available season tickets (62,000) prior to the start of the season. That type of demand led to the decision to add 10,000 additional seats in 1991 increasing the number of available season tickets to over 70,500. Once again, demand has exhausted that supply in each of the last five years. In short, all available season tickets have been sold each of the past 11 seasons.
- The Gators have played before home crowds of more than 80,000 in each of the past 31 home games. During that

- UF has participated in each of the 20 largest all-time top attendance games in state history (regular season college and pro games, bowl games, pro playoff and Super Bowl games).
- Florida sells over 70,000 season tickets, more than any other collegiate or professional sports team in the state of Florida.
- Gator Boosters, Inc., an organization formed to promote academic athletic interest by funding scholarships for all UF student-athletes and assisting with the improving and enhancing of athletic facilities, numbers over 12,000 members and provides more than \$8 million annually in support of its missions.

# THE SEC

## *Many Factors Combine to Make the Southeastern Conference America's Premier League*

The tradition and success of the Southeastern Conference runs long and deep. Established in 1933, it has rightfully achieved a distinction for national respect that places it right at the very top of college football. Twelve national championship teams, 273 combined bowl appearances and six Heisman Trophy winners are but a few of the outstanding achievements that the SEC has jointly achieved over the course of 62 years.

One thing that really stands out about the SEC, in comparison to many of the nation's conferences is that interest, support, attention, national media profile, and intensity are still growing. A review of the past few years shows just how dominant the SEC has become in terms of these categories:

- During the decade of the 1980's, no conference posted a better non-conference record (358-164-17 for a .690%), played in more bowl games (56 total bowl appearances), won more post-season bowl games (31), appeared in more final Associated Press Top Twenty (36), Top Ten (22) or Top Five polls (11), had more Heisman Trophy winners (2), and had more teams in the top 10 in final attendance figures (40) than the Southeastern Conference.
- Since 1985 the SEC headlines all conferences with 373 total players drafted by the NFL.

Bedded in the ground of tradition, proud of its successful past, proven in its present and excited about its promising future, the SEC heads into the second half of the 1990s with great anticipation as "The Tradition Continues."

- In each of the last 13 years the SEC has led the nation's conferences in stadium capacity percentage. In 1995, 93.6% of all conference stadium seats were filled over the course of the season. In addition, in each of the last five seasons, four of the top 10 schools in the nation in attendance were SEC schools, including Florida, which ranked fifth in the country all five seasons.

- In each of the last 15 years the SEC has led the nation in total attendance. In 1995, the SEC drew 4,897,564 total fans at its home games, a national record for a conference.
- In 12 of the last 16 seasons, no league has posted a better non-conference regular-season winning percentage than the SEC.

# TRADITION

*Impressive Team and Individual Achievement have Built a Solid Heritage with an Even Brighter Future*

Football tradition and heritage comes over time. It results from a steady flow of achievements through the years that together eventually stamp a program with an impressive list of accomplishments. As the following facts point out, the University of Florida is one of those school that has compiled an impressive list of accomplishments and achievements.

- Florida was a charter member of the prestigious Southeastern Conference when it was formed in 1933.
- UF is the only school to appear in each of the first four SEC Championship Games.
- Seven times in the last 12 years UF has finished first in the SEC standings, including five of the past six years.
- Florida, along with Alabama, is the only school in SEC history to win three consecutive outright league championships (1993, 1994, 1995).
- Florida is the only school in SEC history to win at least eight conference games in a season three straight years (1993-95).

- A Gator has finished in the top 10 of the Heisman balloting eight times.
- UF is one of only two teams in the nation to rank in the top 10 in the final AP Poll in each of the last five seasons (1991-95).
- Ninety-nine (99) Gator players have achieved All-America recognition, including 64 alone since 1980.
- Twenty-four Florida players have been selected in the first-round of the NFL Draft.
- Florida appeared in the 1995 National Championship Game vs. Nebraska in the Fiesta Bowl.

- Florida was named the 1984 National Champion by both The Sporting News and the New York Times after its 9-1-1 season.
- Twenty-three bowl game appearances.
- One-hundred nineteen (119) different players have earned first-team All-SEC honors.

- Florida has been ranked in the Associated Press Top Twenty Poll at some point in the season in 40 of the last 45 years.
- Florida has posted the best record in the tough Southeastern Conference seven times in the last 12 years (1984, '85, '90, '91, '93, '94 and '95 seasons).
- From 1983-'91 Florida had at least one player selected in the opening round of the NFL Draft, the only school to achieve that distinction during that nine-year period and the only school in the country to achieve that length of first-round success since the NFL Draft began in 1936.
- From 1983-'91 Florida had 13 players selected in the first-round of the NFL Draft, the most in the nation over that nine-year period.

*The Gators have become the king of the SEC, winning four league titles in the past five seasons and posting an impressive 44-6 SEC record over the past six years. UF is one of only two schools in SEC history to win three consecutive outright SEC titles (1993-95) and it is the only school in league history to win at least eight conference in a season three straight years.*

# AND HERITAGE

- In 1989 the University of Florida was the only school in the nation to have three players selected in the first-round of the NFL Draft.
- At least one University of Florida player has earned first-team All-America honors in 15 of the last 16 years.
- Florida's passing offense has ranked in the Top 10 nationally in each of the past six seasons.
- Ben Hill Griffin Stadium at Florida Field is the largest stadium in the state of Florida, collegiate or professional.

- At least one Florida player has participated in 16 of the 30 Super Bowls that have been played.
- When Neal Anderson (Chicago) and John L. Williams (Seattle) were selected in the opening round of the 1986 NFL Draft, it represented the only time during the decade of the 1980's, and the first time since 1970, that two runningbacks from the same collegiate team were both selected in the first round of the draft.
- Florida's 78-11-2 record at home since 1981 and its 35-2 home record since 1990 rank among the nation's very finest.

*The University of Florida is a charter member of the National Heisman Trophy Club.*

**“One of the primary reasons why I and so many others, came to Florida is because of the tradition. When you see the list of players that have played here it truly becomes an honor to play on the same field as they have. Coach Spurrier is one of those great players who is now adding to Florida's impressive tradition with his sparkling achievements as a coach. What's really exciting is the fact that everybody believes the best is yet to come.”**

# SUCCESS AND

*Florida is One of Only Two Schools in the Nation to Finish Each of the Last Five Seasons Ranked in the Top Ten in the Final AP Poll*

- Florida has finished first in the SEC standings in five of the last six years. Its 44-6 SEC record since 1990 ranks as the best in the league.
- UF has finished first in the SEC standings seven times in the last 12 seasons.
- UF has appeared in the weekly AP Poll in each of the last 99 ranking weeks, including each of the last 52 weeks in the top 10.
- UF's 61-13-1 record (82.0%) is the sixth-best win percentage in the nation this decade and its 61 total wins ranks as the third top victory total in the nation since 1990.
- The only school in the SEC to appear in each of the first four SEC Championship Games.
- Appearance in the 1995 National Championship Game at the Fiesta Bowl.
- One of just two schools in SEC history to win three straight outright SEC titles (1993, 1994, 1995).
- From 1983-91 Florida had at least one player selected in the opening round of the NFL Draft each year (13 total - the top total in the nation for that nine-year period). Florida's streak of nine consecutive years with at least one first-round selection in the NFL Draft is the longest for any school in the nation since the NFL Draft began in 1936.
- In 40 of the last 45 seasons of play, the Gators have been ranked in the Associated Press Top Twenty Poll at some point during the season.
- Florida has ranked in the AP Top Fifteen Poll at some point in the season in 12 of the last 14 years of play.

UF has won the SEC title four times in the past five seasons and finished first in the SEC standings seven times in the past 12 seasons. That success in the nation's most competitive conference has propelled the Gator program into the national spotlight.

During this decade the Gators have compiled the best record in SEC play (44-6), won the most SEC titles (4), their 61 total wins since 1990 ranks as the third best victory total in the nation and they played in the 1995 National Championship Game at the Fiesta Bowl. Florida is one of only two teams in the nation to finish each of the last five seasons ranked in the final AP Top 10 Poll and it is one of only four teams in the country to win nine or more games each of the last six seasons.

# INCREIBLE MEDIA

*Every Aspect of Modern Mass Media Communications  
that the Florida Squad and Gator Players are*

The media attention and exposure associated with the Florida football program is nationally renowned. The Gator program has a reputation around the country for being one of, if not the most, intensely covered collegiate teams in the country. The daily media attention assures that the Florida team and its players receive incredible media and public exposure.

As the facts demonstrate, very few schools in the nation can match the University of Florida's high media profile.

- Since 1982, every Florida football game except one has been televised on either a live or delayed basis. In short, 166 of UF's last 168 games have been televised.
- Eight of the 10 largest newspapers in the South and Southeast are located in the Sunshine State and cover the Gator program daily.
- In 1990 and 1991, the University of Florida appeared on national TV eight times each season.
- In 1992 and 1994, 10 of UF's 13 games appeared on live network television, while nine of 13 games were televised on network TV in 1993 and 1995.
- In 54 of its last 75 games, Florida has appeared on live network television. In short, over the last six seasons under Steve Spurrier, 72% of all UF football games have appeared on live network television.

**“T**he media attention at Florida is more than you can imagine. Media representatives came from all over to cover the program daily. There never is any question in your mind that team and individual performances won't receive the maximum amount of attention.”

Beginning in 1996 and running through 2000, CBS will carry 12 Southeastern Conference football games each year. ESPN will carry approximately 12 regular-season games each year through 2000 and Jefferson-Pilot will carry the SEC Game of the Week for 13 consecutive weeks each year through 2000.

(Right) Florida's national television profile is unquestionable one of the highest in the nation. Counting tape-delayed telecasts, every UF game but two since 1982 has been telecast - 166 of a possible 168 games. Florida has had at least eight of its games selected for live network each of the last six seasons with 10 live appearances during the 1994 season. Fifty-four (54) of Florida's 75 games (an amazing 72%) under Steve Spurrier have appeared on live network television.

# RECOGNITION

*A High Media Profile and The SEC  
Place Gators in Prime Position for  
National Recognition and Awards*

*T*he combination of tremendous media attention on a daily basis, the large number of national television exposures and the national respect for the quality of play in the Southeastern Conference combine to place University of Florida players in an excellent position to garner national recognition, honors and awards.

Those factors combine to place Gator players in the national limelight on a much more consistent basis in comparison to most other schools and players.

Consider the following:

■ Since 1982 alone, Gator players have earned a combined ninety-four (94) All-America honors.

QB Danny Wuerffel, (far left) third in the Heisman Trophy balloting in 1995 as a junior, was a recipient of the 1995 Davey O'Brien National QB of the Year Award as well as the SEC Player of the Year Award. Gator players have received the SEC Player of the Year Award four times in the past seven seasons and five times in the past 12 seasons, achievements matched by no other school in the league.

Jack Jackson (left) was one of three finalists for the Biletnikoff Award in 1994. The award goes to the nation's top wide receiver.

**“There is something about Florida that generates incredible amounts of attention and recognition as evidence by the fact that 11 Gator players earned All-America honors in 1991. Think about that. One-half of Florida’s starters in 1991 earned All-America honors. It is awesome, simply out of this world. As a team and individual, having Florida football as part of your life means you will receive incredible recognition for what you and the team accomplish. The unmatched media attention Gator players receive plays a huge role in this recognition process.”**

*Jason Odum (above) was one of three finalist for the Outland Trophy in 1995 and also received the 1994 and 1995 Jacobs Blocking Trophy, presented annually to the SEC's top blocker as voted on by the league coaches. It marked the third time in the last five seasons that a Gator lineman has received this honor (center Cal Dixon received it in 1991).*

*DE Kevin Carter (right) was one of five finalist for Football News' National Defensive Player of the Year Award in 1994. He was also a semi-finalist for the Lombardi Trophy in '94.*

*Defensive tackle Ellis Johnson (above) was named the National Defensive Player of the Year for 1994 by CNN. Linebacker Wilber Marshall earned that same honor from ABC in 1985.*

*Judd Davis (left) was the recipient of the 1995 Lou Groza National Place-Kicker of the Year Award.*

- Since Steve Spurrier arrived on the Gator scene in 1990, Florida players have earned a combined 48 All-America honors, an average of eight players per season. Five players received that honor in 1990, 11 in 1991, eight in '92, 12 players in 1993, six in 1994 and six in 1995.
- At least one University of Florida player has earned first-team All-America honors in 15 of the last 16 years.
- A Florida player has received the "SEC Player of the Year" award in four of the past seven years. Since 1984 Florida has had more "SEC Player of the Year" awards (5) than any other school in the conference.
- From 1983-91, Florida had at least one player selected in the first-round of the NFL Draft each year, the only school in the nation to achieve that distinction over that nine-year period. In fact, UF is the only school in the nation to ever achieve that distinction since the NFL began its draft in 1936.
- From 1983-91, Florida had 13 players selected in the opening round of the NFL Draft, the most for any school in the nation over that nine-year time span.
- In 1987, Emmitt Smith became just the second freshman in history to finish in the top 10 of the balloting for the Heisman Trophy.
- Brad Culpepper, a 1991 first-team All-America defensive tackle, was also named the Toyota/ESPN National Student Leader of the Year and the recipient of the Draddy Trophy which is presented annually by the National Football Foundation and College Hall of Fame to the nation's premier scholar-athlete. In 1995 QB Danny Wuerffel was named GTE Academic All-American of the Year.

# BOWL GAMES

*Florida has Appeared in a Major Bowl Game Each of the Past Three Seasons, Including the Fiesta Bowl National Championship Game for 1995*

There really is nothing quite like the experience of playing in a bowl game. The event and the surrounding experiences are among the most pleasant memories of a college football career.

Much of those memories and experiences come from traveling to different cities and states. In that regard, Florida has been tough to match. Since 1980, Gator football teams have participated in 11 bowl games held in nine different cities and eight different states, stretching from coast-to-coast and beyond. Since 1980, Florida football squads have played in postseason bowl games in Honolulu, Hawaii, the Los Angeles area, Tempe, Arizona, Houston, Birmingham, Atlanta, Jacksonville, Orlando and in New Orleans three times in the last five years. The 1995 squad headed to the Fiesta Bowl in Tempe, Arizona, to play for the National Championship.

With Coach Spurrier's crowd-pleasing offense, an exciting and attacking defense, a high national profile and loyal supporters, Florida is one of the nation's most attractive bowl teams of the 1990's.

Nationally renowned comedian Bill Cosby (below) conducted the coin toss for last year's national championship tilt at the Tostitos Fiesta Bowl.

# GAMEDAY AT

*The Atmosphere at Florida Field on Gameday  
Ranks with the Most Vibrant and Electrifying in  
All of College Football*

All of the interest, emotion, dedication, passion, loyalty and commitment that makes Gator football so special manifests itself on gameday at Florida Field, a.k.a. "The Swamp". The state's captivation with Gator football, along with unwavering fan loyalty and passion, turns beautiful Florida Field - truly one of the nation's great spectator stadiums - into a sea of orange and blue emotion and support that is hard to fully describe.

Suffice it to say that Florida students, alumni and fans truly believe that they are indeed the 12th man on the field. They have played a very large contributing role in the Gators' sparkling 78-11-2 record at home since the 1981 season. UF is 35-2 at "The Swamp" this decade.

The emotion, crowd participation and electric atmosphere that is created at Florida Field on gameday has become nationally renowned. In 1987, the National Cheerleaders Association of America selected the Gator faithful as the most participative and supportive crowd in all of college athletics in the first year of national competition for that award. In the summer of 1989 *The Sporting News* named Florida as the top college crowd in the nation in its preseason football magazine.

**"More than anything, I'll remember all the Saturdays at Florida Field. I've played in many different stadiums, both in college and in the NFL, but nowhere is the pageantry and excitement like it is at Florida Field."**

# THE SWAMP

**"I** always have so many fond memories of my years at Florida. Playing at Florida Field however, will always remain something very special for me and all Gator players. Players from other teams always commented that playing here was the toughest place to visit, and that's because of the Gator fans. They are always there no matter what. At other stadiums the intensity of the fans was off and on; loud one moment and then at other times you didn't really hear them. That's never the case at Florida Field. The fans are always supportive. They really are special and I'll never forget the feeling of running out the tunnel at Florida Field. It gives me the goose-bumps just thinking about it. I really had the time of my life out there."

**KERWIN BELL**  
Quarterback (1984-87)

The National Cheerleaders Association of America selected the Gator faithful as the most participative and supportive home crowd in collegiate athletics in the first year (1987) of national competition for that award. Since 1981, the Gators have posted a sparkling 78-11-2 record at Florida Field, a mark that the fans have played a large part in helping to achieve. Since 1990, UF is 35-2 at Florida Field. UF averaged over 85,100 fans per home game in 1995, a figure that ranked as the fifth best in the nation.

**"T**he feeling of playing at Florida Field is really hard to put into words. It's just an incredible sensation. When you step onto Florida Field, you are ready to play the best game of your life because of the energy you receive from the crowd. The players and fans here really do have a special bond."

The focus of our programs is to foster life-long learning and leadership skills which will direct student-athletes toward self-reliance, self-discipline, and responsibility for their own lives."**

**"Far too often, the balance between athletics and academics is overlooked in 'Big Time' college athletics. I am proud to say this never occurred with me, and I am confident that the UAA (University Athletic Association) will continue to encourage both athletic and academic excellence."**

— GARY ROLLE, M.D.

WR at UF, 1982-84, National Football Foundation  
Scholar-Athlete Award Recipient

**"I enjoyed my playing days at Florida. I grew up in so many ways over those last few years, but most importantly I was taught skills in teamwork, personal responsibility and developing a solid work ethic. If you only become a better player at Florida, then you are cheating yourself because the University of Florida will make you a more well-rounded individual if you take advantage of all that it offers, and it does indeed have a great deal to offer."**

— ILB CARLTON MILES

1992 Defensive Co-Captain

**"The Office of Student Life staff was always, and I mean always, right there to assist you in any way possible. The staff does a great job of preparing you and staying on top of you to meet your academic and personal responsibilities. They were certainly a very important part of me being successful at the University of Florida."**

— OLB BEN HANKS

—CAL DIXON  
1991 All-America Center

**“Over the years at UF, I have seen many wonderful people of all ages and races. As for what I've learned, I've learned quite a bit. I have learned that it doesn't matter what race you belong to or your age, but rather the amount of hard work a person is willing to put into a project. I love my teammates and I thank God for the time I have spent at this university. It has taught me never to stop fighting and reaching for the best in myself and the people around me.”**

—DT TONY MCCOY  
1991 Team MVP, Current member of the Indianapolis Colts

**“The Office of Student Life was right by your side, day-in and day-out, to help you as you go through college and prepare for the future. The OS� staff is made up of caring, dedicated professionals. They truly care about you and your well-being. From the transition from high school to college to any assistance you might need regarding academic matters and your career, OS� is there. It was very reassuring to have professional-trained, caring people concerned about you and your well-being at all times.”**

—HILEY RICHARDSON  
1991 All-America DE and  
NFL First-Round Draft Selection

**“The OS� staff and program is such a great support system for all student-athletes. The staff works hard at teaching you how to be a responsible and productive person. They get behind you early and help you develop good habits and techniques that will make you successful in and out of the classroom if you listen to them and carry out the things you are taught. The staff and program are part of what makes the University of Florida such a special place.”**

# IMPORTANT INFORMATION FOR PROSPECTIVE STUDENT-ATHLETES

## WHO IS A PROSPECTIVE STUDENT-ATHLETE (PROSPECT)?

You are a prospect if you have started classes for the ninth grade. Before the ninth grade, you may become a prospect if a university provides you (or your family or friends) any financial aid or other benefit that is not usually provided to prospects.

## HOW DO I KNOW IF I'M BEING RECRUITED?

A coach is recruiting you if they try to convince you directly, or through your family, to attend their school and participate in intercollegiate athletics. There are several ways to be recruited: (1) the school may provide you with an official visit, (2) a coach may arrange an in-person, off-campus encounter with you (or your family), or (3) a coach or staff member may call you (or your family) on more than one occasion for the purpose of recruitment.

Coaches and authorized institutional staff members are the only individuals who may recruit you. Representatives of athletic interests (boosters) may not call, write or make in-person contact with you for the purpose of attending the University of Florida and participating in athletics.

## WHEN CAN A COACH CONTACT ME?

**OFF CAMPUS CONTACT:** A coach can arrange a face-to-face meeting, off the University's campus, with you beginning July 1st following the completion of your junior year in high school.

**TELEPHONE CALLS:** Phone calls from a coach or institutional staff member may not be made until August 15th following the completion of your junior year in high school. You may call a coach at your own expense at any time. However, unless it is after July 1st following your junior year, the coach may not return your call. Generally, a coach may only call you

(or your parents or legal guardians) once a week, however unlimited phone calls are permitted under the following circumstances: (1) during the five days before your official visit, (2) on the initial date for signing the National Letter of Intent and the two days following, (3) on the day of a coach's off-campus contact with you, and (4) in the sport of football only, unlimited phone calls may be made during permissible off-campus contact periods and during the two days before and after the initial signing date for the National Letter of Intent.

**LETTERS:** Letters and recruiting information may be sent to you starting September 1st at the beginning of your junior year in high school.

## WHAT CAN A SCHOOL OFFER ME TO ATTEND THEIR UNIVERSITY?

You (or your family) may not receive any benefit, inducement or arrangements such as cash, clothing, cars, gifts or loans to encourage you to sign a National Letter of Intent or to attend a NCAA school.

The University of Florida may offer you a one-year scholarship that covers room and board, tuition and fees, and required course-related books, or any part of these. The institution can recommend that this aid is renewed each year, as is the general practice at the University of Florida. In addition, they can offer you quality academic and medical support, as well as, the opportunity to compete for one of the top programs in the country.

## WHAT CAN I DO DURING THIS PROCESS?

Enjoy your high school years — work hard both in the classroom and in your sport. At the beginning of your junior year, sign up for the NCAA Clearinghouse. Your high school guidance office can provide you with the information you need.

The NCAA logo consists of the letters "NCAA" in a white, serif font, centered within a solid black circle.

and athletic success in

a decade-long, independent study published in the NCAA News in 1992. Stanford, Penn State, UCLA, Southern Cal and Texas joined Florida in this elite group. A 1994 study by the American Council of Education ranked UF among the nation's five premier institutions for combined academic and athletic achievement.
